Creative Bible Lessons In Genesis:

Creative Bible Lessons in Genesis Hoon Kim, 2006 Creative Bible Lessons in Genesis is designed to connect the digital student living in a world where truth is experiential and relationships are wireless to an everlasting God whose image and faithfulness echoes in both his ancient people and today's high schooler Creative Bible Lessons in Genesis Hoon Kim, 2009-05-26 Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived at by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientialism and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform *Creative Bible Lessons on the Prophets* Crystal Kirgiss, 2009-08-30 12 insightful sessions on the prophets for youth workers small group leaders and Sunday school teachers These 12 insightful sessions delve into the lives and missions of Old Testament prophets in ways that will pique kids interest and imagination Students will learn about ordinary individuals with evergreen extraordinary messages about faithfulness idolatry self centeredness integrity passionate faith knowledge of God a just society and God's mighty hand in the history of all humankind The prophets offer 2 indispensable gifts to teenagers a window into the heart and mind of God and a recurring reminder that human beings matter immeasurably to God The prophets talk to God and to people But best of all God responds He speaks to people and to teenagers today **Creative Bible Lessons in Galatians and Philippians** Tim McLaughlin, Cheri McLaughlin, Jim and Yolanda Miller, 2010-12-21 Grace growth freedom and faith are the themes of these 12 dynamic lessons based on the letters from Paul to the Christians in Galatia and Philippi As the next volume in the popular Creative Bible Lessons series Creative
