[Mom's Got Money](#)

Catherine Alford, 2021-04-20 Mom's Got Money is a mother's guide and instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money. Alford won't pretend mothers don't have a lot on their plate. She already knows they're pressed for time. The weight of their daily decisions takes a toll. Sometimes it feels like they manage everything whether they have a supportive spouse or not. She knows this because it's that way in her house too. However, we all have a choice on how to handle that responsibility, and Alford thinks we can flip the script. Instead of being frustrated or feeling resentful, Alford teaches moms how to recognize their own strengths and develop true financial confidence. Once readers master Alford's money lessons, they'll start to truly enjoy money. Vacations are more fun when they're already planned and paid for. Christmas shopping is a breeze when you have a fully funded holiday spending account. Never worry about the worst that can happen because you have a fully funded emergency fund and life insurance. Feel in control of your bills, caught up and with room to spare. In this book, you'll learn how to become an exceptional leader of your family with a growth mindset. Calculate your net worth. Effectively budget and manage your household cash flow. Work with your spouse or partner on financial goals. Understand what impacts your credit score. Ensure you pay all your bills on time every time. Make sure you plan for emergencies. Protect your family by buying term life insurance. Do the math on childcare costs vs. career costs when having a family. Plan and save for holiday spending, birthdays, and special events. Learn the art and joy of giving. Ideal for moms everywhere but especially new and millennial moms. Mom's Got Money is an indispensable guide to taking financial control of your life.

Basic Knowledge on FinTech TABF Editorial Board, Hank C.C. Huang, 2020-04-01 As the field of FinTech continues its progress, financial institutions must not only enhance their digitization but also make serious efforts to understand the resulting new opportunities it creates. In line with these developments, TABF has published the book *Basic knowledge on FinTech*, which was designed by us as a reference for the FinTech Knowledge Test. Co-authored by TABF staff and other experts, it features balanced and credible analysis, avoiding trivia and overly complex concepts while emphasizing readability. The content structure is based on the World Economic Forum (WEF)'s roadmap for FinTech development, adding in TABF's research findings plus other domestic and international trends and practices. Not only is *Basic knowledge on FinTech* suitable for financial proficiency testing, but it can also be used as a textbook in university courses supplementing theoretical knowledge with up-to-date practical knowledge in this rapidly changing field.

Ethics in the Digital Domain Robert S. Fortner, 2020-08-12 As a core text for undergraduate courses in new media, media ethics, and global communication, *Ethics in the Digital Domain* helps students explore the big questions surrounding the impact of the digital domain on our daily lives. There are those who promise an enhanced human future through adoption and acceptance of digital culture, and those who condemn this shift in no uncertain terms. What are the positions taken by futurists and technology inventors and adopters on these issues? Through a series of case studies, this groundbreaking text challenges students to consider the future they will inhabit. Should they fear such changes or embrace them? What ethical systems will

help provide guidance in this new world What role will they have to play in this ecosystem Will their humanity survive Does it matter Presented in a format designed to initiate debate and discussion Ethics in the Digital Domain covers enduring debates in ethics such as privacy copyright libel consent surveillance and the necessity for truthful discourse It also looks at new dimensions introduced by media practices in digital media including 24 7 tracking of handheld devices machine to machine and machine to human communication promises of immortality in the cloud the movement of AI robots toward humanlike activities Regardless of where students stand on the different issues raised here they will find themselves in ethical conundrums because the tensions raised are both ordinary and profound in the new world of digital media ethics
