

The Entrance Exam for Prospective Paramedic Students is an EMT-specific exam that was designed to evaluate nationally registered EMTs who are applying or matriculating to paramedic school. The exam has over 130 questions, which range in difficulty level from knowledge recall to problem solving. The exam consists of six topic areas, which were selected by a national committee of Emergency Medical Service educators for the purpose of determining which students are most likely to succeed in a paramedic education program.

After completing this study guide, if you wish to seek additional EMT, anatomy and physiology practice questions, please visit www.fisdap.net and purchase EMT Study Tools.
