Planning, Design, Implementation, Maintenance

Third edition

Publicis

The background of the book cover is a photograph of a high-speed train, likely a TGV, traveling on a track. The train is white with a red stripe and is moving towards the right. Above the train, there is a complex system of overhead power lines and contact wires, supported by poles. The train is emerging from a tunnel on the left side of the image. The sky is overcast and grey. The overall scene is a typical representation of modern electric railways.
