Creative Learning Activities And Games That Really Engage People:

Creative Learning Robert W. Lucas, 2007-04-27 Creative Learning is written by master trainer Bob Lucas and offers a treasure trove of innovative and highly effective activities to simulate learning. The activities are tailor made for trainers, presenters and educators and can be put to use in virtually any type of learning environment. Each activity offers a different approach to learning but all are designed using a brain based learning approach that is proven to mentally or physically engage learners and enhance their learning experience.

ASTD's Ultimate Train the Trainer Elaine Biech, 2009-09-01 Here at last is the ultimate authority on training new trainers from the consummate training professional Elaine Biech and ASTD. Configured in a usable format, ASTD's Ultimate Train the Trainer is a must have for every training manager's bookshelf. Included for the training manager is a complete train the trainer program that can be delivered tomorrow as well as topic based sessions to improve subject specific skills such as writing learning objectives, dealing with difficult participants, training styles and ADDIE. This complete manual guides training managers in conducting train the trainer programs and supports new trainers too by providing insight and development into the practice of training. Bonus material includes learning activities, handouts, PowerPoint slides plus a chapter that gives you more hints and direction to support successful training practitioners. A supplemental CD Rom comes with the manual giving you all the content in one place. Note CD ROM is not available for this title.

10 Steps to Successful Training Elaine Biech, 2009-03-01 This is not your typical training book. You won't find a traditional training cycle outline or a classic training table of contents. Instead, this book pinpoints the key actions necessary to successful training and focuses on the elements with the most influence on bottom line results. Throughout the book, you'll discover helpful, ready to use tools, worksheets, evaluation forms, tables, checklists, case studies and reminders and suggestions. Whether you're a middle or upper level manager or a workplace learning or human resource professional, 10 Steps to Successful Training can provide you with options for enhancing the learning environment in your organization. Boost your success as a trainer and help others learn more effectively by investing in this essential guidebook today.

Making Makers AnnMarie Thomas, 2014-08-28 This is a book for parents and other educators both formal and informal who are curious about the intersections of learning and making. Through stories, research and data it builds the case for why it is crucial to encourage today's youth to be makers, to see the world as something they are actively helping to create. For those who are new to the Maker Movement, some history and introduction is given as well as practical advice for getting kids started in making. For those who are already familiar with the Maker Movement, this book provides biographical information about many of the big names and unsung heroes of the Maker Movement while also highlighting many of the attributes that make this a movement that so many people are passionate about.

Agile Processes in Software Engineering and Extreme Programming - Workshops Rashina Hoda, 2019-08-30 This open access book constitutes the research workshops, doctoral symposium and panel summaries presented at the 20th International Conference on Agile Software Development XP 2019 held in Montreal, QC, Canada in May 2019. XP is the premier agile software development conference combining research and practice. It is a hybrid forum where agile researchers, academics, practitioners, thought leaders, coaches and trainers get together to present and discuss their most recent innovations, research results, experiences, concerns, challenges and trends. Following this history for both researchers and seasoned practitioners, XP 2019 provided an informal environment to network, share and discover trends in Agile for the next 20 years. Research papers and talks submissions were invited for the three XP 2019 research workshops, namely agile transformation, autonomous teams and large scale agile. This book includes 15 related papers. In addition, a summary for each of the four panels at XP 2019 is included. The panels were on security and privacy, the impact of the agile manifesto on culture, education and software practices, business agility, agile's next frontier and Agile the next 20 years.

Innovative Applications of Educational Technology Tools in Teaching and Learning Blessing Foluso Adeoye Ph.D., 2015-10-07 In this digital age, technology has become a very vital factor of development in all disciplines.
