and black widows cannibals and copycats this is an indispensable spine tingling eye popping investigation into the dark hearts and mad minds of that twisted breed of human whose crimes are the most frightening and fascinating

The Meanest Man in America the Life and Crimes of Serial Killer Donald Henry Gaskins Charlie Lark, 2017-05-09 The Meanest Man In America The Life and Crimes of Serial Killer Donald Henry Gaskins A True Story of Rape Cannibalism and Murder This is a true crime short meant to be read in one sitting It is plausible that Donald Henry Gaskins was born a psychopath it may also be said that his life experiences helped turn him into a sociopath The meanest man in America earned the title of the most prolific serial killer in South Carolina s history Although it was never confirmed Gaskins claimed to have murdered over 100 people with some reports as high as 181 He tortured killed and occasionally ate his victims until his final arrest in 1975 yes he had been arrested numerous times Gaskins was ultimately executed not for his many many murders outside prison but for killing a prisoner on death row while Gaskins himself was serving consecutive life sentences In his autobiography Final Truth The Autobiography of a Serial Killer which currently has less than 25 copies available on Amazon and none for less than 100 Gaskins said I have walked the same path as God by taking lives and making others afraid I became God s equal Whether you believe his side of the story or not the tale of Donald Henry Gaskins is one that should not be forgotten

Hunting Serial Killers Colin Wilson, 2023-02-07 A Fascinating Look into the Psychology of Serial Killers and the Men Who Hunt Them Down Colin Wilson opens this illuminating psychological discussion with the development of the 1977 Behavioral Science Unit at the FBI which was set up in order to answer the many questions surrounding serial killers How does someone become a serial killer How do they choose their victims Why do they not feel remorse How are they caught Wilson interviews FBI Special Agent Robert Ressler coiner of the term serial killer and one of the pioneers of criminal profiling as well as Ted Bundy and Charles Manson in order to figure out the motives behind their grisly actions In Hunting Serial Killers by tracking the BSU s development of psychological profiling and genetic fingerprinting Wilson reveals the forensic investigations that caused the seizure and arrest of some of the most vile and villainous people in the world including Jeffrey Dahmer William Heirens Peter Sutcliffe John Duffy Jerry Brudos Wayne Williams and many more As he divulges the details of each case the murderers fantasy worlds sadistic motives and monstrous psychological tendencies emerge For anyone who wants to understand the motives investigations and eventual arrests behind fifty serial killing sprees Hunting Serial Killers will not disappoint

Extreme Killers Michael Newton, 2021-07-13 For fans of true crime this fourth entry in the Profiles in Crime series presents history s most elite serial killers master murderers who stretched the psychic envelope and racked up the largest number of victims Historical in scope and international in breadth this collection of true crime stories chronicles 15 of the most infamous extreme killers who ever lived those with the largest number of confirmed kills in many cases more than 50 The subjects range from 15th century French child killer Gilles de Rais purportedly the model for the folk legend of Bluebeard to Henry Lee Lucas and Otis Toole who inspired the film Henry Portrait of a Serial

Killer to Samuel Little America's most prolific serial killer with 60 confirmed and 93 claimed murdered to Mikhail Popkov dubbed The Werewolf by Russian media for having slain more than 70 women between 1992 and 2010 Inside the Minds of Serial Killers Katherine Ramsland, 2006-08-30 There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad spectrum of serial killers and their complex psychological dynamics Ramsland looks at the variety of serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad spectrum of serial killers and their complex psychological dynamics Ramsland looks at serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers This book examines a variety of serial killers from sexual predators to psychotic killers from murder teams to odd eccentric stalkers in order to present the distinct psychological dynamics that set serial killers apart from other violent murderers Among the motives addressed are lust control glory profit thrill delusions rage the desire for company the need to please a partner and even murder as an intellectual exercise Serial killers live double lives hiding their violence even from those who live with them so along with a study of motives are chapters devoted to how close associates have described killers including parents siblings co workers lovers and survivors There is no profile of a serial killer and this book establishes that in vivid and frightening detail *Crimes of the Centuries* Steven Chermak Ph.D., Frankie Y. Bailey, 2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the

United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson The Social History of Crime and Punishment in America Wilbur R. Miller,2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice **The Paths I Chose** F. Clayton Cobb,2018-10-22 The Paths I Chose is a story that begins as a prison journal that quickly morphs into a tale of a young black man whose life is shaped by experiences of his life It all begins in South Florida and unfolds in the outlying suburban streets of downtown Atlanta from the formative post era civil rights years of his life He encounters racism and inequality as an adolescence in schools and the military Things don t get better in life after transitioning back to civilian life and really trying to be the person he is expected to be He also talks about the inhumane conditions and treatment of prisoners by guards and how prisons have been turned into industrial complexes that profit off inmates by leasing them out as laborers This book contains stories about the rise or epidemic of drug use and sales in the city that he calls home along with introductions to people who affect his It also contains a decade by decade historical timeline from the 60s to the 2000s complete with rumors conspiracy theories and interesting looks at history as it unfolds *The Evil 100* Martin Gilman Wolcott,2004 Who was the evilest of the evil the baddest of the bad For armies of armchair thrill seekers and shudder hounds everywhere The Evil 100 presents a cold heartless ranking of the world s 100 most malevolent people past and present Including well known figures from Stalin to Jack the Ripper to Bin Laden obscure characters like King Astyges who punished a servant by feeding the man his own son and evil organisations such as the Klu Klux Klan This makes for more than a simple catalogue of atrocities it is a serious examination of the darker side to human nature **The Human Predator** Katherine Ramsland,2013-02-05 When we think of serial killing we tend to think of it as a perversion of contemporary society The

Human Predator makes an eye opening case for the existence of serial killers throughout time the motives and methods the societies that spawned them and the historical periods in which they lived and killed From Ancient Rome and the Dark Ages to the open roads of America from the exploits of French religious zealot Gilles de Rais to such high profile monsters as Jeffrey Dahmer and Aileen Wuornos Katherine Ramsland offers a complete chronological record of the serial killer phenomenon and the parallel development of psychology forensic science and FBI profiling in the serial killer s evolving manifestation throughout human history INCLUDES PHOTOGRAPHS
