Japanese Prisoners of War Philip

Towle, Margaret Kosuge, Yoichi Kibata, 2000-01-01 During the Second World War the Japanese were stereotyped in the European and American imagination as fanatical cruel and almost inhuman This view is unhistorical and simplistic It fails to recognise that the Japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition The essays in Japanese Prisoners of War by both Western and Japanese scholars explore the question from a balanced viewpoint looking at it in the light of longer term influences notably the Japanese attempt to establish themselves as an honorary white race The book also addresses the other side of the question looking at the treatment of Japanese prisoners in Allied captivity

Hiroshima Nathaniel Harris, David Downing, 2004 For anyone interested in primary sources and their significance this is the source to turn to Primary source accounts of history add an unmatched authenticity to this series Each book introduces the period and the available sources justifying why we can rely on them who produced them or why they have survived The text also gives historical background and explores what can be learned from the source

The Long Defeat Akiko Hashimoto, 2015 In The Long Defeat Akiko Hashimoto explores the stakes of war memory in Japan after its catastrophic defeat in World War II showing how and why defeat has become an indelible part of national collective life especially in recent decades Divisive war memories lie at the root of the contentious politics surrounding Japan's pacifist constitution and remilitarization and fuel the escalating frictions in East Asia known collectively as Japan's history problem Drawing on ethnography interviews and a wealth of popular memory data this book identifies three preoccupations national belonging healing and justice in Japan's discourses of defeat Hashimoto uncovers the key war memory narratives that are shaping Japan's choices nationalism pacifism or reconciliation for addressing the rising international tensions and finally overcoming its dark history

Long Night's Journey into Day Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for

Lee, 2004-07-19 Publisher Description **Bibliography of Japanese New Religious Movements** Peter B Clarke, 2013-12-16 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership **Bibliography of Japanese New Religions, with Annotations and an Introduction to Japanese New Religions at Home and Abroad** Peter Bernard Clarke, 1999 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership **The Aftermath of the Chinese Nationalist Revolution** Kathlyn Gay, 2008-09-01 Describes the history of China in the first half of the twentieth century a period of intense civil war following the overthrow of the Mancu dynasty which in turn led to the establishment of a communist government under Mao Tse tung **Prisoners in War** Sibylle Scheipers, 2010-02-25 The issue of prisoners in war is a highly timely topic that has received much attention from both scholars and practitioners since the start of the military operations in Afghanistan and Iraq and the ensuing legal and political problems concerning detainees in those conflicts This book analyses these contemporary problems and challenges against the background of their historical development It provides a multidisciplinary yet highly coherent perspective on the historical trajectory of legal and ethical norms in this field by integrating the historical analysis of war with a study of the emergence of the modern legal regime of prisoners in war In doing so it provides the first comprehensive study of prisoners detainees and internees in war covering a broad range of both regular and irregular wars from the crusades to contemporary counterinsurgency campaigns The book revolves around two major developments First there has been a continuous increase in the political relevance of prisoners in war in particular since the emergence of POW camps in the nineteenth century Secondly and related the growth in the legal regime pertaining to prisoners had contradictory consequences Whilst it enhanced the protection of prisoners in regular conflicts its state centric bias tends to exclude combatants who do not fit the template of regular inter state war Detainees in the war on terror embody both tendencies the development of which however is by no means a novel phenomenon This book is a project of the Oxford Leverhulme Programme on the Changing Character of War **Nagasaki** Susan Southard, 2017-08-31 On August 9th 1945 the US dropped an atomic bomb on Nagasaki It killed a third of the population instantly and the survivors or hibakusha would be affected by the life altering medical conditions caused by the radiation for the rest of their lives They were also marked with the stigma of their exposure to radiation and fears of the consequences for their children Nagasaki follows the previously unknown stories of five survivors and their families from 1945 to the present day It captures the full range of pain fear bravery and compassion
