BOOK JACKET Quality-of-Life Community Indicators for Parks, Recreation and Tourism Management Megha Budruk, Rhonda Phillips, 2010-11-25 While community quality of life indicators are gaining much needed attention in both scholarly work and practice their application in the areas of parks recreation and tourism management are not as well known The applicability of indicator systems for natural resource and natural resource area management within the parks and recreation arena is very high including urban parks and recreation programs and their influence on quality of life Tourism is also an area that needs much more work in terms of assessing impacts as well as developing indicators for gauging progress in the long term All three areas are an integrated discipline and most programs throughout the developed world are housed jointly There are several researchers across the globe who are conducting innovative work in these areas The editors feel that a volume on the topic will spur additional interests as well as serve to lead the research efforts

**Black Recreation** Jearold Winston Holland, 2002 While the black experience in America has been told in many ways it has seldom if ever been substantially addressed from the play recreation and leisure perspective That is the primary intent of *Black Recreation A Historical Perspective* One might ask why is the

recreation and leisure paradigm a useful means of exploring the black experience Leisure and recreation activities are an important measure of quality of life among other factors such as happiness wealth and health We can gain a significant understanding of the black experience through historical analysis of black involvement and participation in play recreation and leisure in America Historical interpretation accurately presented can help give individuals a better sense of identity of who they are and how far they have come Both minority and majority readers will benefit from broad based analysis of the recreational activities and effects they had on American culture as a whole A Burnham Publishers book *Race, Ethnicity, and Leisure* Monika Stodolska, Kimberly J. Shinew, Myron F. Floyd, Gordon Walker, 2013-09-04 Race and ethnicity have a significant impact on leisure behavior and activity choices Yet until now no book has thoroughly explored that impact though this topic is critical for leisure professionals to understand as they shape services and programs to meet the needs of the diverse populations they serve *Race Ethnicity and Leisure Perspectives on Research Theory and Practice* brings together 28 world renowned researchers who provide a comprehensive review and unified perspective on leisure in relation to five minority populations in the United States and Canada African Americans Latino Americans Asian North Americans Indigenous peoples and religious minority groups This text offers a compendium of knowledge as it synthesizes leisure research on race and ethnicity and discusses how changing demographics will affect leisure behaviors and activities in the 21st century explains the leisure behaviors and participation patterns of racial and ethnic minority groups in the United States and Canada explores issues including natural resource recreation physical activity and health tourism and sport as they relate to recreation activities among minorities and presents an international perspective delving into the leisure behaviors of minority groups in Europe Australia New Zealand and East Asia *Race Ethnicity and Leisure* examines the current theories and practices related to minority leisure and reviews numerous issues related to these diverse groups leisure including needs and motivations constraints and discrimination The authors consider leisure behavior of ethnic and racial groups investigating issues such as types of recreation participation among specific groups recreation in specific environments and factors affecting participation The book also suggests future directions in research and professional practice guiding students and professionals in addressing the demographic changes in the U S and Canadian populations The result is an unprecedented text that offers an extensive look at the changing landscape of recreation leisure pursuits our world and the populations that are driving these changes As such *Race Ethnicity and Leisure* is an essential text for those preparing to enter the recreation and leisure field **Leisure, Sport and Tourism, Politics, Policy and Planning, 4th Edition** A J Veal, 2017-05-05 The gap between theory and practice in the leisure sport and tourism studies areas seems to have widened as scholars have become more specialized Nevertheless it is imperative that students be as familiar as possible with a wide range of social and political theory and also be able to reconcile that knowledge with their own current and future roles as practicing professionals As well as extensive updating of sources this new edition examines such topics as

libertarianism theocracy anti establishment politics and the concept of generations A new chapter presents discussions of a number of issues and challenges facing the leisure sport and tourism sector Introducing the subject for undergraduate and postgraduate students of leisure sport and tourism this book is also a useful addition to the shelf of any policy maker or practitioner within the industries     **Leisure** Christopher R. Edginton, Roger L. Coles, Michelle L. McClelland, 2003     A Study of Changes in Patterns of Travel Behavior Over Time Chang Huh, 2006     Routledge Library Editions: Leisure Studies Various, 2021-07-14 This set of 12 volumes originally published between 1938 and 2001 amalgamates a wide breadth of research on Leisure Studies including works on young people and leisure the family and political influence on the leisure industry This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of sociology and leisure studies

**Pastimes** Ruth Russell, 1999-12-01 Pastimes is an introductory text It gathers together the state of the art in leisure science and practice reflecting as well a wide range of literature from the disciplines of sociology psychology economics political science and anthropology More than a text that teaches the foundational meanings and roles of leisure however Pastimes is also a point of view This text presents leisure as a human phenomenon that is both individual and collective vital to survival and frivolous historical and contemporary good and bad There are three main parts Part one blends philosophy religious studies and the humanities in considering leisure as a condition of being human Not only do chapters 1 through 4 establish the basic definitions and parameters for studying leisure they ask readers to consider these concepts from their own personal framework Part two is a focus on leisure s role in creating and reflecting society Chapters 5 through 8 build on the personal relevancy of leisure discussed in part one and teach about leisure s contemporary cultural significance These chapters rely on anthropology sociology and psychology concepts Leisure s personal and cultural vitality are brought to a pragmatic conclusion in part three leisure s use as a social instrument Material from recreation and park studies is featured in Chapters 9 through 12     Therapeutic Recreation Leadership and Programming Robin Ann Kunstler, Frances Stavola Daly, 2010 Therapeutic Recreation Leadership and Programming arms students with the information they need to succeed as therapeutic recreation specialists They ll learn the practical aspects of the profession and develop a leadership mind set The book focuses on day to day tasks of the TRS and integrates ethical considerations into each aspect of the job     **Leisure and Life Satisfaction** Christopher R. Edginton, 1998
