**The Gospel & Pornography** Russell D. Moore, Andrew T. Walker, 2017-04-01 The problem isn't sex God designed sex and sex is good Sex is a powerful union that brings men and women together But when sex is distorted by sin the misuse of our sexuality can alienate us from one another causing immense harm and pain Enter pornography the most prevalent distortion of sexual sin in America Pornography is not only a problem in terms of personal morality but a social epidemic that is making the possibility of sexually fulfilled marriages harder to achieve It is rewiring our brains to think about sexuality in destructive ways We have a very serious problem and it's not isolated to any one segment of culture So what now Editors Russell Moore and Andrew T Walker of the Ethics and Religious Liberty Commission ERLC assemble leading voices to frame the issue with a gospel centered perspective The Gospel for Life series gives every believer a biblically saturated understanding of the most urgent issues facing our culture today because the gospel is for all of life **Finally Free** Heath Lambert, 2013-08-06 Eight gospel centered strategies for overcoming the lure of pornography and finally breaking free This book is not about pornography You won't find graphic depictions about the porn industry the catastrophic effects it has on individuals and relationships or how to think differently about porn If you're reading this book you probably have some understanding of those things already the last thing you need is to be subjected to that kind of detail again Finally Free is about hope It's about discovering the freeing power available to those who trust in Jesus Christ who can will and does set people free from the power of pornography Dr Heath Lambert a leader in the biblical counseling movement has organized this book around eight clear and practical tactics you can wield to make it easier to flee lust and temptation and shelter in the protection of God's grace Each chapter Clearly demonstrates how the gospel applies to the fight against sexual temptation Lays out relevant methods for leaning on Christ's strength both in advance of and in moments of temptation Explains how Jesus can move readers from a life of struggle to a life of purity If you've struggled personally against the powerful draw of pornography or if you've ever tried to help someone fighting this battle you know how hard it is to break its bonds But there is good news no matter how intense or long standing the struggle Jesus Christ has the power to free people from the enslaving power of pornography The Gospel has a power that works practically in the lives of those who seek to imitate Christ and you can learn how to live into that power **Hiding in the Hallway** Jeanne Harrison, 2017-09-26 Written specifically to missionary teens Hiding in the Hallways offers MKs a biblical context for their faith in light of their unique circumstances challenges and opportunities Filled with personal anecdotes former MK Jeanne Harrison champions gospel relevancy and the need for MKs to continue to filter their lives through a biblical worldview Covering seven main areas relevant to the missionary teen life both on and off the missions field this book also includes a chapter for parents to help foster discussion with their teens **Help! My Kids Are Viewing Pornography** Tim Challies, 2017-02-08 Living in a world gone wrong children and teenagers are deeply at risk from the lure of pornography Here is biblical and practical counsel to

help us live wisely This mini book addresses the matter in spiritual terms and explores its dangers guiding parents and mentors with biblical principles and practical policies which they may use to wisely and effectively shepherd the hearts of children who are at great risk in our increasingly immoral society

**A Theology of Biblical Counseling** Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today Since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the Word just like preaching or missions As a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology For over four decades biblical theology has been at the core of the biblical counseling movement Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling A Theology of Biblical Counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes In each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees
