Paul Enns, 2014-03-27 The study of God His nature and His Word are all essential to the Christian faith Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of *The Moody Handbook of Theology* In this classic and timeless one volume resource Paul Enns offers a comprehensive overview of the five dimensions of theology biblical systematic historical dogmatic and contemporary Each section includes an introduction chapters on key points specific studies pertinent to that theology books for further study and summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe *The Moody Handbook of Theology* is a concise doctrinal reference tool for newcomers and seasoned veterans alike *Political Tribes* Amy Chua, 2018-02-20 The bestselling author of *Battle Hymn of the Tiger Mother* Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home Humans are tribal We need to belong to groups In many parts of the world the group identities that matter most the ones that people will kill and die for are ethnic religious sectarian or clan based But because America tends to see the world in terms of nation states engaged in great ideological battles Capitalism vs Communism Democracy vs Authoritarianism the Free World vs the Axis of Evil we are often spectacularly blind to the power of tribal politics Time and again this blindness has undermined American foreign policy In the Vietnam War viewing the conflict through Cold War blinders we never saw that most of Vietnam's capitalists were members of the hated Chinese minority Every pro free market move we made helped turn the Vietnamese people against us In Iraq we were stunningly dismissive of the hatred between that country's Sunnis and Shias If we want to get our foreign policy right so as to not be perpetually caught off guard and fighting unwinnable wars the United States has to come to grips with political tribalism abroad Just as Washington's foreign policy establishment has been blind to the power of tribal politics outside the country so too have American political elites been oblivious to the group identities that matter most to ordinary Americans and that are tearing the United States apart As the stunning rise of Donald

Trump laid bare identity politics have seized both the American left and right in an especially dangerous racially inflected way In America today every group feels threatened whites and blacks Latinos and Asians men and women liberals and conservatives and so on There is a pervasive sense of collective persecution and discrimination On the left this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation On the right it has fueled a disturbing rise in xenophobia and white nationalism In characteristically persuasive style Amy Chua argues that America must rediscover a national identity that transcends our political tribes Enough false slogans of unity which are just another form of divisiveness It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us

**Why Black Lives Matter** Anthony B. Bradley, 2020-10-21 Beginning with a conversation prompted by African American scholars like Dr Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown among others as well as other systemic challenges that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural issues that must be addressed within black communities there are opportunities for social change based on God s vision for human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book *Keeping Your Head Up* With contributions from Vincent Bacote Bruce Fields Rev Howard Brown Ralph C Watkins Rev Eric M

**Waste** Catherine Coleman Flowers, 2020-11-17 The MacArthur grant winning environmental justice activist's riveting memoir of a life fighting for a cleaner future for America's most vulnerable. A Smithsonian Magazine Top Ten Best Science Book of 2020. Catherine Coleman Flowers, a 2020 MacArthur genius, grew up in Lowndes County, Alabama, a place that's been called Bloody Lowndes because of its violent racist history. Once the epicenter of the voting rights struggle, today it's Ground Zero for a new movement that is also Flowers's life's work: a fight to ensure human dignity through a right most Americans take for granted: basic sanitation. Too many people, especially the rural poor, lack an affordable means of disposing cleanly of the waste from their toilets, and as a consequence live amid filth. Flowers calls this America's dirty secret. In this powerful and moving book, Booklist she tells the story of systemic class, racial, and geographic prejudice that foster Third World conditions not just in Alabama but across America: in Appalachia, Central California, coastal Florida, Alaska, the urban Midwest, and on Native American reservations in the West. In this inspiring story of the evolution of an activist from country girl to student, civil rights organizer, to environmental justice champion at Bryan Stevenson's Equal Justice Initiative, Flowers shows how sanitation is becoming too big a problem to ignore as climate change brings sewage to more backyards, not only those of poor minorities.

*Misled* Allen Parr, 2023-06-13 The gospel is under attack today, not only from outside cultural forces but also from within the church. In *Misled*, popular YouTuber and Bible teacher Allen Parr equips readers to identify and withstand seven of the most common false teachings that undermine the gospel and lead many well-meaning Christians astray. For an anxious and weary world, the gospel of Jesus Christ is the one true source of deep peace and lasting joy. But today many supposedly Christian teachers are spreading ideas that amount to what Paul called another gospel. The result: a generation of believers confused about what God really says, what he offers, and what he wants for his children. From the heavy burden of legalism to an overemphasis on prosperity or spiritual gifts to warped understandings of grace, every false teaching has two things in common: they all use half-truths that look and sound biblical, making them very difficult to identify, and they all harm and discourage those who are trying to follow the way of Jesus. In *Misled*, Allen Parr weaves together stories from his own spiritual journey and the lives of those he's ministered to in order to show the painful consequences of following false teachings and to provide clear explanations of what the Bible really teaches about the gospel. Readers will learn about seven of the most misleading and harmful messages that run rampant within the church today, be equipped to identify not only wolves in shepherd's clothing who peddle counterfeit gospels but also well-intentioned teachers whose half-truths are no less harmful to the church, and discover how they can find the freedom, peace, and joy that only comes from embracing the gospel in all its purity and simplicity. With the same balanced, Bible-based approach that has made Parr's YouTube channel a go-to resource, *Misled* offers clarity and hope for anyone who has felt discouraged or confused in their spiritual journey and invites readers to find everything they've been searching for in the true gospel.
