Apocalypse of John Amy-Jill Levine, 2010-05-05 The thirteenth volume in this landmark series examines the Revelation of John

through the categories of post colonial thought deconstruction ethics Roman social discourse masculinization virginity and violence The reach of this volume therefore goes beyond that of most feminist studies of Revelation which frequently focus on the female imagery the Thyatiran prophet called Jezebel the Woman Clothed with the Sun the Whore of Babylon and the Bride the Heavenly Jerusalem The symbols of Revelation remain open and interpretations continue Some readers will refuse to rejoice at the dismemberment of the Woman who is Babylon they will resist the masochistic infantile self abasement before this imperial Deity who rules by patriarchal domination Others will conclude that these descriptions are only metaphors separate form from substance and worship the transcendent to which the metaphors imperfectly point Some readers will understand if not fully condone John s rhetoric by seeking his political and social location others will condone if not fully understand how the Apocalypse can provide comfort to those undergoing persecution or deprivation Some readers may reject the coercive aspects of a choice between spending eternity in praise of the divine or being tortured with fire and sulfur others may rejoice in their own salvation while believing that those being tortured deserve every pain inflicting upon them still others may use mimicry or parody or anachronistic analogy to challenge defang or replace John s message What we find behind the veil may be beautiful or terrifying or both but we cannot avert our eyes John s vision is too influential today in our own political climate not to look for ourselves The Feminist Companion to the Apocalypse of John includes contributions by David L Barr Mary Ann Beavis Greg Carey Adela Yarbro Collins Lynn R Huber Catherine Keller John Marshall Stephen Moore Jorunn kland Hanna Stenström Pamela Thimmes and Carolyn Vander Stichele There is an introduction by Amy Jill Levine and a comprehensive bibliography
