Pranked Straight Eric Hertz, Ex con ruins racist gang He pranks the hell out of them Comic yet touching This is subtle literary fiction Members of an all white prison gang threaten Patrick a white ex con who deals meth in San Diego and who likes all races Patrick quits crime and befriends the police Then he and a con artist legally prank and harass the racists When a law abiding Asian American woman informs Patrick that he got her pregnant he immediately marries her Asians now in his family Patrick destroys the racist gang pranking them with a vengeance until they get hurt go straight or get arrested Review Watch out Eric Hertz is a master of satire *Pranked Straight* is a scathing lampoon and Eric's wit is extra dry so bitterly dry you might not notice it But the story is rolling fluid and exciting This is an interracial adventure It's like George Orwell meets Joseph Wambaugh with a dash of Harper Lee But this story is written in a modern style set in San Diego I especially admire the endearing way Mr Hertz portrays Mexican gangsters in this novel Juan Neptune Mexico City Literary Club

Travel Writing from Black Australia Robert Clarke, 2015-11-19 Over the past thirty years the Australian travel experience has been Aboriginized Aboriginality has been appropriated to furnish the Australian nation with a unique and identifiable tourist brand This is deeply ironic given the realities of life for many Aboriginal people in Australian society On the one hand Aboriginality in the form of artworks literature performances landscapes sport and famous individuals is celebrated for the way it blends exoticism mysticism multiculturalism nationalism and reconciliation On the other hand in the media cinema and travel writing Aboriginality in the form of the lived experiences of Aboriginal people has been exploited in the service of moral panic patronized in the name of white benevolence or simply ignored For many travel writers this irony the clash between different regimes of valuing Aboriginality is one of the great challenges to travelling in Australia Travel Writing from Black Australia examines the ambivalence of contemporary travelers engagements with Aboriginality Concentrating on a period marked by the rise of discourses on Aboriginality championing indigenous empowerment self determination and reconciliation the author analyses how travel to Black Australia has become for many travelers a means of discovering new and potentially transformative styles of interracial engagement
