Weathers, 2014-01-15 This book deals with the rites of passage into adult Christian living To pass through these powers of anointing by the Holy Spirit all of us must take a journey from babyhood new birth in Christ to growing in spiritual maturity into that perfect man or woman of God Ephesians 4 11-12 This will not come overnight or quickly in our walk with the Lord it will take time and many will have to sacrifice the things of this world to achieve it But it can be done by all who are willing to follow the Lord in this world One hundred percent of us must start by passing through the first level of power that the Holy Spirit bestows upon all who believe in Christ Jesus Everything in our lives will begin at the cross of Calvary and from there we will all go on a trip with the Holy Spirit that will forever change our lives every day The Holy Spirit will become our teacher and guide John 16 13 and depending on how much of him we want will determine the level of growth we achieve as Christians in this world It will not come because of traditions of men or preachers proclaiming to have absolute truth but only by the Holy Spirit himself as he teaches and witnesses with your spirit the revelations of Gods Word that only he can give Romans 8 16 I invite you to travel with me through the pages of this writing and discover the truths that are within I take no credit for what the Holy Spirit of God has revealed only he has the wisdom and revelations to open our eyes to his Word And only he has the anointing power to grow us up from level to level as we progress in his knowledge and power But here is a truth you must know the Holy Spirit will not take you any further in spiritual growth than you are willing to allow him to Matthew 7 11 At every level of anointing you have to pass through to grow and go on to the next level you will have to ask of him and be willing to sacrifice what needs to be given in order to achieve it Many who are tied up in religion and bondage to denominationalisms will try to keep you from this growth Very few in the body of Christ will ever reach full maturity in our Lord Most already believe that they have achieved this level because they are good Christians they go to Church give their tithes help a few people work in the church and say their prayers every day Outwardly this may seem like the perfect saint of God but the Lord is seeking more from us to pick up our cross for him and follow him This will require commitment a soldout attitude sacrifices and even death if thats what it takes Twelve apostles willingly lived their lives for him and gave their lives in death The question today is How far do you want to grow in Christ and Do you want to live your life for him or continue to play church on earth This book will change the way you see yourself with Christ it will help you come out of organized religion and walk with your Lord the way he meant it to be Only the Holy Spirit can show you these things to come I hope this book will challenge you to become the mature Christians God intends for all of us to become In Christs love Dr Richard E Weathers PsyD **The Power of a Disciplined Life** Dr.

God's Guide to Freedom Carl Barrett, 2023-04-13 In a society where so many people feel helpless and

hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives
