Contemporary Tourist Behaviour David Bowen, 2009 **Tourist Behaviour and the Contemporary World** Philip L. Pearce, 2011-10-06 This volume seeks to review and stimulate interest in a number of emerging and fresh topics in contemporary tourist behaviour and experience Topics explored include the effects of newer technologies on tourists behaviour and experience tourists experience of scams safety and personal responsibility individual perspectives on sustainability and some dimensions of tourists personal growth relationships and altruism The topics are bound together by an integrative approach to conceptualising experience which is seen as an ensemble of orchestrated sensory inputs affective reactions cognitive mechanisms used to think about and understand the setting actions undertaken and the relevant relationships which define the participants world A special emphasis is placed on tourists stories as a pathway to access the nature of tourists experience Potential research directions in the field are indicated throughout

Contemporary Tourist Experience Richard Sharpley, Philip Stone, 2017-05-25 This significant and timely volume aims to provide a focused analysis into tourist experiences that reflect their ever increasing diversity and complexity and their significance and meaning to tourists themselves Written by leading international scholars it offers new insight into emergent behaviours motivations and sought meanings on the part of tourists based on five contemporary themes determined by current research activity in tourism experience conceptualization of tourist experience dark tourism experiences the relationship between motivation and the contemporary tourist experience the manner in which tourist experience can be influenced and enhanced by place and how managers and suppliers can make a significant contribution to the tourist experience The book critically explores these experiences from multidisciplinary perspectives and includes case studies from wide range of geographical regions By analyzing these contemporary tourist experiences the book will provide further understanding of the consumption of tourism

Tourist Behaviour Philip L. Pearce, 2005-01-01 Tourism is an inherently social phenomenon Tourists travel with others and experience places and cultures through interacting with both familiar and unfamiliar others This volume presents a thorough tour of the social psychological processes which underpin contemporary travel The fascinating phenomenon of tourist behaviour deals with topics such as motivation destination choice travellers on site experiences satisfaction and learning This book uses an array of developing and recently constructed conceptual frameworks to both synthesise what is

established and to create new insights and directions for further analysis and ultimately management action

Tourist Behaviour Metin Kozak, Nazmi Kozak, 2016-11-18 Consumer research is often central to academic studies in many different fields and more recently tourism studies have empirically examined consumer research from various aspects. However, there is a need to provide information for tourism scholars on how to better understand aspects of tourist behaviour. **Tourist Behaviour: An International Perspective** provides a collection of topics from both theoretical and practical approaches to building and examining the theory of how consumers think and act within the context of tourism consumption. Divided into six sections, the book presents research within the themes of influence, motivation, choice, and consumption and experience. With contributions from authors in over 15 countries, the book presents an interdisciplinary approach of the latest research in tourist behaviour.

Aspects of Tourist Behavior Metin Kozak, Nazmi Kozak, 2013 **Tourist Behaviour** Philip L. Pearce, 2021 **Tourist Behaviour: The Essential Companion** edited by Philip L. Pearce is an indispensable resource for courses on consumer behaviour in tourism and for all serious scholars in the field. The structure of the book is unique in following the entire consumer journey from dreaming and longing to returning home. Pearce, the preeminent scholar and author on tourist behaviour, has produced another brilliant work together with an impressive list of contributing authors. Alastair Morrison, Purdue University, US. Comprehensive and accessible, this Companion offers a thorough investigation into both traditional and fresh topics in tourist behaviour and experience. Arranged chronologically, the chapters examine tourist experience from the very idea of a tourist visit to the aftermath of returning home. With contributions from leading experts and emerging scholars across the globe, this Companion establishes the importance of studying tourist behaviour. Innovative topics including packing and preparation, dreaming and longing for trips, and memory are explored in detail. The book incorporates a selection of illustrative key case studies to ensure that it is highly accessible and readable to a range of audiences while ensuring academic rigour. It examines both positive and negative impacts of the tourist experience on tourists themselves and the communities and environments they visit. The concluding chapter includes a vision for how tourism and sustainable development goals can be integrated to maximise the benefits of tourist behaviour and experience. Students and researchers of tourism and sustainability will greatly benefit from the research directions and suggestions indicated in each chapter of the book. This timely Companion will also prove to be a valuable resource for stakeholders looking to improve and expand upon the tourist experience.
