Keeley, Julie Yingling, 2007 When asked most people want an opportunity to talk with a loved one at least one more time before it s too late Authors Keeley and Yingling have brought trained ears to the stories of the experienced living people who have engaged in final conversations with loved ones and who have been so glad they did John Dee's Conversations with Angels Deborah E. Harkness, 1999-11-13 John Dee s angel conversations have been an enigmatic facet of Elizabethan England s most famous natural philosopher s life and work Professor Harkness contextualizes Dee s angel conversations within the natural philosophical religious and social contexts of his time philosophy and the apocalypse and argues that they represent a continuing development of John Dee s earlier concerns and interests These conversations include discussions of the natural world the practice of natural philosophy and the apocalypse **Angel** Olena Berezhovska, 2024-11-01 Angel is a journey of hope resilience and the profound connection between human souls Olena Berezhovska weaves a narrative that delves into the intricacies of human emotions exploring themes of healing redemption and the unseen forces that guide us through life s most challenging moments This book invites readers to reflect on the strength within and the beauty of compassion in unexpected places St. Thérèse of Lisieux Her Last Conversations Revised Edition St. Thérèse of Lisieux, 2024-03-05 St Th r se of Lisieux 1873 1897 spent the final months of her short life in the infirmary of the Carmel of Lisieux France Those who attended her including three of her older sisters by birth were living in the company of one of God s saints one prepared for our times This volume St Th r se of Lisieux Her Last Conversations serves as a sequel to St Th r se s autobiography Story of a Soul It contains the intimate words of her final conversations with

Emblems of Mortality Clayton G. MacKenzie,2000-04-12 In our own age the engagement with death has been discretely narrowed into a brief process of formal commemoration and burial but in Shakespeare s time it was ritualized into the very fabric of everyday life where the reminders of death the journey to the grave and the moment of expiry were all central to the cultural engagement with mortality in post Reformation England Inevitably this way of seeing the world impacted the writing of Shakespeare and his contemporaries not only in relation to the intellectual content of the
