ICT2004 papers offer a wider range of solutions to key problems in telecommunications and describe challenging avenues for industrial research and development. In addition to the conference regular sessions, seven tutorials and a workshop were organized. The tutorials focused on special topics dealing with next generation networks. The workshop focused on particular problems and solutions in heavily distributed and shareable environments. We would like to thank the ICT 2004 Technical Program Committee members and referees. Without their support, the creation of such a broad conference program would not be possible. We also thank all the authors who made a particular effort to contribute to ICT2004. We truly believe that due to all these efforts, the conference program consisted of top quality contributions. We are also indebted to many individuals and organizations that made this conference possible. In particular, we would like to thank the members of the ICT2004 Organizing Committee for their help in all aspects of the organization of this professional meeting.
