Creative Paths To Television Journalism:

Creative Paths to Television Journalism Jacek Dąbala, 2015 The book is a scholarly and creative consideration of audiovisual broadcasting It looks at what makes a TV performance professional Its targeted audience are primarily aspiring journalists students researchers and lecturers in media and communication but also all those for whom the creation and impact of audiovisual image are important

Mystery and Suspense in Creative Writing Jacek Dąbala, 2012 Mystery and Suspense in Creative Writing presents a systematic analysis of a very important aspect of writing by integrating it with journalistic media and communication studies The book examines the specific rules for creating intrigue and suspense and confronts their universal features with selected literary texts The individual texts emphasize the importance of understanding the emotions through transformation of various archetypes The rules postulated by creative writing for building drama and tension in such texts often deal with this profound issue They are thus not an end in themselves but actually lead to more mature writing Therefore they essentially contribute to developing one's creative talent and communication skills The paradigm of creative writing serves to shape the creativity of students of various disciplines including not only literary studies and journalism but also such diverse areas as medicine and information technology Series International Studies in Hermeneutics and Phenomenology Vol 7

Joyful Mondays Brown, 2011-11 New paths to thick descriptions: innovativeness in data collection and interpretation, 2005 Annotation The papers in this e book focus on data collection and whilst none can claim to be completely new all challenge our usual reliance on focus groups or depth interviews and challenge us to think more creatively of how we might get closer to the actual lived experience of consumers and consumption
