Chosen Ancients Of Light:

Chosen Heather Fleener, 2013-01-10 In the beginning there were Vampire Man's fall from grace sparked the birth of the Dark creatures from the underworld To counter the explicit threat to mankind divinely created immortals were brought forth The Witch encompassed seven Castes of power their magic was most effective against the nefarious agenda pursued by the evil ones She is Chosen Kaitriana's gift of magic is unrivaled A descendant of the most powerful Ancient in existence her birth was foretold ages before her time Destined to lead the Witch faction she is betrayed by her own kind destroying her birthright and all hope of delivering the Realm from the sinister shadow of the Ancient Dark He is the Key Lorcan is a mighty warlord in the Vampire species His animosity towards the magical immortals is personal his mother was their Queen Having long since severed all ties with his former kin his existence remains plagued by the repercussions of her treachery and a secret that threatens to be his downfall They are the Prophecy An arcane prophecy from the time of the Ancients proclaims that only two in all of creation can bring peace to the Realm When Kaitriana miraculously appears seeking his protection Lorcan must forsake his duty and disregard the dictates of his breed to shelter the female Together they must combat the Ancient Dark and surmount the forces within their own factions that would oppose the Prophecy Their fates have always been entwined and only when joined can they triumph over a blood feud that has shadowed the Light for millennia

Masonic Light from Ancient Africa Keith Moore 32i, 2018-01-30 This book explores the critical thinking that Freemasons of African descent have towards the understanding of the Bible as well as the impact of Christianity in African American culture To the Mason the Bible is the guide of faith for it gives us God's holy instructions It also has within it a secret knowledge that many of our traditional churches refused to tap into Therefore this knowledge is esoteric in nature and this is what masonry thrives on This book will examine not only the contributions by ancient Kemet Egypt To religion but the entire content of Africa which has a conglomerate of religions all are pointing to one divine creator *The Origin of the*

Ancient Mysteries Frank Teichmann, 2020-08-04 In conducting his research into the mysteries of antiquity Frank Teichmann made a series of discoveries that connect directly to contemporary events and the tasks of the present day Whilst scholarly in nature and based on extensive documentation of historical sites Teichmann's work is no dry academic study In *The Origins of the Anthroposophical Society* he offers incisive new insights into Rudolf Steiner's seminal esoteric deed the

refounding of the Anthroposophical Society at the Christmas Conference of 1923/24 and considers how it impacts us today. The Conference itself says Teichmann did not just appear out of nowhere nor did it happen merely as the result of a decision on Rudolf Steiner's part. It was prepared for long beforehand. In the emergence of the anthroposophical movement, Teichmann reveals a conscious recapitulation and renewal by Rudolf Steiner of three types of primordial mystery. He states the whole anthroposophical movement together with the Anthroposophical Society as it was re-founded at the Christmas Conference of 1923 was planned and prepared for in primordial times. All Steiner's deeds, no matter how original they may appear in the foreground, have a deep esoteric background that contains the entire spiritual history of humanity. This renewal had been systematically prepared by Rudolf Steiner in three phases through the evolution and intensification of thinking via the mysteries of light in Greece, experiencing the spiritual through art via the mysteries of space in Egypt, and involving the tasks of civilization, the northern or earth mysteries. Teichmann's groundbreaking book featuring dozens of images, including his own original photos of British mystery landmarks, is published here for the first time in English translation. [Ancient Egypt, the Light of the World](#) Gerald Massey, 1992. Gerald Massey was one of the first Egyptologists in modern times to realize that with the final eclipse of the incredibly old Land of Kemet, an ancient Egypt, a light had been extinguished in world civilization. He was a man of protean interests and concerns at once a poet, socialist, Shakespearean scholar, mythographer, and Egyptologist. Part of his genius was the ability to look truth in the face and not flinch. Massey did in the cultural domain what modern paleontologists have done in the anthropological: pinpoint Africa as the crucible of humanity's story. In the first volume of *Ancient Egypt*, Massey was primarily concerned with elaborating how the first humans emerged in Africa, created thought. What had been evident to him from the outset was that the myths, rituals, and religions of ancient Egypt or Old Kemet had preserved virtually intact a record of the psychomythic evolution of humanity. In the second volume, Massey examines the celestial phenomenon known as the Precession of the Equinoxes. He believed only by understanding this phenomenon was it possible to fathom Nile Valley history. He provides the reader with extensive detail on the interconnection of the two. The last half of the second volume is devoted to the Kemetite sources of Christianity. Massey demonstrated the manner in which New Testament Christianity evolved directly out of the Osirian mysteries. Massey pioneered the effort to connect Old Kemet thought to its origin in Africa's antiquity. His conclusions, which are constantly being verified, showed that Kemetite thought was the direct progenitor to the philosophy, metaphysics, religion, and science that eventually shaped Western civilization from back cover. *Awaken Your Ancient DNA* Felicity Skye, 2013-12-16. *Awaken Your Ancient DNA* is a book about switching your Light Codes back on.
