Police Theory in America Robert C. Wadman, 2009 measurement of effective policing is based on a quick response to crime that has already been committed the value of crime prevention has become an afterthought in America's police departments The middle chapters outline these issues and identify the strategies to improve police community relationships and adjust the measurements for effective policing The concluding chapters identify strategies designed to facilitate police department organizational change Using terms from the discipline of economics a micro strategy and a macro strategy are outlined A new theory of policing concludes the book The book is intended primarily as a textbook for criminal justice students but it will also prove useful to police departments police academies city managers and elected officials responsible for police administration and community safety Book Jacket

Police Psychology David J. Thomas, 2011-05-03 Go behind the scenes of police work with this unique book that opens the door to the psychological side of policing *Police Psychology A New Specialty and New Challenges for Men and Women in Blue* offers readers the opportunity to examine two different aspects of police psychology psychology as it pertains to the personality of police officers and the application of psychology in police practices The book takes readers inside the lives of real officers struggling with the daily quest to remain mentally healthy in the face of often gruesome crime scenes The actual experience of police work is illustrated through case studies and vignettes and the text offers a template of best practices for those who practice police psychology Other insights in this book reveal the practical side of policing examining the use of psychology in hostage negotiation interview and interrogation threat assessment and criminal profiling Readers go behind the scenes to watch as police apply psychological principles in actual cases and then are given the opportunity to match wits with a simulated foe themselves

Deviance M. Holmes, 2019-01-25 This book covers many topics that are important to M Holmes because these are the topics that influence the daily lives of the youth in our communities The book is not in any particular order but M Holmes believes that everyone who reads this book will find something of interest that they will be passionate about M Holmes hopes that it will gain the interest of many individuals The purpose of *Deviance* is to encourage people to take a stand and to do something to make this world a better place M Holmes suggests that we start in our communities M Holmes points out that once realized that the community is where crime is manifested society can then begin to rebuild and heal Three years ago I decided to return to college to get a bachelor degree in criminal justice I decided to take criminal justice because I was frustrated with the number of youths going to prison The only way I knew to combat the problem was to learn about our criminal justice system and to create theories and solutions to stop the crimes and most importantly to stop the revolving doors to our prisons At times I became so angry and frustrated because of the crimes in our society There

are reasons for these crimes and I believe that we are not doing enough to halt them I have determined that the reasons for the crimes in our society are not unfounded We need to take our heads out of the sand and address the issues I believe that the issues are basically economics Our society runs on economics Just what is economics The Oxford Dictionary defines economics as the science concerned with the production and consumption or use of goods and services In order to live a healthy and prosperous life we must be economically fit In society today we have many families and individuals who are economically deprived resulting in crime
