Use the following questions to guide your reading of the text. You do NOT need to answer these questions on a separate sheet of paper, but the text is difficult and these questions will be helpful for both basic comprehension and larger themes. ALSO, these questions MIGHT guide your annotations! We will collect your book at the beginning of the year and look for how you annotate—what you underline and your comments in the margins. IF we find out that you used an older sibling's book, you MUST show your own annotations or take a zero for the assignment.
