Criminalization Representation Regulation Thinking Differently About Crime:

Criminalization, Representation, Regulation Deborah Brock, Amanda Glasbeek, Carmela Murdocca, 2014-09-30 What is a crime and how do we construct it The answers to these questions are complex and entangled in a web of power relations that require us to think differently about processes of criminalization and regulation This book draws on Foucault's concept of governmentality as a lens to analyze and critique how crime is understood reproduced and challenged It explores the dynamic interplay between practices of representation processes of criminalization and the ways that these circulate to both reflect and constitute crime and justice

Criminalization, Representation, Regulation Deborah Brock, Amanda Glasbeek, Carmela Murdocca, 2014-01-01 This book draws on Foucault's concept of governmentality as a lens to analyze and critique how crime is understood reproduced and challenged

Criminalization, Representation, Regulation Deborah Rose Brock, Amanda Glasbeek, Carmela Murdocca, 2014 This book draws on Foucault's concept of governmentality as a lens to analyze and critique how crime is understood reproduced and challenged

Crime, Deviance, and Social Control in the 21st Century Claudio Colaguori, 2023-03-06 Crime Deviance and Social Control in the 21st Century seeks to go beyond traditional criminology texts and handle the subject through a perspective focusing on power interest and social justice Timely and accessibly written the text provides a comprehensive overview of social and criminological theory as well as recent trends in theorizing power and deviance It also delves into the significant implications the committal and control of crime have for human rights This text aims to answer the questions Who has the power to decide which acts are deviant Whose interests are being served by a given law and Which social groups are being disadvantaged when society has been constructed along such legally demarcated lines The contributors dissect the criminalization of dissent the changing nature of what constitutes deviance internet hate self harming transgender identities the growing rise of transnational criminal enterprises internet fraud and the increased public attention on police practices With a Canadian focus placed in a global context the text challenges readers to consider crime and deviance as socially structured phenomena while recognizing that crime is a worldwide issue Crime Deviance and Social Control in the 21st Century is a critical resource for undergraduate students in criminology police services and sociology

FEATURES Offers an accessible and comprehensive introductory overview of criminology theory Employs a social justice approach to the fundamentals of criminology deviance law and social control Includes bolded key terms a glossary real world case studies and questions for critical thinking

Digital News and HIV Criminalization Colin Hastings, 2024-12-16 For years HIV activists and researchers have expressed deep concerns about the stigmatizing and sensational tone of news stories about HIV criminalization Digital News and HIV Criminalization investigates the everyday work of journalists and uncovers how newswork routines are hooked into other institutions including the criminal legal system police and public health that regulate the daily lives of people living with HIV This lively institutional ethnography offers key insights into how the digital news media ecosystem is socially organized It reveals that

the fast paced conditions of digital news media in the age of convergence journalism require the constant rapid production of sensational news stories that will be consumed widely by online audiences often resulting in news writing that perpetuates social harms connected to stigmatizing racist and anti immigrant views The book illustrates how biased reporting on HIV criminalization reflects broader trends in online news and presents opportunities for HIV activists to form coalitions with other groups negatively affected by the current landscape of convergence journalism Tracing how work that produces and circulates a standard genre of news story about HIV criminalization is coordinated across time and space Digital News and HIV Criminalization offers a groundwork for political action aimed at disrupting the production of stigmatizing news stories

A Sociology of Crime Stephen Hester, Peter Eglin, 2017-05-15 A Sociology of Crime has an outstanding reputation for its distinctive and systematic contribution to the criminological literature Through detailed examples and analysis it shows how crime is a product of processes of criminalisation constituted through the interactional and organizational use of language In this welcome second edition the book reviews and evaluates the current state of criminological theory from this grammatical perspective It maintains and develops its critical and subversive stance but greatly widens its theoretical range including dedicated chapters on gender race class and the post als including postcolonialism It now also provides questions exercises and further readings alongside its detailed analysis of a set of international examples both classical and contemporary

Unsettling Colonialism in the Canadian Criminal Justice System Vicki Chartrand, Josephine Savarese, 2023-12-08 Canada s criminal justice system reinforces dominant relations of power and further entrenches the country in its colonial past Through the mechanisms of surveillance segregation and containment the criminal justice system ensures that Indigenous peoples remain in a state of economic deprivation social isolation and political subjection By examining the ways in which the Canadian justice system continues to sanction overtly discriminatory and racist practices the authors in this collection demonstrate clearly how historical patterns of privilege and domination are extended and reinforced

Globalization, Urbanization, and Civil Society Bagoes Wiryomartono, 2023-05-15 Globalization Urbanization and Civil Society is an interdisciplinary compilation of chapters concerning civil society in the global geopolitical context The establishment of civil society is essential for urbanism and the global community because it is the sense and essence of development concerning what humankind is as a collective entity on the globe This thought provoking book covers the multidimensional aspects issues challenges and consequences of geopolitics and globalization on civil society including freedom in the public sphere alienation neo fascism social cohesion racial inequality political narcissism political economic exceptionalism Islamic radicalism social justice and resistance The author brings a fresh and essentially non Western critical perspective to bear on the fundamental challenges faced by civil society as a result of the globalization of corporate capitalism in the Digital Age as well as providing a rich perspective on colonialism This book will appeal to scholars and graduate students of geopolitics and globalization global development sociology international relations cultural studies psychology and philosophy as well as

practitioners and policymakers who are interested in interdisciplinary approaches in the field of global studies **Queerly Canadian, Second Edition** Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers [Trafficking Harms](#) Katrin Roots, Ann

De Shalit, Emily van der Meulen, 2024-05-16T00:00:00Z Amid the proliferating scholarship and often sensational public campaigns Trafficking Harms offers fresh insights and critical analyses The collection's four thematic areas Discourses and Representations Law and Prosecutions Policing and Surveillance Migrant Labour Exploitation examine an array of issues including the contested definitions of human trafficking the application of trafficking law and policy the conflation of sex work and trafficking the impacts of anti trafficking frameworks on racialized communities questions around victims and traffickers and much more Showcasing a mix of scholarly research public advocacy and first person narratives this book is the first of its kind in Canada The authors include a diverse group of academics legal advocates frontline activists who work with migrant and sex working communities individuals who have been charged and or convicted of trafficking offences and those who are directly impacted by trafficking law and policing such as domestic and migrant sex workers **Routledge**

Handbook of Radical Politics Ruth Kinna, Uri Gordon, 2019-05-16 Successive waves of global protest since 1999 have encouraged leading contemporary political theorists to argue that politics has fundamentally changed in the last twenty years with a new type of politics gaining momentum over elite representative institutions The new politics is frequently described as radical but what does radicalism mean for the conduct of politics Capturing the innovative practices of contemporary radicals Routledge Handbook of Radical Politics brings together leading academics and campaigners to answer these questions and explore radicalism's meaning to their practice In the thirty five chapters written for this collection they collectively develop a picture of radicalism by investigating the intersections of activism and contemporary political theory Across their experiences the authors articulate radicalism's critical politics and discuss how diverse movements support and

sustain each other Together they provide a wide ranging account of the tensions overlaps and promise of radical politics while utilising scholarly literatures on grassroots populism to present a novel analysis of the relationship between radicalism and populism Routledge Handbook of Radical Politics serves as a key reference for students and scholars interested in the politics and ideas of contemporary activist movements *Borders, Migration and Globalization* Anna Rita

Calabrò,2021-12-10 The emergence of new and substantial human migration flows is one of the most important consequences of globalisation While ascribable to widely differing social and economic causes from the forced migration of refugees to upper middle class migration projects and the movement of highly skilled workers what they have in common is the effect of contributing to a substantial global redefinition in terms of both identity and politics This book contains contributions from scholars in the fields of law social sciences the sciences and the liberal arts brought together to delineate the features of the migration phenomena that will accompany us over the coming decades The focus is on the multifaceted concept of border as representing a useful stratagem for dealing with a topic like migration that requires analysis from several perspectives The authors discuss the various factors and issues which must be understood in all their complexity so that they can be governed by all social stakeholders free of manipulation and false consciousness They bring an interdisciplinary and comparative perspective to the social phenomena such as human trafficking unaccompanied foreign minors or ethnic based niches in the job market The book will be a valuable guide for academics students and policy makers

The Domestication of Human Trafficking Katrin Roots,2022-11-01 Human trafficking has emerged as one of the top international and domestic policy concerns and is well covered and often sensationalized by the media The nature of the topic combined with various international pressures has resulted in an array of government led mandates to combat the issue The Domestication of Human Trafficking examines Canada s criminal justice approaches to human trafficking with a particular focus on the ways in which the intersecting factors of race class gender and sexuality impact practice Using a wide range of qualitative and empirically grounded research methods including extensive analysis of court documents trial transcripts and interviews with criminal justice actors this book contributes to much needed research that examines specifies and sometimes complicates the narratives of how trafficking works as a criminal offence The Domestication of Human Trafficking turns our attention to the ways in which the offence of human trafficking is made on the front lines of criminal justice efforts in Canada

How We Became Our Data Colin Koopman,2019-06-19 We are now acutely aware as if all of the sudden that data matters enormously to how we live How did information come to be so integral to what we can do How did we become people who effortlessly present our lives in social media profiles and who are meticulously recorded in state surveillance dossiers and online marketing databases What is the story behind data coming to matter so much to who we are In *How We Became Our Data* Colin Koopman excavates early moments of our rapidly accelerating data tracking technologies and their consequences for how we think of and express our selfhood today Koopman explores the emergence of mass scale record keeping systems

like birth certificates and social security numbers as well as new data techniques for categorizing personality traits measuring intelligence and even racializing subjects This all culminates in what Koopman calls the informational person and the informational power we are now subject to The recent explosion of digital technologies that are turning us into a series of algorithmic data points is shown to have a deeper and more turbulent past than we commonly think Blending philosophy history political theory and media theory in conversation with thinkers like Michel Foucault Jürgen Habermas and Friedrich Kittler Koopman presents an illuminating perspective on how we have come to think of our personhood and how we can resist its erosion

Power and Everyday Practices, Second Edition Deborah Brock, Aryn Martin, Rebecca Raby, Mark Thomas, 2019-08-22 This unique and innovative text provides undergraduate students with tools to think sociologically through the lens of everyday life Normative social organization and taken for granted beliefs and actions are exposed as key mechanisms of power and social inequality in western societies today By unpacking the centre students are encouraged to turn their social worlds inside out and explore alternatives to the dominant social order The text is divided into three parts In Part One students learn how to use theory and methodology which are blended seamlessly throughout the text It shows how to position Michel Foucault as a companion to theorists such as Karl Marx and Stuart Hall while signaling the importance of non western and Indigenous knowledges experiences and rights In Part Two students explore and challenge normativity the normal body heterosexuality whiteness the two gender system aging and the under side of citizenship In Part Three shorter chapters critique everyday practices such as thinking scientifically practicing self help going shopping managing money buying coffee being a tourist and marginalizing Indigeneity Each chapter includes intriguing exercises study questions and key terms that link to the volume s comprehensive glossary Instructors are provided PowerPoint slides test banks and multimodal supplementary resources that make the book adaptable to blended and online learning environments Essay style lectures are also available to accompany the textbook

Antitrust Amy Klobuchar, 2021-04-27 NATIONAL BESTSELLER Antitrust enforcement is one of the most pressing issues facing America today and Amy Klobuchar the widely respected senior senator from Minnesota is leading the charge This fascinating history of the antitrust movement shows us what led to the present moment and offers achievable solutions to prevent monopolies promote business competition and encourage innovation In a world where Google reportedly controls 90 percent of the search engine market and Big Pharma s drug price hikes impact healthcare accessibility monopolies can hurt consumers and cause marketplace stagnation Klobuchar the much admired former candidate for president of the United States argues for swift sweeping reform in economic legislative social welfare and human rights policies and describes plans ideas and legislative proposals designed to strengthen antitrust laws and antitrust enforcement Klobuchar writes of the historic and current fights against monopolies in America from Standard Oil and the Sherman Anti Trust Act to the Progressive Era s trust busters from the breakup of Ma Bell formerly the world s biggest company and largest private telephone system to the pricing monopoly of Big Pharma and the future of the giant tech

companies like Facebook Amazon and Google She begins with the Gilded Age 1870s 1900 when builders of fortunes and rapacious robber barons such as J P Morgan John Rockefeller and Cornelius Vanderbilt were reaping vast fortunes as industrialization swept across the American landscape with the rich getting vastly richer and the poor poorer She discusses President Theodore Roosevelt who during the Progressive Era 1890s 1920 busted the trusts breaking up monopolies the Clayton Act of 1914 the Federal Trade Commission Act of 1914 and the Celler Kefauver Act of 1950 which it strengthened the Clayton Act She explores today s Big Pharma and its price gouging and tech television content and agriculture communities and how a marketplace with few players or one in which one company dominates distribution can hurt consumer prices and stifle innovation As the ranking member of the Senate Judiciary Subcommittee on Antitrust Competition Policy and Consumer Rights Klobuchar provides a fascinating exploration of antitrust in America and offers a way forward to protect all Americans from the dangers of curtailed competition and from vast information gathering through monopolies

Governing the Social in Neoliberal Times Deborah R. Brock, 2019-11-01 Neoliberalism is most commonly associated with free trade the minimal state and competitive individualism But in this latest stage of capitalism it is not simply national economies that are being neoliberalized it is us Inspired by Michel Foucault and other governmentality theorists the contributors to this volume reveal how neoliberalism s power to redefine normal is refashioning every facet of our lives from our consumer choices and approaches to the environment whether it be buying yoga pants or a hybrid car to larger questions of national security and border control By providing enlightening examples and case studies of neoliberalism in action this thought provoking volume not only reveals how we are being constituted as biopolitical and neoliberal subjects it encourages us to think of the world as more than a marketplace and to open ourselves up to the possibilities of resistance

Criminalizing Dissent Rob Watts, 2019-06-25 While liberal democratic states like America Britain and Australia claim to value freedom of expression and the right to dissent they have always actually criminalized dissent This disposition has worsened since 9 11 and the 2008 Great Recession This ground breaking study shows that just as dissent involves far more than protest marches so too liberal democratic states have expanded the criminalization of dissent Drawing on political and social theorists like Arendt Bourdieu and Isin the book offers a new way of thinking about politics dissent and its criminalization relationally Using case studies like the Occupy movement selective refusal by Israeli soldiers urban squatters democratic education and violence by anti Apartheid activists the book highlights the many forms dissent takes along with the many ways liberal democratic states criminalize it The book highlights the mix of fear and delusion in play when states privilege security to protect an imagined political order from difference and disagreement The book makes a major contribution to political theory legal studies and sociology Linking legal political and normative studies in new ways Watts shows that ultimately liberal democracies rely more on sovereignty and the capacity for coercion and declarations of legal states of exception than on liberal democratic principles In a time marked by a deepening crisis of democracy the book

argues dissent is increasingly valuable *Atlas de inteligencia artificial* Kate Crawford, 2023-02-28 Desde mediados de la d
cada de 2000 la inteligencia artificial IA se ha expandido a gran velocidad a nivel mundial como campo acad mico y como

Criminalization Representation Regulation Thinking Differently About Crime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Criminalization Representation Regulation Thinking Differently About Crime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Criminalization Representation Regulation Thinking Differently About Crime has opened up a world of possibilities. Downloading Criminalization Representation Regulation Thinking Differently About Crime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Criminalization Representation Regulation Thinking Differently About Crime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Criminalization Representation Regulation Thinking Differently About Crime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Criminalization Representation Regulation Thinking Differently About Crime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Criminalization Representation Regulation Thinking Differently About Crime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Criminalization Representation Regulation Thinking Differently About Crime has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Criminalization Representation Regulation Thinking Differently About Crime Books

1. Where can I buy Criminalization Representation Regulation Thinking Differently About Crime books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
