was being pitched to replace it If we got all of it out in the open what would we have left My fear was that guilt would destroy the classics and there d be no one left to fuck All movies would be as low budget and as puritanical as the stuff they play on Lifetime all of New York would look like a Target ad every book or article would be a cathartic tell all and I d be sexually frustrated but too ashamed to hook up with assholes or even to watch porn from Sleeveless Eve Babitz meets Roland Barthes in Sleeveless Natasha Stagg s follow up to Surveys her 2016 novel about internet fame Composed of essays and stories commissioned by fashion art and culture magazines Sleeveless is a scathing and sensitive report from New York in the 2010s During those years Stagg worked as an editor for V magazine and as a consultant creating copy for fashion brands Through these jobs she met and interviewed countless industry luminaries celebrities and artists and learned about the quickly evolving strategies of branding In Sleeveless she exposes the mechanics of personal identity and its monetization that propelled the narrator of Surveys from a mall job in Tucson to international travel and internet fame **Great Songwriting**

Rene,2024-02-26 When I think of our past I don t imagine it as a love story Brooke Eastham was beautiful rich and completely out of my league but I was okay with that I knew where I belonged and where my family ranked on the ladder of success I wasn t looking to disrupt the order but Cape Cod in the summer held an aura of magic and every clear image and boundary was blurred by teenage inhibitions When the fog cleared we would step back into our rightful places until the magnetic vibrations in our hearts could no longer be ignored and we would snap back together The seed of our relationship was planted in the sand along the beach and the roots grew out to the ocean only to be swallowed up by the currents before it had a chance to bloom Our fates were so intricately intertwined the threads of our futures closely weaving together to make a tapestry of beautiful colors telling a story of young love loss and ultimately forgiveness This isn t an epic love story It s a tragic burn of lust fueled summers and cold lonely winters A cautionary tale of the heart s current as it drags you under the crashing waves of infatuation only to let you sink to the bottom of despair
