The Life I Now Live Rich S. Brown III, 2023-07-03 J Gresham Machen a pastor and scholar set an example for us one hundred years ago to this day Most famous for his 1923 book *Christianity and Liberalism* Machen fought the good fight of faith at the expense of his own reputation risking it all for the sake of advancing the gospel of Jesus Christ His story encourages us to move forward with the peace of Christ and a heart of faith filled obedience to him who loved us and gave himself for us and to fight the good fight of faith in spite of great odds This discussion guide serves as a companion to *The Life I Now Live Continuing Machen's Historic Battle for the Gospel* *The Life I Now Live* is about defending the Christian Faith in such a critical time in history It is obvious that Deconstructionism and Postmodernism have ravaged the Evangelical Church in America especially over the past two decades So how do men and women like you and I rightly safeguard and serve the Church in such turbulent times *The Life I Now Live* answers this question for us by accentuating the need for discipleship that understands the vital importance of apologetics church history and evangelism Many pastors teachers and ministry leaders feel the need for holistic discipleship that engages the heart and mind They may desire to lead a study on apologetics church history and evangelism but they simply don't know where to begin This discussion guide will help you facilitate crucial conversations regarding the Christian Faith Each chapter contains a brief summary to refresh your memory a set of questions for small group discussion guided prayers and pictures in addition to supplementary texts and resources

The Trinity and the Vindication of Christian Paradox BA Bosserman, 2015-02-26 *The Trinity and the Vindication of Christian Paradox* grapples with the question of how one may hold together the ideals of systematic theology apologetic proof and theological paradox by building on the insights of Cornelius Van Til Van Til developed an apologetic where one

presupposes that the Triune God exists and then proves this Christian presupposition by demonstrating that philosophies that deny it are self defeating in the specific sense that they rely on principles that only the Trinity as the ultimate harmony of unity and diversity can furnish A question raised by Van Til s trademark procedure is how he can evade the charge that the apparent contradictions of the christian faith render it equally self defeating as non Christian alternatives This text argues that for Van Til Christian paradoxes can be differentiated from genuine contradictions by the way that their apparently opposing elements discernibly require one another even as they present our minds with an irresolvable conflict And yet Van Til failed to sufficiently vindicate the central Christian paradox the doctrine of the Trinity along the lines required by his system Hence the present text offers a unique proof that God can only exist as the pinnacle of unity in diversity and as the ground of a coherent Christian system if He exists as three and only three divine persons The Other Evangelicals Isaac B.

Sharp, 2023-04-18 What s the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we ve been led to believe In The Other Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn t fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written The Other Evangelicals offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023

Catholicism ,2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership Kees Van Til als Nederlandse-Amerikaanse, Neo-Calvinistisch-Presbyteriaan apologeticus

Laurence O'Donnell,2011-04-01 The purpose of this essay submitted to the faculty of Calvin Theological Seminary in candidacy for the degree of Master of Theology May 2011 is to demonstrate that Cornelius Van Til s 1895 1987 presupposition of Reformed dogmatics is largely a presupposition of Herman Bavinck s 1854 1921 Gereformeerde Dogmatiek The argument proceeds in three steps First by situating Van Til s life and work in the neo Calvinist intellectual milieu within which he operated throughout his career the prevailing Copernican interpretation of Van Til s thought is challenged on the grounds of historical abstraction Second his formal material and polemical appropriations of Bavinck s Dogmatiek are analyzed in order to show not only that Van Til appropriates Bavinck s thought pervasively but also that his apologetics cannot be properly understood apart from Bavinck s dogmatics Third Van Til s criticisms of the alleged scholasticism in Bavinck s thought are analyzed in terms of their originality and their validity Regarding the former it is argued that Van Til tacitly appropriates Herman Dooyeweerd s 1894 1977 earlier criticisms of neo Calvinist scholasticism Regarding the latter it is argued that Van Til s criticisms are methodologically unsound and historically untenable insofar as they proceed upon subjective premises and lead to a subjective conclusion In sum given both his pervasive appropriation of Bavinck s Dogmatiek and his entrenchment in neo Calvinist theology and philosophy Van Til is more accurately interpreted as a neo Calvinist rather than a Copernican revolutionary **Fundamental Christian Ethics** Daniel Heimbach,2022-11-01 In Fundamental

Heresy Rodger L. Cragun,2018-12-14 Is the Doctrine of Biblical Inerrancy Biblical While theologians throughout church history have condemned numerous doctrines as heresy Cragun boldly declares that the doctrine of biblical inerrancy is the worst heresy that the church has ever faced resulting in the undermining of central teachings of Jesus Treating the Bible as

the inerrant word of God often eclipses the very real dimensions of hermeneutics that is the who how and why of biblical interpretation and translation After twenty five years of detailed research in libraries based in six major universities and seminaries Cragun has distilled his work in this book to challenge Christians who hold up inerrancy as a key tenant of the faith *Election, Barth, and the French Connection, 2nd Edition* Pierre Maury, 2019-11-11 Karl Barth s famous account of the doctrine of election in his mammoth Dogmatics has been described as the heart of his theology a great hymn to the grace of God in Christ Discover the person who initially stimulated Barth s mammoth reworking of the classical view of the doctrine pastor theologian Pierre Maury 1890 1956 Their close friendship and especially a seminal paper Maury gave in 1936 entitled Election and Faith helped stimulate Barth s reflection Discover some never before translated works of Maury as well as a revision of a previously published piece on predestination In this revised and expanded second edition seven theologians reflect on the significance of these works for us today from historical textual pastoral and theological standpoints and seek to draw conclusions for us in our contemporary setting *The Gospel According to the Trinity* Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In *The Gospel According to Trinity* Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework

Promise Unfulfilled Rolland McCune, 2017-07-17 The New Evangelicalism was conceived if not born with the formation of the National Association of Evangelicals in 1942 This new group was in the main led by younger professing fundamentalist scholars and leaders who had become dissatisfied with their heritage and wanted to carve out some evangelical middle ground between fundamentalism and neo orthodoxy This book is an analysis of the break away movement in terms of the issues ideas and practices that led to its beginning its expansion to an apogee in the 1970s its subsequent loss of biblical and doctrinal stability and its slide toward virtual irrelevancy in a postmodern world culture of the 21st century The twenty five chapters are grouped under nine main sections Historical Antecedents the Formation of the New Evangelicalism Ecumenism Ecclesiastical Separation The Bible and Authority Apologetics Social Involvement Doctrinal Storms and Evaluations and Prospects It will be a valuable addition to the pastor s library and a strategic resource for theological education in Bible colleges and seminaries **A Journey Through Christian Theology** William P. Anderson, 2010-05-05 The history of Christian theology can be a daunting even forbidding field for the novice who sees neither the need for nor pertinence of rummaging around dusty old texts This people friendly volume a full scale reader in the history of Christian theology offers an easy non threatening occasionally humorous yet quite thorough entry into Christianity s central texts from the Apostolic

Fathers to Mary Daly It is also enlivened by dozens of cartoons by Rich Diesslin Highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers The texts highlight perennial themes and questions in Christian tradition especially the meaning and importance of Jesus challenges to the institutional church tensions of faith and reason spirituality and the Christian quest for social justice The new edition half again as large as the original adds significant work from the Cappadocian Fathers and the Christological controversialists the Franciscan tradition the Radical and English reforms and deeper coverage of twentieth century theologians With learning aids research paper suggestions and guide and glossary Publisher description The History and Theology of Calvinism Curt Daniel,2003

Karl Barth in North America John Peter Lewis,2009-04-01 This study looks at the formation of theology as it emerges out of biography Indeed the biography of the theologian is the key to unlocking the meaning of his or her writings and a valuable tool for a thorough investigation of their work There will be a focus on the biography of Karl Barth and how this relates to his theological writings Attention will then be turned on a group of North American theologians to analyze how Barth s theology has influenced their personal experiences and corresponding theologies The personal experience of the theologian provides the background to the theological judgments she or he makes and therefore provides valuable insight into what she or he has written Experiences in the theologian s life determine how she or he forms and communicates the ideas that the experiences have given rise to Indeed theologians profoundly connect with readers as they write theology as an expression of their experiences of faith Therefore this book contends that there is a necessary connection to be made between the theologian as a person and the theology that emerges out of her or his unique biography Indeed it will be argued that theology is born out of the lived encounters of the theologian that develop into the kind of personal convictions passions concerns questions and a motivation to connect with others that is evident in her or his writing Consequently theology and theologian are inseparable
