Bell,2018-04-06 **The Marriage You Do Not Deserve** is the product of 20 years of Christian marriage research wisdom and teaching This book was written for Christian women and men looking forward to marriage or those already married seeking to learn more about God s institution A caution for those who reject God or the notion of a God who would send His son to Earth in order to walk with His creation and suffer the ultimate penalty for our rebellion This book is grounded in the Christian Bible If you do not have a relationship with Christ but are open to learning more about Him then you should receive a great deal of revelation from this book This book is intended to offend its audience As strange as that might sound I have learned that few people learn and embrace new concepts from the safety of their comfort zone The ideas in this book are intended to get under your skin expose the depths of your selfish nature and educate you to the amazing institution of marriage that God intended for His children The number one cause of divorce in the world is not money communication or lack of sex rather divorce is the outcome of our self centered nature and the material pursuit of happiness This book explains how we were created body mind and soul Each area is explored in depth in relation to our part

in a Christian marriage While both the wife and the husband have equal value in God s eyes we were created and intended to perform very different roles within His marriage construct The book explores the history of marriage in the Bible how our brains were designed for social interaction and relationship how our bodies were designed for sex and how getting marriage right leaves a Godly legacy for generations to come
