## **Consumption And Identity Russian Theatre Archive:**

**Consumer Culture, Branding and Identity in the New Russia** Graham Roberts, 2016-04-14 As shopping has been transformed from a chore into a major source of hedonistic pleasure a specifically Russian consumer culture has begun to emerge that is unlike any other This book examines the many different facets of consumption in today's Russia including retailing advertising and social networking Throughout emphasis is placed on the inherently visual not to say spectacular nature both of consumption generally and of Russian consumer culture in particular Particular attention is paid to the ways in which brands both Russian and foreign construct categories of identity in order to claim legitimacy for themselves What emerges is a fascinating picture of how consumer culture is being reinvented in Russia today in a society which has one nostalgic eye turned towards the past and the other utopian eye set firmly on the future Borrowing concepts from both marketing and cultural studies the approach throughout is interdisciplinary and will be of considerable interest to researchers students and practitioners wishing to gain invaluable insights into one of the most lucrative and exciting of today's emerging markets

**Nationalisms Today** Tomasz Kamusella, Krzysztof Jaskułowski, 2009 After the end of communism and the breakups of the studiously anational polities of the Soviet Union and Yugoslavia into successor nation states nationalism and ethnicity returned to the fore of international politics Earlier these forces had been relegated to the back burner of history when the Cold War struggle unfolded But even then the process of decolonization had been none other but the gradual globalization of the nation and nation state as the most legitimate forms of modern day peoplehood and statehood At present nationalism is the sole uncontested global ideology of statehood legitimization The ethnic variety of this ideology also forms the basis upon which stateless groups reinvent themselves as nations in order to be able to lay claim to territorial autonomy or separate statehood This volume inaugurates a new Peter Lang book series Nationalisms across the Globe devoted to these burning issues which shall influence the near future of the world From a geographical perspective this collection focuses mainly on Central and Eastern Europe and also Southern Africa Significantly it also proposes novel theoretical approaches to the phenomena of nationalism and ethnicity
