Delinquent Elena Botella,2022-10-11 Publisher s Weekly Top 10 Fall Release in Business and Economics A consumer credit industry insider turned outsider explains how banks lure Americans deep into debt and how to break the cycle Delinquent takes readers on a journey from Capital One s headquarters to street corners in Detroit kitchen tables in Sacramento and other places where debt affects people s everyday lives Uncovering the true costs of consumer credit to American families in addition to the benefits investigative journalist Elena Botella formerly an industry insider who helped set credit policy at Capital One reveals the underhanded and often predatory ways that banks induce American borrowers into debt they can t pay back Combining Botella s insights from the banking industry quantitative data and research findings as well as personal stories from interviews with indebted families around the country Delinquent provides a relatable and humane entry into understanding debt Botella exposes the ways that bank marketing product design and customer management strategies exploit our common weaknesses and fantasies in how we think about money and she also demonstrates why competition between banks has failed to make life better for Americans in debt Delinquent asks How can we make credit available to those who need it responsibly and without causing harm Looking to the future Botella presents a thorough and incisive plan for reckoning with and reforming the industry **Personal Finance Under One Hour** Andrew W. Brown,Brendan M. Connolly, Personal finance is not usually taught in school which leads to learning most financial lessons by making costly mistakes in the real world Additionally most financial experts are actually salespeople in disguise whom are looking out for their commission rather than your investment While you personally do not need to be an expert

having some basic knowledge on personal finance and doing some research will drastically help when making financial decisions This book will start you in the right direction Personal Finance Under One Hour does not encompass everything there is to learn about personal finance but instead is designed to give you a basic overview in only an hour Let s be honest most people do not have the time to read a 300 page book on any topic but many people can spare an hour Many sources such as books websites and personal mentors have inspired the contents of this book The goal is to sum up the best information these sources offer so you can get the most important points in the least amount of time By reading Personal Finance Under One Hour you will gain the necessary knowledge to expand your financial IQ and make better financial decisions Under One Hour books are broken down into six 10 minute sections making it easier to read and learn on the go Each section contains two or three main topics with sub topics to explore Bold words or phrases are the highlight of the topic or paragraph while italicized words are ideas to be explored further outside of the book
