[Joe Meek's Bold Techniques](#) Barry Cleveland, 2013-09-27 Legendary British producer and innovative recording genius Joe Meek the man behind the global hit Telstar has become a cult figure since his death in 1967 with Meek fan clubs CD collections and retrospectives growing in popularity every day and a major documentary film on the way Although much attention has been paid to his unusual life story and tragic passing Joe Meek's Bold Techniques is the first book that gives the details on the

methods that lead to Meek's influential hits. Written by veteran music journalist Barry Cleveland, this book takes an industry perspective on Meek's life. It explores his 12-year professional career in great depth, with special attention paid to the equipment and techniques he used and the effect that his work had on the people around him. Also included are links to stream a newly restored and remastered version of Meek's legendary 1959 stereo album *I Hear a New World*, made available in its original form for the first time. This Second Edition of *Joe Meek's Bold Techniques* updates the 2001 edition with a new Introduction, new information, an additional chapter, and newly restored audio. This is the ultimate Joe Meek book, with immaculate research on the gear and techniques Joe employed to achieve his studio nirvana. Known for his echoing, distorted pop songs everyone knows, his big hit *Telstar*, Meek was a pioneer in close miking, freelance engineering, home studio running, and a million other aspects of recording that we take for granted these days. Barry even went as far as to locate and remaster Meek's long-lost masterpiece *I Hear a New World*, which is included. This book really opened my eyes to what an innovator Joe Meek was. Everyone reading *Tape Op* would enjoy it. Larry Crane, Editor *Tape Op* **Music**

Production Methods Josh Bess, 2021-09-25 While the role of a producer is constantly evolving in relation to music time and technological transitions and updates, there are proven similarities throughout all musical productions regarding processes and workflow management. In this practical and highly accessible guide, Josh Bess breaks music production down into core concepts, approaches, and methods essential to any piece of recorded music, regardless of genre and style of music. The role of a music producer. The process of recorded music. The order of the music production process. A fundamental understanding of these three aspects is key to any production, and a firm grasp can help music producers solve problems from start to finish and ultimately create better music. *Music Production Methods* features exercises and templates available for download that will help producers and music production students reflect on their current practices, troubleshoot workflows, and solve creative problems. *Making Sound* Cristofer Odqvist, 2019 **What is Music Production**
