Chosen Alex Verus An Alex Verus Novel:

Chosen Benedict Jacka, 2013-08-27 THE NEW ALEX VERUS NOVEL I don't publicly advertise that I'm a mage but I don't exactly hide it either and one of the odd things I've learnt over the years is just how much you can get away with if you're blatant enough Hide something behind smoke and mirrors and make people work to find it and they'll tear the place down looking for what's there Alex Verus is a diviner who can see probable futures a talent that's gotten him out of many a tough scrape But this time he may be in over his head Alex was once apprenticed to a Dark mage and in his service he did a lot of things he isn't proud of As rumors swirl that his old master is coming back Alex comes face to face with his misdeeds in the form of a young adept whose only goal is to get revenge Alex has changed his life for the better but he's afraid of what his friends including his apprentice Luna will think of his past But if they're going to put themselves at risk they need to know exactly what kind of man they're fighting for
