Fatal Vision Joe McGinniss, 2025-02-11 The electrifying true crime story of Dr Jeffrey MacDonald the handsome Princeton educated physician convicted of savagely slaying his young pregnant wife and two small children murders he vehemently denies committing Chilling A haunting resurrection of Crime and Punishment Time Bestselling author Joe McGinniss chronicles every aspect of this horrifying and intricate crime and probes the life and psyche of the magnetic all American Jeffrey MacDonald a golden boy who seemed destined to have it all The result is a penetration to the heart of darkness that enshrouded one of the most complex criminal cases ever to capture the attention of the American public It is a haunting stunningly suspenseful work that no reader will be able to forget Includes a Special Epilogue by the author OVER ONE MILLION COPIES SOLD

Innocent Victims Scott Whisnant, 2017-02-21 The riveting true account of a grisly crime and the unprecedented three murder trials faced by Fort Bragg soldier Tim Hennis On Mother's Day 1985 the bodies of Kathryn Eastburn and her two young daughters were found in their Fayetteville North Carolina home Katie an air force captain's wife had been raped and stabbed to death Kara and Erin's throats had been slit Their toddler sister Jana was the only survivor of a bloody killing spree that terrified a community still reeling from the conviction six years prior of Dr Jeffrey MacDonald for the savage slayings of his pregnant wife and two daughters The Cumberland County Sheriff's Department soon focused its investigation on US Army soldier Tim Hennis Detectives and local prosecutors built their case on circumstantial evidence and a jury convicted Hennis and sentenced him to death But his defense team refused to give up Piece by piece they discredited the state's case exposing false testimony concealed evidence and prosecutorial misconduct At a second trial Hennis was found not guilty and released from death row

But an even more stunning turn of events was yet to come Twenty five years after the murders the North Carolina State Bureau of Investigation tested a crucial piece of DNA evidence from the crime scene The shocking results led to an unprecedented third trial to determine Tim Hennis s guilt or innocence From the initial discovery of the horrifying scene at 367 Summer Hill Road to the controversial change of jurisdiction that allowed Hennis to be prosecuted for an astonishing third time author Scott Whisnant chronicles every development in this intricate disturbing and still evolving case Has the mystery of who killed Katie Kara and Erin Eastburn been solved beyond a reasonable doubt Read Innocent Victims and decide for yourself Vanity Fair ,2005 **New York Magazine** ,1984-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Blood Will Tell** Joseph Bosco,1993 In the early morning of February 24 1984 Janet Cannon Myers a beautiful young mother poet and dancer was found dead lying amid an explosion on her living room floor There were only two men in the whole world who could possibly have committed the deed her husband Kerry and one of his closest friends Bill Fontanille The media blitz immediately after the murder featured stories of a badly injured grieving husband an all night fight and hostage situation as he vainly tried to protect his family his desperate call to the police and charges against Bill Fontanille the scorned lover for attacking Kerry Myers almost killing his two and a half year old son and bludgeoning to death Kerry s wife But upon close examination of Kerry s and Bill s statements to the police the prosecutor s office found a troubling coincidence Their accounts of what happened were virtual mirror images the stories all but identical except that each accused the other of attacking him with either a knife or a bat immediately upon entry into the Myers house that late Thursday afternoon Each man vowed his innocence in fact each man said he hadn t even seen Janet during that long evening much less her corpse After four grand juries and three trials over seven years both men were sent to prison yet no one including the judge and jury who convicted them and the district attorney s office that prosecuted them has been able to determine who did what to whom and why Perhaps until now that is Through hundreds of interviews exhaustive research in thousands of pages of documents and exclusive access to both Kerry Myers and Bill Fontanille Joe Bosco has done what the media the courts and all the family members and friends of the victim and the suspects have never been able to do break open the sordid vault that holds so many of even the best family s secrets and lay bare all that is necessary for you to understand and then render your verdict upon what actually happened that horrific night Blood Will Tell is the story of a quiet New Orleans suburb whose deceptive calm is shattered by unimaginable savagery a world where seemingly perfect marriages cover up histories of constant abuse where close friendships are betrayed for sex where loyalty and love are forgotten in the grip of ambition and greed Bosco sketches indelible portraits of the victim and the accused

exposing passions and flaws that made this tragedy inevitable Blood Will Tell is also a riveting legal thriller a page turning succession of back and forth accusations of judgments and reversals of court opinions For ten years this extraordinary case has gripped New Orleans Hollywood and the national media With the shattering revelations in this book it is certain to endure as a legal phenomenon and a landmark in the U S criminal justice system for decades to come **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved **New York Magazine** ,1989-03-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **TV Guide** ,2002-04
