Christ Returns Third Eye Edition:

Third-Eye Theology C.S. Song, 2002-11-20 This book explains Christian attempts to contextualize theology in the Asian perspective The accommodation of Asian religious terminologies and concepts is possible as long as the biblical meaning is included Yet there is a question of where to draw the line between syncretism and accomodation The Path to Immortality Mark L. Prophet, Elizabeth Clare Prophet, 2011-01-07 What is immortality Does it mean living forever in the same physical body The Path to Immortality shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness Immortality it shows is your divine right and the destiny of your soul This far reaching work unfolds metaphysical truths about the law of cycles and the seven bodies of man the planes of consciousness the inner working of the chakras and the flow of energy through them It also explores what the soul is and how we can take care of it the meaning of the fiery trial dangers that confront the soul on the homeward path and tools to deal with them *Abandon Racism and Welcome Our Fellow Extraterrestrials* Juanita de Guzman Gutierrez BSED MSED, 2018-10-18 How do we stop the old and ancient self limiting racial thinking of one another Just think that we are all extraterrestrials We came from the galaxies of stars Even the Indigo children know this truth It is the time of disclosures Humanity had been enslaved It is time to regain our divinity back and our power back We do not need to be saved and do not need to worship any gods We are all pieces of a prime creator source Therefore we are all gods and goddesses We have the power and we will evolve We are all immortals If you know that you will be a rock or a Buddhist or a paraplegic and when you come back to reincarnate you will understand one another This book will also give you the knowledge of breaking your soul contract Breaking your soul contract and healing your energy field is a healing modality that came from our fellow Arcturian family According to the Arcturians this healing strategy is the most powerful healing modality given to humans at this time It will be discussed here in this book as well Why do we keep on hurting one another by calling one another names Why do we judge a person by the color of their skin We are one human race We came from the HU The HU is the ancient name of God We came from the outer interstellar space We did not originate on this earth Therefore we HUmans are all extraterrestrials And our fellow extraterrestrials are coming out in the open soon to introduce themselves They are already here actually ever since our Mama Gaia or Mother Earth existed Forget the wrong indoctrinations we learned from schools And what I taught as a teacher then was wrong too It is because I was not awakened yet then I began my awakening this October of the year 2017 This book attempts to solve give solutions or suggest ideas that will make us realize that all people on this planet earth is of one race And that is the whole HUmans race From the HU god race We are all extraterrestrials This is disclosure in the first degree We HUmans need to wake up We are not alone The ETs or extraterrestrials as we know it in movies are real And they are going to reveal themselves very soon even maybe before or after this book is published They all come from other stars in the intergalactic outer space just as we do Believe it or not There is no need to brand someone as

the brown race black race white race yellow race and so on and so forth HUmans are not limited by their skins pigments nothing to be brushed off Just keep an open mind Our prime creator is of 221 energy frequency and when that huge energy blew up it took many forms according to Dolores Cannon It is time to awaken to the reality that the prime creator of all made us all one The divine father and divine mother gods had made the human beings race to be the same persons We all have the same lives to live the same air to breathe one planet earth to live on one body to live We are going to even ascend to the stars where we came from We better believe this There is a saying that a house divided on its own cannot stand How true and fitting this is for humanity If we have to survive as a human specie who are all magnificent we better change our consciousness or thinking We as wonderful human beings all belong to the great human race We all are extraterrestrials This is disclosure written by a Pleiadian from a previous life existence This book will make you realize how important it is to stop the limiting and discriminating descriptions we have described one another We all need to learn Reject what is bad and take what is only good Leave the limiting and ancient profiling of one another behind never to come back Welcome the new consciousness in our higher selves We are all powerful extraterrestrials **A New Jesus** William H. Kautz,2011-08-11 The life and deeds of the man Jesus triggered off the immense Christian religion nearly two millennia ago but his most sublime and profound teachings were largely disregarded or reshaped by the practical needs of the early Christian Church The old religious package no longer satisfies the needs of present day practicing Christians and others seeking clear answers to their pressing spiritual questions A NEW JESUS releases these original teachings of Jesus from the grasp of doctrinal and legendary religious tradition A powerful and proven method called intuitive inquiry distinct from the usual intellectual means for generating knowledge is utilized for this purpose It relies upon the skill of an expert intuitive Kevin Ryerson in this book whose past record for obtaining both lost and entirely new information has been outstanding In this book you will find perceptive answers to the main mysteries about Jesus life and teachings and the basic spiritual questions about man s origin identity and purpose It clears up several gaps distortions and contradictions in the New Testament Gospels and closes with a modern restatement of Jesus spiritual philosophy It also describes how to apply this new knowledge to enhance your personal understanding and daily life Libby Maxey,2005-01-01 a personal journey of enormous merit one of the world s great mystics blended with sound intelligence and clear self discovery Excellent balance between inner and outer experiences grounding the reader in the mundane as well as the spiritual heights I almost never offer superlatives my standards are too high This work is real and REALLY good Louise Mallory Elliott PhD former clinical psychologist now Melchizedek minister and teacher of spiritual consciousness I Am Liberty is a story of one woman s quest to be in the world but not of it With a Mighty Assistant and a storehouse of revelatory glimpses of True Reality Libby begins to imagine how her life would be lived as an ascended being When the imagining starts to become her daily reality the true work of Spirit begins and she is inexorably drawn into the evolution of mind promised by God Often breathtaking frequently profound I Am Liberty is a

courageous and captivating story of realizing and returning to God *Psycho-analysis and Meditation: Third eye and kundalini, and experimental account of journey from dust to divinity* Bhim Sain Goel,1985 **The Lost Teachings of Jesus** Mark L. Prophet,Elizabeth Clare Prophet,1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries Becoming One with Christ David Richards,2025-03-10 A lifetime journey A test of faith A calling to a deeper love This is more than a book it s a heartfelt testament to resilience devotion and discovering love s true meaning through the eyes of King David In Becoming One with Christ I share my journey a lifetime of seeking spiritual depth and strength which was put to the ultimate test during the pandemic During that turbulent time I encountered profound revelations through David s trials triumphs and unwavering faith Now I want to share these lessons with you in hopes they will inspire and embolden your own walk of faith **The Most Holy Trinosophia and the New Revelation of Divine Feminine** Robert Powell,2000 The rising interest in goddess spirituality expresses our current need to understand the feminine side of God the Sophia or Divine Wisdom and her relationship to the masculine aspects of God Offering a new perspective the author draws on his own research and on the teaching of Russian philosopher Pavel Florensky according to whom Sophia has a relationship to the masculine Trinity as an independent spiritual being Robert Powell discusses Sophia as a Trinity as Mother Daughter and Holy Soul and as the feminine aspect of Divine Godhead He connects our reawakening to the feminine aspect of God with many of the changes now taking place in the world Also included is an introduction to the Divine Feminine by Daniel Andreev author of *The Rose of the World* **Coloring Our Lives** The Supreme Master Ching Hai,2005-02-01 This book is a collection of answers from The Supreme Master Ching Hai to questions about life birth and death spiritual cultivation and the Truth often asked by Truth seekers Yet all of these verbal answers are second hand information Master encourages us to get first hand information by finding the Supreme Power within us and allowing that Power to take care of our lives and regulate all things *The Second Coming* Cyrene,2014-04-25 The Second Coming takes a fresh look at the Gospel of Matthew through the unconditioned eyes of a truth seeker The book reinterprets the Gospel of Matthew from a non dualistic perspective and brings out spiritual insights totally unexpected The book also brings to the forefront the forgotten character of Joseph as the tekton of the Gospel The distinctive feature of the book is that it redefines abstruse or undefined biblical terms such as the Father the Son the Holy Spirit God heaven hell Serpent Satan sin etc in a new light that makes the interpretation internally consistent and also consistent with the external reality According to the book the message of the Gospel is straightforward The human body is the Savior Therefore turn to the body The book goes beneath the literal content of the Gospel of Matthew to discover its soul Thy Queendom Come V. Lynn,2023-01-06 Thy Queendom Come is a deep investigation into the

infamous Mystery Babylon the Great the woman who sat upon a scarlet colored beast holding a golden cup full of abominations in the Biblical Apocalyptic book of Revelation 17 This woman represents a system The world order is collapsing and rapidly becoming darker by the moment Followers of Christ are fighting a deceptive enemy who operates deeply in secret through a system of hidden language symbology lies and twisting of the Holy Scriptures Thy Queendom Come exposes the inner teachings of Mystery Babylon Mystery religions Mystery schools Secret Societies Occult Practices New Age Movements Demonology and ultimate agenda What was uncovered during our investigation revealed an ancient plan that was so shocking so subtle so coercive and so diabolical that it calls for immediate attention Leaders and laypersons alike are in a complete hypnotic state as to the ideology of Mystery Babylon that has crept into the minds hearts and thoughts of born again believers and even into worship practices Thy Queendom Come through historical records and first hand accounts from the highest sources will expose to the reader how this subtle enemy through his seed has been able to operate without detection These truths will bring about the Godly confidence to defend the faith in Christ The manipulative practices of this woman riding the beast are unknowingly destroying the moral fabric of current and future generations The need is urgent to shine the light on this ages long agenda The Father wishes that none be lost to this subversive Anti Christ beast system of the devil Mystery Babylon The Great The Mother Of Harlots And Abominations Of The Earth Revelation 17 5 Thy Queendom Come is a clarion call to all true believers in the Messiah Jesus Christ Public Theology in an Age of World Christianity P. Phenomena and Divine Promises Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of

some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God *Advanced Studies in*

needs were provided for We knew no struggle of hardship We were God s beloved But happiness was not enough for us We wanted the freedom to live our own lives To evolve we had to learn to become love givers not just love receivers We all know what happened then We were cast out of the Garden and for the first time in our lives we felt shame jealousy anger lack We experienced highs and lows joy and sorrow Our lives became difficulty We had to work hard to survive We had to make mistakes and learn from them Initially we tried to blame others for our mistakes But that did not make our lives any easier It just deepened our pain and misery We had to learn to face our fears instead of projecting them onto each other Returning to the Garden we are different than we were when we left hellbent on expressing our creativity at any cost We return humble and sensitive to the needs of all We return not just as created but as co creator not just as son of man but also as son of God

THE SCIENCE OF JESUS Damion Wilson,2019-09-27 These five letters J E S U S form one of the worlds most mysterious names of all time Why did the angel name the child JESUS Why not Immanuel Why is this man JESUS surrounded in mystery Lets take a look at the fact that there is a mystery to be spoken of in the first place *The Ubuntu God* Samuel A.

Paul,2009-01-01 In 1948 the Afrikaner Nationalist Government became the ruling party in South Africa and instituted the brutal system known as apartheid To maintain their power Afrikaners drew on Christian scripture and traditions to create self justifying religious narratives that supported their oppressive ideologies prohibiting inclusion and suppressing pluralism In time these Afrikaner Christian narratives began to unravel as counter narratives within the Christian tradition influenced the Black church to demand equality and democracy This socio political and cultural transformation is best understood and interpreted through the vision of ubuntu a mode of thought in African culture that places a value on humanity in community and shifts the focus from singularity to plurality in South African society In *The Ubuntu God* Samuel A Paul traces how the dismantling of apartheid led to recognition of the religious other the recovery of alternate narratives and the reappearance of ubuntu perspective and practice in the political and public sphere After the peaceful transition to a democratically elected government the Truth and Reconciliation Commission created a platform for multiple voices stories and religious narratives

to be shared in a public political context This multiplicity of voices resulted ultimately in the formation of a new constitution for South Africa that sought to uphold African values of community and inclusion in its institutions While South Africa s apartheid system and the Truth and Reconciliation Commission are both rooted in the biblical narrative the former used its theology to enforce an iron rule while the latter combined Christian and African concepts to create a pluralistic and open society Such a society is characterized by a culture that emphasizes communality and interdependence **The Key to the Universe** Harriette Augusta Curtiss, Frank Homer Curtiss, 1917
