## **Closer Than Brothers Manhood At The Philippine Military Academy:**

**Closer Than Brothers** Alfred W. McCoy, 2002-01-01      Closer Than Brothers Alfred W. McCoy, 1999 In this book Alfred W McCoy takes a new approach to the military and political history of the Philippines Comparing two generations of graduates from the Philippine Military Academy PMA the classes of 1940 and 1971 McCoy uncovers fundamental differences in their academic socialization and subsequent ascent to power Viewed through this comparative lens the story of these two classes becomes the history of the entire Philippine army offering important insights into the complexities of Filipino involvement in war and peace from the 1930s to the 1990s      **She Who Struggles** Marral Shamshiri, SORCHA THOMSON, 2023-09-20 Exhilarating and immensely valuable Priyamvada Gopal Professor University of Cambridge Captivating captures the resolute vision of revolutionary women in anti colonial anti capitalist and anti imperialist struggles Shahrzad Mojab Professor co author of Revolutionary Learning Powerful complex and compassionate a meaningful intervention not only in women s and revolutionary history but in world history Dilar Dirik author of The Kurdish Women s Movement Rosa Luxemburg Claudia Jones and Leila Khaled may have joined Lenin Mao and Che in the pantheon of twentieth century revolutionaries but the histories in which they figure remain unjustly dominated by men She Who Struggles sets the record straight revealing how women have contributed to revolutionary movements across the world in endless ways as leaders rebels trailblazers guerrillas and writers revolutionaries who also navigated their gendered roles as women mothers wives and daughters Through exclusive interviews and original historical research including primary sources never before translated into English readers are introduced to largely unknown revolutionary women from across the globe The collection presents a hidden history of revolutionary internationalism that will be a must read for activists and anyone interested in feminist anticolonial and anti racist struggle today Marral Shamshiri is a historian and activist She is a doctoral researcher at the London School of Economics and managing editor of the journal Cold War History SORCHA THOMSON is a historian and an associate research fellow at Birkbeck University of London She is co editor of the book Palestine in the World and an editor of the History Workshop magazine      In the Shadow of Violence Douglass C. North, John Joseph Wallis, Steven B. Webb, Barry R. Weingast, 2013 This book explains how political control of economic privileges is used to limit violence and coordinate coalitions of powerful organizations      Conjunctures and Continuities in Southeast Asian Politics Narayanan Ganesan, 2013 In their evolution of political structures and life countries often undergo significant conjunctures major events that reorder political structures and norms The examination of such conjunctures offers an important methodological framework to uncover and document changes that have significantly altered the political template of a country This collection of case studies examines the critical conjunctures that have affected the countries of Southeast Asia in recent decades Each chapter traces the antecedent conditions prior to the event describes the changes brought about by the conjuncture and details the lasting legacy      **Awaiting MacArthur's Return** James Villanueva, 2022-10-07 Over the course of World War II

guerrillas from across the Philippines opposed Imperial Japan's occupation of the archipelago. Although the guerrillas never possessed the combat strength to overcome the Japanese occupation on their own, they disrupted operations, kept the spirit of resistance alive, provided important intelligence to the Allies, and assumed frontline duties fighting the Japanese. By examining the organization, motivations, capabilities, and operations of the guerrillas, James Villanueva argues that the guerrillas were effective because Japanese punitive measures, along with a strong sense of obligation and loyalty to the United States, pushed most of the population to support the guerrillas. Unlike their predecessors opposing the Americans in 1899, the guerrillas during World War II benefited from the leadership of US and Filipino military personnel and received significant aid and direction from General Douglas MacArthur's Southwest Pacific Area (SWPA) Headquarters, conducting one of the most effective and sophisticated resistance campaigns in World War II. Awaiting MacArthur's Return is the first comprehensive comparative analysis of the major World War II guerrilla groups across the Philippine Archipelago, providing a fuller picture of the nature of the war in the Southwest Pacific and revealing the extent to which the guerrilla movement affected operations for both Allied and Imperial Japanese forces. Analyzing the organizational effectiveness of the guerrillas resisting the Japanese occupation of the Philippines, this book alternates narrative chapters with thematic chapters examining the guerrillas' organization, logistics, administration, intelligence gathering, and the support they received from Allied forces, and provided the Allies in turn. Villanueva offers the most in-depth analysis of the guerrillas' military organization and effectiveness in the context of existing theories of insurgency and counterinsurgency while using an extensive body of memoirs, archival guerrilla and US Army and Navy records, and translations of Japanese documents and interviews with Japanese officers.

Knowing Southeast Asian Subjects Laurie J. Sears, 2011-10-17 The essays in *Knowing Southeast Asian Subjects* ask how the rising preponderance of scholarship from Southeast Asia is de-centering Southeast Asian area studies in the United States. The contributions address recent transformations within the field and new directions for research, pedagogy, and institutional cooperation. Contributions from the perspectives of history, anthropology, cultural studies, political theory, and libraries pose questions ranging from how a concern with postcolonial and feminist questions of identity might reorient the field to how anthropological work on civil society and Islam in Southeast Asia provides an opportunity for comparative political theorists to develop more sophisticated analytic approaches. A vision common to all the contributors is the potential of area studies to produce knowledge outside a global academic framework that presumes the privilege and even hegemony of Euro-American academic trends and scholars.

*Women Warriors in Southeast Asia* Vina Lanzona, Frederik Rettig, 2020-01-07 This book brings together a wide range of case studies to explore the experiences and significance of women warriors in Southeast Asian history from ancient to contemporary times. Using a number of sources, including royal chronicles, diaries, memoirs, and interviews, the book discusses why women warriors were active in a domain traditionally preserved for men and how they arguably transgressed peacetime gender boundaries as agents of violence. From

multidisciplinary perspectives the chapters assess what drove women to take on a variety of roles namely palace guards guerrillas and war leaders and to what extent their experiences were different to those of men The reader is taken on an almost 1 500 year long journey through a crossroads region well known for the diversity of its peoples and cultures but also their ability to creatively graft foreign ideas onto existing ones The book also explores the re integration of women into post conflict Southeast Asian societies including the impact or lack thereof of newly established international norms and the frequent turn towards pre conflict gender roles in these societies Written by an international team of scholars this book will be of interest to academics working on Southeast Asian Studies Gender Studies low intensity conflicts and revolutions and War Conflict and Peace Studies Middle Class, Civil Society and Democracy in Asia Hsin-Huang Michael Hsiao, 2018-07-18 This book offers a timely analysis of the tripartite links between the middle class civil society and democratic experiences in Northeast and Southeast Asia It aims to go beyond the two popular theoretical propositions in current democratic theory which emphasise the bilateral connections between the middle class and democracy on one hand and civil society and democracy on the other Instead using national case studies this volume attempts to provide a new comparative typological interpretation of the triple relationship in Taiwan South Korea the Philippines Indonesia and Thailand Presenting a careful analysis and delineation of historical democratic transformation over the past thirty years three discernible typologies emerge Namely there are positive links in Taiwan and South Korea dubious links in the Philippines and Indonesia and negative links in Thailand Middle Class Civil Society and Democracy in Asia will be of interest to students and scholars of Asian politics and democracy *Democratization and Civilian Control in Asia* A. Croissant, D. Kuehn, P. Lorenz, P. Chambers, 2015-12-04 How can civilians in newly democratized countries ensure their control over the military While establishing civilian control of the military is a necessary condition for a functioning democracy it requires prudent strategic action on the part of the decision makers to remove the military from positions of power and make it follow their orders

**Philippine Politics** Lynn T. White III, 2014-12-17 Philippine political history especially in the twentieth century challenges the image of democratic evolution as serving the people and does so in ways that reveal inadequately explored aspects of many democracies In the first decades of the twenty first century the Philippines has nonetheless shown gradual socioeconomic progress This book provides an interpretive overview of Philippine politics and takes full account of the importance of patriotic Philippine factors in making decisions about future political policies It analyses whether regional and local politics have more importance than national politics in the Philippines Discussing cultural traditions of patronism it also examines how clan feuds localize the state and create strong local policies These conflicts in turn make regional and family run polities collectively stronger than the central state institution The book goes on to explore elections in the Philippines and in particular the ways in which politicians win democratic elections the institutionalized role of public money in this process and the role that media plays Offering a new interpretive overview of Philippine progress over many decades the

author notes recent economic and political changes during the current century while also trying to advance ideas that might prove useful to Filipinos Presenting an in depth analysis of the problems and possibilities of politics and society in the Philippines the book will be of interest to those researching Southeast Asian Politics Political History and Asian Society and Culture

**Democratic Revolutions** Mark K. Thompson, 2003-11-20 Thompson examines the neglected concept of democratic revolutions spontaneous popular uprisings which topple unyielding dictators and begin a transition process that eventually results in the consolidation of democracy

**The Philippine Economy** Arsenio M. Balisacan, Hal Hill, 2003-03-06 This book examines all major facets of the Philippine economy and development policy Contributors to this volume look both to the past and to the future and their approaches are variously descriptive analytical interpretive and comparative The book assesses trends since the 1980s identifies major policy issues and provides a balance sheet of achievements and deficiencies over the past decade and beyond It highlights future challenges that need to be addressed if the country is to embark on a sustainable durable and equitable growth trajectory The book also offers lessons from the country's development experience which may be relevant for many countries at the present time The volume has particular relevance for the country's policymakers academics and the business community and will also appeal to a broader international audience

**When Politicians Talk** Ofer Feldman, 2021-09-01 This book details the relationship between culture and the language used by public figures including politicians political candidates and government officials in the broad context of political behavior and communication Employing a variety of perspectives theoretical conceptual methodological and analytical approaches chapters focus specifically on the question of HOW cultural factors such as religion history economy majority minority relations social structure and values shape the content nature and characteristics of the rhetoric that public figures utilize in selected countries in the Americas Europe Asia Oceania and the Middle East The chapters enable comparison of the cultural effects on the different structures styles and contents of public speaking in societies from West to East That is of WHAT leaders say HOW they say it e g degree of openness directness usage of metaphors and slogans xenophobic and racial expressions under WHICH specific circumstances e g National Days addresses national or local assemblies debates during election campaigns appeals press conferences briefings and in international meetings speeches and for WHAT specific audiences e g supporters and voters media representatives or the global community

State and Society in the Philippines Patricio N. Abinales, Donna J. Amoroso, 2017-07-06 This clear and nuanced introduction explores the Philippines ongoing and deeply charged dilemma of state society relations through a historical treatment of state formation and the corresponding conflicts and collaboration between government leaders and social forces Patricio N Abinales and Donna J Amoroso examine the long history of institutional weakness in the Philippines and the varied strategies the state has employed to overcome its structural fragility and strengthen its bond with society The authors argue that this process reflects the country's recurring dilemma on the one hand is the state's persistent inability to provide essential services guarantee peace and order and foster

economic development on the other is the Filipinos equally enduring suspicions of a strong state To many citizens this powerfully evokes the repression of the 1970s and the 1980s that polarized society and cost thousands of lives in repression and resistance and billions of dollars in corruption setting the nation back years in economic development and profoundly undermining trust in government The book's historical sweep starts with the politics of the pre colonial era and continues through the first year of Rodrigo Duterte's controversial presidency

**In the Name of Civil Society** Eva-Lotta Hedman, 2005-11-30 In the Name of Civil Society examines Philippine politics in a highly original and provocative way Hedman's detailed analysis shows how dominant elites in the Philippines shore up the structures of liberal democracy in order to ensure their continued hegemony over Philippine society This book will be of interest to everyone concerned with civil society and the processes of democratization and democracy in capitalist societies Paul D Hutchcroft University of Wisconsin Madison What is the politics of civil society Focusing on the Philippines home to the mother of all election watch movements the original People Power revolt and one of the largest and most diverse NGO populations in the world Eva Lotta Hedman offers a critique that goes against the grain of much other current scholarship Her highly original work challenges celebratory and universalist accounts that tend to reify civil society as a unified and coherent entity and to ascribe a single meaning and automatic trajectory to its role in democratization She shows how mobilization in the name of civil society is contingent on the intercession of citizens and performative displays of citizenship as opposed to other appeals and articulations of identity such as class In short Hedman argues the very definitions of civil and society are at stake Based on extensive research spanning the course of a decade 1991-2001 this study offers a powerful analysis of Philippine politics and society inspired by the writings of Antonio Gramsci It draws on a rich collection of sources from archives interviews newspapers and participant observation It identifies a cycle of recurring crises of authority involving mounting threats from above and below to oligarchical democracy in the Philippines Tracing the trajectory of Gramscian dominant bloc of social forces Hedman shows how each such crisis in the Philippines promotes a countermobilization by the intellectuals of the dominant bloc the capitalist class the Catholic Church and the U S government In documenting the capacity of so called secondary associations business lay professional to project moral and intellectual leadership in each of these crises this study sheds new light on the forces and dynamics of change and continuity in Philippine politics and society

**Dictators' Endgames** Aurel Croissant, David Kuehn, Tanja Eschenauer-Engler, 2024-10-14 Dictators Endgames examines the political role of the military in dictators endgames large scale nonviolent mass protests in autocracies that demand the regime leader's removal from office It addresses the question why some militaries defend an embattled autocrat by violently cracking down on the protestors whereas others side with the opposition or decide to stage a coup d'état The book introduces a systematic definition and operationalization of the dictator's endgame as a situation of non violent mass mobilization in which the dictator's political survival depends on the loyalty of the military leaders The theoretical argument proposed in this book

focuses on the strategic calculations of military leaders and offers a systematic explanation why the armed forces opt for repression of the demonstrators shift their loyalty from the dictator to the opposition or remove the autocrat in a coup during the mass protests The theory's predictions are empirically tested in a multi method research design that combines statistical analyses and case studies drawing on the original Dictator's Endgame Dataset of all 40 endgames that took place between 1946 and 2014 The study identifies the conditions and processes through which militaries determine the outcome of dictators endgames and thus affect the survival and future political development of authoritarian regimes The Philippines and the International Monetary Fund Negotiations on Petroleum and Imports Kenneth Faulve-Montojo, 2018-10-31 In their negotiations with the International Monetary Fund Philippine chief negotiators attempt to build coalitions to implement reform Deference and External Internal sequencing tactics are quite common but the theoretical literature has not examined the conditions under which they are effective or marginalized This study uses a Within Case Study Method of Causal Inference to examine twenty four observations from the years 1984 1994 that examine the interaction of the Philippine chief economic negotiators with the IMF the Chief of Governments international and domestic and cabinet and societal veto players on the issues of petroleum price and import reforms Through this approach the study rules out alternative deductive system level theories to explain economic outcomes refines the two level game framework generates a midrange typology on the pattern of successes and failures of the negotiations and provides recommendations on manipulable variables for policy makers The study suggests that these tactics are constrained by the leverage and signal provided by international veto players and the interaction between formal and informal domestic institutions **In the Shadows of the American Century** Alfred W. McCoy, 2017-09-12 The award winning historian delivers a brilliant and deeply informed analysis of American power from the Spanish American War to the Trump Administration New York Journal of Books In this sweeping and incisive history of US foreign relations historian Alfred McCoy explores America's rise as a world power from the 1890s through the Cold War and its bid to extend its hegemony deep into the twenty first century Since American dominance reached its apex at the close of the Cold War the nation has met new challenges that it is increasingly unequipped to handle From the disastrous invasion of Iraq to the failure of the Trans Pacific Partnership fracturing military alliances and the blundering nationalism of Donald Trump McCoy traces US decline in the face of rising powers such as China He also offers a critique of America's attempt to maintain its position through cyberwar covert intervention client elites psychological torture and worldwide surveillance *Things Fall Away* Neferti X. M. Tadiar, 2009-05-15 An argument that subaltern experiences that are devalued and overlooked in progressive late twentieth century Philippine literature have been essential to the social and economic changes wrought by globalization

## Unveiling the Magic of Words: A Report on "**Closer Than Brothers Manhood At The Philippine Military Academy**"

### **Closer Than Brothers Manhood At The Philippine Military Academy Introduction**

In today's digital age, the availability of Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Closer Than Brothers Manhood At The Philippine Military Academy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Closer Than Brothers Manhood At The Philippine Military Academy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

## **Closer Than Brothers Manhood At The Philippine Military Academy**

popular platform for Closer Than Brothers Manhood At The Philippine Military Academy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Closer Than Brothers Manhood At The Philippine Military Academy books and manuals for download and embark on your journey of knowledge?

### **FAQs About Closer Than Brothers Manhood At The Philippine Military Academy Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Closer Than Brothers Manhood At The Philippine Military Academy is one of the best book in our library for free trial. We provide copy of Closer Than Brothers Manhood At The Philippine Military Academy in digital format, so the resources that you find are reliable. There are also
