Christianity And Liberalism Christianity And Liberalism:

Christianity and Liberalism J. Gresham Machen, 2013-03-08 It is an admirable book For its acumen for its saliency and for its wit this cool and stringent defense of orthodox Protestantism is I think the best popular argument produced in the controversy between Christianity and Liberalism We shall do well to listen to Dr Machen Walter Lippmann in A Preface to Morals

CHRISTIANITY AND LIBERALISM J. Gresham Machen, 2025-05-17 In 1923 J Gresham Machen s Christianity and Liberalism delivered a searing indictment of theological liberalism exposing it not as a variant of Christianity but as a rival religion that undermines the Bible s authority the deity of Christ and salvation through his atoning work A century later this annotated edition revitalizes Machen s prophetic voice for 2025 confronting modern liberalism s new guises progressive theology cultural relativism and social justice activism with unyielding clarity Meticulously updated by Christian Publishing House this edition modernizes spelling grammar and syntax while preserving Machen s original text and intent Archaic terms have been replaced with contemporary American English and the content is refreshed to address today s challenges from universalism to moral relativism without diluting Machen s uncompromising stance Outdated references have been revised all biblical citations use the ESV translation and each chapter retains its original length to ensure fidelity to the author s vision A new robust appendix Conservative Evangelical Christianity in the 21st Century extends Machen s battle defending biblical faith against liberalism s distortions with scriptural rigor and contemporary evidence This edition is a battle cry for the Church to stand firm on the truth of the gospel in an age of compromise Rejecting interfaith platitudes and ecumenical vagueness it calls believers to proclaim Christ s exclusive saving work with courage For pastors scholars and laypeople alike Christianity and Liberalism remains an essential guide for discerning truth from error and upholding the faith once for all delivered to the saints Jude 1:3

Christianity and Liberalism John Gresham Machen, 1968 [Christianity and Liberalism \(Illustrated\)](#) J. Machen, 2016-12-03 Please see the description for this title below But first Our promise All of our works are complete and unabridged As with all our titles we have endeavoured to bring you modern editions of classic works This work is not a scan but is a completely digitized and updated version of the original Unlike many other publishers of classic works our publications are easy to read You won t find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % there are many who prefer to fight their intellectual battles in what Dr Francis L Patton has aptly called a condition of low visibility Clear cut definition of terms in religious matters bold facing of the logical implications of religious views is by many persons regarded as an impious proceeding May it not discourage contribution to mission boards May it not hinder the progress of consolidation and produce a poor showing in columns of Church statistics But with such persons we cannot possibly bring ourselves to agree Light may seem at times to be an impertinent intruder but it is always beneficial in the end The type of religion which rejoices in the pious sound of traditional phrases regardless of their meanings or shrinks from controversial

matters will never stand amid the shocks of life In the sphere of religion as in other spheres the things about which men are agreed are apt to be the things that are least worth holding the really important things are the things about which men will fight In the sphere of religion in particular the present time is a time of conflict the great redemptive religion which has always been known as Christianity is battling against a totally diverse type of religious belief which is only the more destructive of the Christian faith because it makes use of traditional Christian terminology This modern non redemptive religion is called modernism or liberalism Both names are unsatisfactory the latter in particular is question begging The movement designated as liberalism is regarded as liberal only by its friends to its opponents it seems to involve a narrow ignoring of many relevant facts And indeed the movement is so various in its manifestations that one may almost despair of finding any common name which will apply to all its forms But manifold as are the forms in which the movement appears the root of the movement is one the many varieties of modern liberal religion are rooted in naturalism that is in the denial of any entrance of the creative power of God as distinguished from the ordinary course of nature in connection with the origin of Christianity The word naturalism is here used in a sense somewhat different from its philosophical meaning In this non philosophical sense it describes with fair accuracy the real root of what is called by what may turn out to be a degradation of an originally noble word liberal religion

Christianity and Liberal Society Robert Song, 2006-01-12 Liberalism forms the dominant political ideology of the modern world but despite its pervasive influence this is the first book length treatment of liberal political thought from a Christian theological perspective Song discusses the different aspects and interpretations of liberalism with reference to the critiques of three twentieth century theologians the American Protestant Reinhold Niebuhr on the liberal progressivist philosophy of history the lesser known Canadian George Grant on the threat of technology to fundamental liberal values as articulated in the recent work of John Rawls and the French Thomist Jacques Maritain on the defence of political pluralism Further to this Song explores the implications of this political theology for the issues in fundamental constitutional theory raised by a bill of rights and judicial review of legislation and concludes with an account of the critical but supportive stance of liberalism Christian theology should take

Against Liberal Theology Roger E. Olson, 2022-06-07 Liberal Christian theology is a big topic in today's churches and seminaries But what does liberal theology really mean and why is it so controversial What does it actually believe about truth Scripture and Jesus Christ And where does it lead The term liberal theology is often misinterpreted confused with a set of loose ideologies within the Christian faith and sometimes rallied behind by genuine Christians who are simply concerned about modern social justice issues It's also been wrongly leveled against churches and even entire denominations that don't adhere to the tradition of liberal theology

Against Liberal Theology is written in a direct and conversational tone that makes sense of this theological movement by Defining liberal theology and explaining its beliefs about central Christian doctrines Giving its history and progression beginning with 18th century German theologian Friedrich Schleiermacher and leading up to today Making distinctions

between liberal theology and simple moderate or progressive Christian thought much of which is still biblically committed and doctrinally orthodox. Discussing the arguments of specific liberal theologians and what their words mean in regard to everyday Christian living and faith. Sincere and to the point professor and theologian Roger E Olson is not interested in grinding axes. He openly admits to frustration with fundamentalist Christianity and explains why. But he warns that true liberal theology more concerned with making Christianity palatable to the modern mind than it is committed to biblical integrity isn't the right alternative to the cultic tendencies of fundamentalism and has little in common with classical biblical Christianity. **Against Liberal Theology** is perfect for Christians on any side of a cultural debate for those who consider themselves progressive or conservative or something in between. It's always unpopular to be against anything. But in order for Christianity to be anything it has to stand against some things. If Christianity is compatible with anything and everything it is nothing.

Christianity & Liberalism J. Machen, 2019-02-14 John Gresham Machen July 28 1881 January 1 1937 was an American Presbyterian theologian in the early 20th century. He was the Professor of New Testament at Princeton Seminary between 1906 and 1929 and led a conservative revolt against modernist theology at Princeton and formed Westminster Theological Seminary as a more orthodox alternative. As the Northern Presbyterian Church continued to reject conservative attempts to enforce faithfulness to the Westminster Confession Machen led a small group of conservatives out of the church to form the Orthodox Presbyterian Church. When the northern Presbyterian church PCUSA rejected his arguments during the mid 1920s and decided to reorganize Princeton Seminary to create a liberal school Machen took the lead in founding Westminster Seminary in Philadelphia 1929 where he taught New Testament until his death. His continued opposition during the 1930s to liberalism in his denomination's foreign missions agencies led to the creation of a new organization the Independent Board for Presbyterian Foreign Missions 1933. The trial conviction and suspension from the ministry of Independent Board members including Machen in 1935 and 1936 provided the rationale for the formation in 1936 of the OPC. Machen is considered to be the last of the great Princeton theologians who had since the formation of the college in the early 19th century developed Princeton theology a conservative and Calvinist form of Evangelical Christianity. Although Machen can be compared to the great Princeton theologians Archibald Alexander Charles Hodge A A Hodge and B B Warfield he was neither a lecturer in theology he was a New Testament scholar nor did he ever become the seminary's principal. Machen's influence can still be felt today through the existence of the institutions that he founded Westminster Theological Seminary The Independent Board for Presbyterian Foreign Missions and the Orthodox Presbyterian Church. In addition his textbook on basic New Testament Greek is still used today in many seminaries including PCUSA schools. [wikipedia.org](https://en.wikipedia.org/wiki/John_Gresham_Machen)

The Making of American Liberal Theology Gary J. Dorrien, 2003-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought. The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy

and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom *Christianity and Liberalism* John Gresham Machen,2010 The Essays and Public Lectures of John Carrick John Carrick,2024-07-22 This book is a collection of miscellaneous essays and lectures published or given publicly by the author over the course of forty years All of the lectures were given on special occasions the details of which are stated at the head of the lecture in question One of the lectures Evangelicals and the Oxford Movement was given as the Evangelical Library Lecture of 1983 one of the essays Jonathan Edwards and the Deists won first prize in the Evangelical Library Essay Competition of 1987 and was published in the Banner of Truth Magazine in 1988 four of the lectures The Holy Spirit and Revival Redemptive Historical Preaching A Critique The Glory of Creation and The Exclusiveness of Christ were given at the annual conferences of Greenville Presbyterian Theological Seminary one of the lectures Edwards in the Hands of English Professors was given at a conference of the Evangelical Theological Society in 2006 and one The Extemporaneous Mode of Preaching was given as Carrick s inaugural lecture as professor of homiletics at Greenville Seminary in 2009 Liberal Christianity William Pierson Merrill,1925 **Christianity and Liberalism** J. Gardner,2008-03 Christianity is a critical religion It is not represented this way in the modern era but it is none the less A modern Pastor of a mega church refuses to preach on anything controversial If Christ had possessed this attitude we would have no churches no charity no love and no reformation Christ was filled with controversy and his people the Jews insisted that the Roman kill him They did The book The Three Rs is an answer to this modern error which is propagated by friend and foe alike The Scriptures represent the religion and people as salt light and darkness good and evil This is controversy The writing of the Reverend Danforth have received much attention recently because he is an Episcopal Priest ex Senator and good Republican He is in favor of everything from homo sexual marriage to creating life for its destruction to save the life of living human beings He says that he is opposed to abortion without definition The Three Rs

simply asks people to return to the Bible for answers to all questions pertaining to man especially his origin purpose and destiny It is built around the ideal question Can Christianity and radical liberalism co exist There is nothing wrong with liberalism in its pure form but radical liberalism of today will destroy life liberty and the pursuit of happiness George Washington and his continentals were all liberals However their conception of liberty and freedom differ from the definitions of today as far as night from day The first President of the United States always understood that if God build not the house they labor in vain that built it There is but one answer and that is a return to the three Rs which is a return to revival reformation and restoration This will produce a renewal of the American spirit and a revival of thing sacred and divine All of this is formed from the ideas of faith hope and love which are eternal truths We live in what some believe to be hopeless times but for the believer in God we live breathe and embrace hope and optimism I do not know the destiny of the United States but I do believe understand and know the destiny of the people of God We are saved by the grace of God but that does not exclude our faithfulness and obedience The Three Rs cover these topics May all of it be faithful to His Will and Word

Christianity and Liberalism J. G. Machen,1929 *Gnostic Trends in the Local Church* Michael Philliber,2011-10-17
Gnostic Trends in the Local Church lays out the basic tenets of ancient and modern Gnosticism Though there are various authors who have written about Gnosticism over the past two decades many of them deal with New Age teaching or in a more limited manner to answer the momentary surge of The Da Vinci Code and the Gospel of Judas Instead of going in those directions Gnostic Trends in the Local Church focuses on the more likely place one will meet Gnosticism in their own home congregation Michael W Philliber shows what the trends look like within a congregation and offers ways to remedy them while abstaining from alarmism This is an important book for pastors and other congregational leaders for providing them with tools modern ancient and biblical that will help them guide their people more firmly into the historic Christian faith
