M. Wheeler, 2015-12-03 *The Christian Doctrine of Hell* by J M Wheeler *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with

regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Peace Studies Matthew Evangelista,2005 The academic field of Peace Studies emerged during the Cold War to address the nature and sources of interstate and internal conflict and methods to prevent it and deal with its consequences *The Fire That Consumes* Edward William Fudge,2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years *Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...* British Museum,1902 *The National Union Catalog, Pre-1956 Imprints* ,1968 **Essays in Rationalism** Charles Robert Newman,1891 Whether this little volume will find sufficient patrons to defray the cost of its production is at least doubtful The writer whose essays it contains lived in obscurity and will never be popular But he possessed a fine intellect however frustrated by circumstances he belonged to an illustrious family and it is well to let the public have access to the opinions of a brother of Cardinal Newman and of Professor Newman a brother who took his own course as they did and thought out for himself an independent philosophy All Charles Robert Newman s writings that are known to have been printed appeared in the Reasoner edited by Mr George Jacob Holyoake at various dates during 1860 61 With trifling exceptions they are all reprinted in this collection Mr Holyoake has kindly supplied a brief account of the atheistic Newman and Mr J M Wheeler has gathered all the information that is obtainable as to his life and personality Subject Index of Modern Works Added to the Library of the British Museum in the Years 1881-1900 British Museum. Department of Printed Books,1902 **The Theodicy of Peter Taylor Forsyth** Theng Huat Leow,2011-11-08 The theodicy of the remarkable Scottish Congregationalist theologian Peter Taylor Forsyth has long been recognized as a vital and significant contribution to twentieth century theology Up until now however there has not been a substantial full length treatment of Forsyth s work on the problem of evil The Theodicy of Peter Taylor Forsyth fills this lacuna by setting out in a fairly systematic and comprehensive manner Forsyth s justification of God in the face of evil In so doing it also illuminates several other related

areas of his thought such as his epistemology and Christology as well as his understanding of sin the atonement providence divine passibility human origins and the God world relationship Bringing Forsyth s approach to the subject into conversation with other prominent thinkers like Leibniz Dostoyevsky Camus Moltmann Hick Bauckham and Fiddes this book also suggests ways in which Forsyth s justification of God contributes to the current state of Christian theodicy It highlights Forsyth s ability to integrate insights from different approaches even those that have hitherto generally been considered diametrically opposed notions Forsyth s theodicy therefore presents an integrative approach to the topic with every theme flowing from and returning to a clear center the cross of Christ As the book also makes clear Forsyth considers theodicy to be an immensely practical discipline with significant implications for human life In every sense therefore it constitutes a crucial justification of the ways of God to humanity **Subject Index of Modern Books Acquired** British Library,1902
