*From Twitter to Tahrir Square* Bala A. Musa, Jim Willis, 2014-06-24 This timely guide examines the influence of social media in private public and professional settings particularly the ethical implications of the cultural changes and trends created by their use In the quest for quick dissemination of information web users and content providers find both opportunity and liability in digital broadcasts Examples abound Twitter members tap into news reports well in advance of traditional print media but stories are prone to inaccuracies and misinformation Facebook shares useful data mined from member profiles but this sharing often compromises privacy It is no surprise that use of social media gives rise to a host of moral dilemmas never before encountered This book sheds light on the effects of this new medium on the individual and society Through two volumes chock full of topics found in news headlines everyday

the authors look at evolving trends in social media and their impact on privacy politics and journalism The first volume explores the role of this technology on national and international security Volume 2 focuses on the individual as both a producer and consumer of internet content showing how the media itself is changing notions of self identity relationships and popular culture The book s content covers such topics as individual and community psychology citizen journalism and corporate technology Indefinite Visions Beugnet Martine Beugnet,2017-07-07 Moving image culture seems to privilege the instantly identifiable the recognizable face the well timed stunt the perfectly synchronized line of dialogue Yet perfect in focus visibility does not come naturally to the moving image and if there is one visual effect the eye of the camera can record better than the human eye it is blur Looking beyond popular media to works of experimental cinema and video art this groundbreaking collection addresses the aesthetics and politics of moving images in states of decay distortion indistinctness and fragmentation A range of international scholars examines what is at stake in these images sometimes radical foregrounding of materiality and mediation or of evanescence and spectrality as well as their challenging of the dominant position accorded to legible images How have artists and filmmakers rendered the indefinite image and what questions does it pose With a range of approaches from aesthetics to phenomenology to production studies the authors in this volume investigate techniques themes and concepts that emerge from this wilful excavation of the moving image s material base

**Quote, Double Quote** Paul Ferstl,Keyvan Sarkhosh,2014-02-01 The boundary between high culture and popular culture is neither hermetic nor stable A wide spread mechanism of a reception strongly influenced by structuralism and post modernism has led to the amplification and acceleration of cultural production between these two poles Relying on a decidedly theoretical approach this volume offers a broad perspective transgressing linguistic cultural temporal and media borders Reflections and perspectives on the relationship between high and popular culture are the subject of the thirteen articles collected here Side by side with theoretical approaches case studies covering classical and Heavy Metal music TV series and pornographic films zombies and Creature Features philosophically infused comics and popular lexicography professional wrestling and hypertext literature pave the way to a contemporary aesthetics **The Shape of Motion** Jordan Schonig,2021-11-24 In *The Shape of Motion Cinema and the Aesthetics of Movement* author Jordan Schonig provides a new way of theorizing cinematic motion by examining cinema s motion forms structures patterns or shapes of movement unique to the moving image From the wild and unpredictable motion of flickering leaves and swirling dust that captivated early spectators to the pulsing abstractions that emerge from rapid lateral tracking shots to the bleeding pixel formations caused by the glitches of digital video compression each motion form opens up the aesthetics of movement to film theoretical inquiry By pairing close analyses of onscreen movement in narrative and experimental films with concepts from Maurice Merleau Ponty Henri Bergson and Immanuel Kant Schonig rethinks longstanding assumptions within film studies such as indexical

accounts of photographic images and analogies between the camera and the human eye Arguing against the intuition that cinema reproduces our natural perception of motion *The Shape of Motion* shows how cinema's motion forms do not merely transpose the movements of the world in front of the camera they transform them [Global Art Cinema](#) Rosalind Galt, Karl Schoonover, 2010-04-14 Art cinema has for over fifty years defined how audiences and critics imagine film outside Hollywood but surprisingly little scholarly attention has been paid to the concept since the 1970s And yet in the last thirty years art cinema has flourished worldwide The emergence of East Asian and Latin American new waves the reinvigoration of European film the success of Iranian directors and the rise of the film festival have transformed the landscape of world cinema This book brings into focus art cinema's core internationalism demonstrating its centrality to understanding film as a global phenomenon The book reassesses the field of art cinema in light of recent scholarship on world film cultures In addition to analysis of key regions and films the essays cover topics including theories of the film image industrial aesthetic and political histories and art film's intersections with debates on genre sexuality new media forms and postcolonial cultures *Global Art Cinema* brings together a diverse group of scholars in a timely conversation that reaffirms the category of art cinema as relevant provocative and in fact fundamental to contemporary film studies [Directory of World Cinema: Japan](#) John Berra, 2010-06-01 From the revered classics of Akira Kurosawa to the modern marvels of Takeshi Kitano the films that have emerged from Japan represent a national cinema that has gained worldwide admiration and appreciation *Directory of World Cinema Japan* provides an insight into the cinema of Japan through reviews of significant titles and case studies of leading directors alongside explorations of the cultural and industrial origins of key genres As the inaugural volume of an ambitious series from Intellect documenting world cinema the directory aims to play a part in moving intelligent scholarly criticism beyond the academy by building a forum for the study of film that relies on a disciplined theoretical base It takes the form of an A-Z collection of reviews longer essays and research resources accompanied by fifty full colour film stills highlighting significant films and players The cinematic lineage of samurai warriors yakuza enforcers and atomic monsters take their place alongside the politically charged works of the Japanese New Wave making this a truly comprehensive volume [A Grammar of Murder](#) Karla Oeler, 2009-12-15 The dark shadows and offscreen space that force us to imagine violence we cannot see The real slaughter of animals spliced with the fictional killing of men The missing countershot from the murder victim's point of view Such images or absent images Karla Oeler contends distill how the murder scene challenges and changes film Reexamining works by such filmmakers as Renoir Hitchcock Kubrick Jarmusch and Eisenstein Oeler traces the murder scene's intricate connections to the great breakthroughs in the theory and practice of montage and the formulation of the rules and syntax of Hollywood genre She argues that murder plays such a central role in film because it mirrors on multiple levels the act of cinematic representation Death and murder at once eradicate life and call attention to its former existence just as cinema conveys both the reality and the absence of the objects it depicts But murder shares with cinema not

only this interplay between presence and absence movement and stillness unlike death killing entails the deliberate reduction of a singular subject to a disposable object Like cinema it involves a crucial choice about what to cut and what to keep

**Multimodal Metaphor** Charles J. Forceville, Eduardo Urios-Aparisi, 2009-09-04 Metaphor studies has over the past 30 years become a discipline in its own right mainly because of the cognitive linguistic claim that metaphors characterize thought not just language But most metaphor scholars hitherto focus exclusively on its purely verbal expressions Since both persuasive and narrative discourses in contemporary society increasingly draw on modalities other than language alone sustained research into a broader range of manifestations of metaphor is imperative This volume is the first book length study to investigate multimodal occurrences of metaphor and is of interest to scholars interested in metaphor as well as in multimodal discourse Each chapter investigates metaphors whose identification and interpretation depend on the co presence of at least two of the following modalities language visuals gestures sound music On the basis of case studies in a variety of discourse genres advertising cartoons films comics conversation music amply represented in photographs logos drawings film stills and musical scores the contributors demonstrate that and how metaphor can occur multimodally providing ideas and methodological angles enabling further theorizing and testing in this rapidly expanding field Covering creative as well as conceptual metaphors and where appropriate evaluating cultural factors governing metaphor interpretation the contributors provide a wealth of material for studying the conceptual and rhetorical force of metaphor in contemporary society

Religious Representation in Place M. George, D. Pezzoli-Olgati, 2014-10-16 Religious Representation in Place brings together an interdisciplinary group of scholars from the Humanities and Sciences to broaden the understanding of how religious symbols and spatial studies interact The essays consider the relevance of religion in the experience of space a fundamental dimension of culture and human life

*The Pool Group and the Quest for Anthropological Universality* Betsy van Schlun, 2016-11-21 Pool was an avant garde group that originated in 1927 in Britain and was active under this name until 1933 The group consisted of the well known modernist poet H D the English writer Bryher and the young Scottish writer and artist Kenneth Macpherson All three were first and foremost writers who at one point discovered film as another modern experimental medium of artistic expression Pool associated with almost all the iconic modernists of their time with Ezra Pound Gertrude Stein Ernest Hemmingway James Joyce Marianne Moore William Carlos Williams T S Eliot and Virginia Woolf to name only a few In addition due to their interest in film they were also befriended with such influential filmmakers as Sergei Eisenstein and Georg Wilhelm Pabst and became closely associated with Weimar Berlin film culture Pool unites classical Modernism and modernity two directions that are usually considered to be contradictory The Pool phenomenon opens a new perspective onto Modernism and prompts a reconsideration of its canonical texts and figures Contrary to many artists of Modernism who devised highly individualistic aesthetic styles the artists of Pool strove towards a universal art of humanity that was rooted in all human nature and psychology
