Christian Attitudes To War Peace And Revolution:

Christian Attitudes to War, Peace, and Revolution John Howard Yoder, Theodore J. Koontz, Andy Alexis-Baker, 2009-04 One of the most important thinkers on just war and pacifism describes analyzes and evaluates various patterns of thought and practice in Western Christian history **Christian Attitudes to War, Peace, Revolution** John Howard Yoder, 1978

Christian Attitudes to War, Peace, and Revolution John Howard Yoder, 1983 **Christian attitudes to war, peace and revolution: lecture series** John YODER, 1980 **Church and World** Simon P. Schmidt, 2020-02-14 In the world but not of it an expression that has been interpreted in a multitude of ways With the publication of Rod Dreher s much debated book *The Benedict Option* in 2017 the question of just how the church is to exist in but not of the world is once again on the minds of many To provide answers true to the context in which the Western church now finds itself it is worth first investigating how the question has been answered in the past In determining what to do today it helps to understand how we got here in the first place At the beginning of the fourth century people were persecuted for being Christians by the end of the fourth century people were persecuted for not being Christians This book is an academic investigation of how three paradigmatic theologians interpreted this so called Constantinian shift Eusebius of Caesarea ca 260 339 Augustine of Hippo 354 430 and John Howard Yoder 1927 1997 Surprising similarities between the theology of Eusebius and Yoder become apparent and underlying theological structures of how to interpret what it looks like to be a community that follows Christ are revealed *War, Peace, and Social Conscience* Theron F. Schlabach, 2009-11-23 John Howard Yoder is one of the best known Mennonite thinkers on peace But before Yoder there was Guy F Hershberger whose reflections on war violence and peace helped Mennonites navigate perilous times in early to mid 20th century and who also laid the foundation for what became the Alternative Service Program in the U S during World War II In the 1960s he played an important role in guiding the Mennonite church s response to the civil rights movement nudging them toward greater openness to Martin Luther King s call for justice for African Americans In this definitive biography Theron F Schlabach shows how Hershberger helped Christians live their faith in a world beset by war and injustice at the same time pioneering creative ways to engage pressing concerns such as civil rights economic justice and capital punishment Says Stanley Hauerwas Professor of Theological Ethics Duke Divinity School What Schlabach has given us is an invaluable honest account of a life lived in the tensions of the Mennonite church as that church explored the implications of being a people committed to nonviolence The resulting account is a crucial account not only of Hershberger s life but of Mennonite life an accounting I hope non Mennonites will find instructive because it may help them understand Mennonites but more importantly how Mennonites help us better understand what being Christian entails *War Peace and Social Conscience* Guy F Hershberger and Mennonite Ethics was made possible through the generous support of Mennonite Mutual Aid and the Mennonite Historical Society **Power and Practices** Jeremy Bergen, Anthony G. Siegrist, 2009-08-18 A new generation engages the theology of John Howard Yoder

These essays wrestle with questions of power and its implications for social practices including policing nonviolence sexism governmentality dialogue political critique theological construction and the work of inheriting a theological tradition The authors and their approaches to Yoder's work are diverse They bring a wide array of backgrounds to the task from activism and church leadership to advanced studies and the professorate What each has in common is an instinct to place Yoder's work into new conversations and to examine it through new lenses Authors include Chris K Huebner Nekeisha Alexis Baker Paul Martens John C Nugent and Paul C Heidebrecht

Performing the Faith Stanley Hauerwas, 2015-03-11 Folksy eclectic disarmingly humble and astonishingly wide ranging Hauerwas offers us a provocative reading of Bonhoeffer that not surprisingly assimilates him closely to John Howard Yoder At the same time Hauerwas replies to recent criticisms of his work by Jeffrey Stout Contending that truth depends on performance far more than on theory Hauerwas steps forward as a pacifist gadfly for a more truly faithful church and a more recognizably democratic society George Hunsinger Princeton Theological Seminary This book shows how lively and fecund Hauerwas's thought remains A dazzling performance capable of entertaining and instructing professional theologians as much as those who think the world might be a better place without theologians in it Paul J Griffiths University of Illinois at Chicago Stan Hauerwas has done it again He is able skillfully to blend into his book the passion for truth and justice of two of his greatest influences Dietrich Bonhoeffer and John Howard Yoder He takes these heroic advocates for peace into his own present day struggle for the soul of the American nation Hauerwas an admirable Christian pacifist himself dares Christians to be the Jesus people they claim to be and to follow Jesus into the gospel path of nonviolence Geoffrey B Kelly author of *Liberating Faith: Bonhoeffer's Message for Today* Never totally predictable Always a fresh perspective And yet once again in these essays on narrative politics Bonhoeffer and the church we hear the engaging discerning and brilliant voice we have come to know as Stanley Hauerwas Mark Thiessen Nation Eastern Mennonite Seminary Contending with and learning from the witness of Dietrich Bonhoeffer whose life is often thought to provide a Christian alternative to pacifism Hauerwas deepens the account of Christian nonviolence he has been articulating for decades His theology is strengthened and clarified by his encounter with the exemplary figure of Bonhoeffer Alan Jacobs Wheaton College Without loss of the provocative edge that has made him a vital and distinctive Christian voice Hauerwas's *Performing the Faith* allows him to cast a retrospective eye on his work At the same time in a brilliant essay under the title of the book he develops a profoundly important description of faithfulness Dennis O'Brien University of Rochester

The Ethics of War and Peace Terry Nardin, 2020-12-08 A superb introduction to the ethical aspects of war and peace this collection of tightly integrated essays explores the reasons for waging war and for fighting with restraint as formulated in a diversity of ethical traditions religious and secular Beginning with the classic debate between political realism and natural law this book seeks to expand the conversation by bringing in the voices of Judaism Islam Christian pacifism and contemporary feminism In so doing it addresses a set of questions How do the adherents to each viewpoint understand the

ideas of war and peace What attitudes toward war and peace are reflected in these understandings What grounds for war if any are recognized within each perspective What constraints apply to the conduct of war Can these constraints be set aside in situations of extremity Each contributor responds to this set of questions on behalf of the ethical perspective he or she is presenting The concluding chapters compare and contrast the perspectives presented without seeking to adjudicate their differences Because of its inclusive objective comparative and dialogic approach the book serves as a valuable resource for scholars journalists policymakers and anyone else who wants to acquire a better understanding of the range of moral viewpoints that shape current discussion of war and peace In addition to the editor the contributors are Joseph Boyle Michael G Cartwright Jean Bethke Elshtain John Finnis Sohail H Hashmi Theodore J Koontz David R Mapel Jeff McMahan Richard B Miller Aviezer Ravitzky Bassam Tibi Sarah Tobias and Michael Walzer

Pentecostals and Nonviolence April Alexander, 2012-11-09 Pentecostals and Nonviolence explores how a distinctly Pentecostal charismatic peace witness might be reinvigorated and sustained in the twenty first century To do so the book examines the nature of the early Pentecostal commitment to nonviolence and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole Ranging from theology testimony and pastoral ministry to interchurch relations activism and protest this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive and often neglected contributions from the Pentecostal charismatic tradition

Caesar and the Lamb, Second Edition George Kalantzis, 2025-05-30 Through the available patristic writings Caesar and the Lamb focuses on the attitudes of the earliest Christians on war and military service Kalantzis provides the reader with many new translations of pre Constantinian texts and tells the story of the struggle of the earliest church to bear witness to the nations that enveloped them as they transformed the dominant narratives of citizenship loyalty freedom power and control Kalantzis examines writings on war and military service in the first three centuries of the Christian church in an organized manner but the ways the communities of Christ at the margins of power and society thought of themselves and the state are not presented here through the lens of antiquarian curiosity At the heart of Caesar and the Lamb is a desire to understand the world in which Christianity arose and to ask questions of the past that may help us understand the early character of the Christian faith with the hope that such an enterprise will also help us evaluate its expression in our own time

The Present "Just Peace/Just War" Debate Ad de Bruijne, Gerard den Hertog, 2018-09-01 At first the end of the Cold War seemed to mark a period of relative rest However it became apparent that we have not reached the end of history As a matter of fact the world is confronted by new political constellations of so far unknown martial intensity Although Muslim terrorism and the revival of tribalism and nationalism are closely connected At the same time the international community proves mostly powerless as a

result of the cooling relationship between East and West These developments offer challenging questions for Western societies Both in Germany and in the Anglo Saxon world debates on the concepts of Just peace Just war have intensified but mutual engagement between these contexts has remained scarce Against this background a conference was held in Apeldoorn in a Dutch interspace in 2016 in which ethicists from both contexts were involved The present volume contains the edited version of the seven contributions to this conference supplemented with four articles by others that were written deliberately for this volume Die Debatte Gerechter Frieden Gerechter Krieg Zwei Diskussionen oder eine Nach dem Ende des Kalten Krieges hatte es den Anschein als breche eine Friedensperiode an Leider hat sich inzwischen gezeigt dass wir nicht ans Ende der Geschichte gelangt sind Vielmehr sieht sich die Welt am Beginn des 21 Jahrhunderts mit neuen politischen Konstellationen ungekannter kriegerischer Intensität konfrontiert Dabei h ngen islamistischer Terror und das Wiederaufleben von Tribalismus und Nationalismus zusammen Hinzu kommt dass das Ost West Verh ltnis sich zunehmend verschlechtert wodurch die Machtinstrumente der internationalen Gemeinschaft kraftlos geworden sind Diese Entwicklungen stellen herausfordernde Fragen an die westlichen Gesellschaften Sowohl in Deutschland als auch in der angels chsischen Welt ist die Debatte ber die Themen Gerechter Frieden Gerechter Krieg neu aufgebrochen aber sie findet weitgehend getrennt voneinander statt Vor diesem Hintergrund hat 2016 in Apeldoorn im niederl ndischen Zwischenraum eine Konferenz stattgefunden an der Ethiker aus beiden Kontexten beteiligt waren Dieser Band dokumentiert deren sieben Vortr ge erg nzt um vier Aufs tze die speziell f r diesen Band geschrieben wurden Mit Beitr gen von Ted van Baarda Nigel Biggar Jan Peter van Bruggen Ad de Bruijne Guido de Graaff Gerard den Hertog Marco Hofheinz Wolfgang Lienemann Hans Ulrich Pieter Vos Greetje Witte Rang

The Distinctive Identity of the Church Jeppe Bach Nikolajsen, 2015-03-20 An increasing number of theologians believe that the Western world has moved from an era of Christendom to an era of post Christendom This book goes to the heart of the debate related to this shift asking How are we to understand the distinctive identity of the church with special reference to its role in a post Christendom society It then presents an analysis of the work of the English Reformed theologian Lesslie Newbigin and the American Mennonite theologian John Howard Yoder both of whom reflect on how we should understand this important question At the end of *The Distinctive Identity of the Church* the charge of sectarianism is discussed It is argued that a missionary God sends the church to the world and consequently this sending should fundamentally determine its existence in the world The book argues that the task that lies before the church in the Western world is not to bypass its distinctiveness with accusations of sectarianism but to recapitulate an understanding of its own distinctiveness that should be seen as a precondition for its engagement in society Such an ecclesiological position holds important potential for an understanding of the role of the church in pluralistic Western cultures
