Context Sensitive Development How International Ngos Operate In Myanmar:

Context-sensitive Development Anthony Ware, 2012 Development is a difficult endeavor in any environment much more so in places such as Myanmar with its perfect storm of extreme poverty international sanctions and political repression and human rights violations with concomitant conflicts within development organizations over norms and policies This book examines how to effect successful development interventions in Myanmar The author points out how practitioners have questioned universal economic prescriptions for development in ways that they have not questioned the normative foundations behind their work Ware does not argue for a facile moral relativism he sees Myanmar as an egregious violator of human rights but he does call for context sensitivity to help organizations adapt their values to meet better the needs of client populations Through fieldwork and an extensive series of interviews Ware brings into focus key issues of perception and practice that are intrinsic to the development enterprise Supplied by publisher **Development in Difficult**

Sociopolitical Contexts A. Ware, 2016-04-30 This edited volume explores development in the so called fragile failed and pariah states It examines the literature on both fragile states and their development and offers eleven case studies on countries ranking in the very high alert and very high warning categories in the Fund for Peace Failed States Index

Myanmar's Transition Nick Cheesman, Monique Skidmore, Trevor Wilson, 2012 With the world watching closely Myanmar began a process of political administrative and institutional transition from 30 January 2011 After convening the parliament elected in November 2010 the former military regime transferred power to a new government headed by former Prime Minister and retired general U Thein Sein With parliamentary processes restored in Myanmar s new capital of Naypyitaw Thein Sein s government announced a wide ranging reform agenda and began releasing political prisoners and easing press censorship Pivotal meetings between Thein Sein and Aung San Suu Kyi led to amendment of the Election Law and the National League for Democracy contesting by elections in April 2012 The 2011 Myanmar Burma update conference considered the openings offered by these political changes and media reforms and the potential opportunities for international assistance Obstacles covered include impediments to the rule of law the continuation of human rights abuses the impunity of the Army and the failure to end ethnic insurgency The Culture of Giving in Myanmar Hiroko

Kawanami, 2020-06-11 How can people living in one of the poorest countries in the world be among the most charitable In this book Hiroko Kawanami examines the culture of giving in Myanmar and explores the pivotal role that Buddhist monastic members occupy in creating a platform for civil society Despite having at one time been listed as one of the poorest countries in the world in GNP terms Myanmar has topped a global generosity list for the past four years with more than 90 percent of the population engaged in giving activities This book explores the close relationship that Buddhists share with the monastic community in Myanmar extending observations of this relationship into an understanding of wider Buddhist cultures It then examines how deeply the reciprocal transactions of giving and receiving in society or interdependent living are implicated in

the Buddhist faith The Culture of Giving in Myanmar fills a gap in research on Buddhist offerings in Myanmar and is an important contribution to the growing field of Myanmar studies and anthropology of Buddhism *Peacebuilding, Conflict and Community Development* John Eversley, Sinéad Gormally, Avila Kilmurray, 2022-11-28 How do local communities effectively build peace and reconciliation before during and after open violence This trailblazing book gives practical examples from the Global North the former Soviet bloc and Global South on communities addressing conflict in divided and contested societies The book draws on a range of critical perspectives and practitioner analyses The diverse case studies demonstrate the considerable knowledge skills commitment courage and relationships within local communities that a critical community development approach can support and encourage Concluding with activists perspectives on working with the challenges of violence the book offers insights for both an understanding of the root causes of conflict and for bottom up peacebuilding *The Routledge Handbook of Community Development* Sue Kenny, Brian McGrath, Rhonda Phillips, 2017-10-18 The Routledge Handbook of Community Development explores community development theory and practice across the world The book provides perspectives about community development as an interactive relevant and sometimes contradictory way to address issues impacting the human condition It promotes better understanding of the complexities and challenges in identifying designing implementing and evaluating community development constructs applications and interventions This edited volume discusses how community development is conceptualized as an approach method or profession Themes provide the scope of the book with projects issues or perspectives presented in each of these areas This handbook provides invaluable contextualized insights on the theory and practice of community development around core themes relevant in society Each chapter explores and presents an issue perspectives project or case in the thematic areas with regional and country context included It is a must read for students and researchers working in community development planning and human geography and an essential reference for any professional engaged in community development *Contested Civil Society in Myanmar* Maaike Matelski, 2025-05-20 This book illustrates the ways in which contestations in Myanmar society are reflected in civil society It provides an up to date overview of the main identities and contestations in Myanmar society as a whole The Protection Roles of Human Rights NGOs , 2022-12-30 This book focuses for the first time ever on the protection roles of human rights NGOs since the establishment of the United Nations and the adoption of the Universal Declaration of Human Rights It also looks at how NGOs are responding to future challenges such as artificial Intelligence robots in armed conflicts digital threats and the protection of human rights in outer space Written by leading NGO human rights practitioners from different parts of the world it sheds light on the multiple roles of the leading pillar of the global human rights movement the Non Governmental Organizations This is a rich and wonderful production a great magnum opus that will continue to test the scrutiny of all times Professor Theo van Boven Professor Emeritus Law University of Maastricht The Netherlands *Development Across Faith Boundaries* Anthony Ware, Matthew

Clarke,2016-11-03 Faith based organisations FBOs have long been recognised as having an advantage in delivering programs and interventions amongst communities of the same faith However many FBOs today work across a variety of contexts including with local partners and communities of different faiths Likewise secular NGOs and donors are increasingly partnering with faith based organisations to work in highly religious communities Development Across Faith Boundaries explores the dynamics of activities by local or international FBOs that cross faith boundaries whether with their partners donors or recipient communities The book investigates the dynamics of cross faith partnerships in a range of development contexts from India Cambodia and Myanmar to Melanesia Bosnia Ethiopia and Afghanistan The book demonstrates how far FBOs extend their activities beyond their own faith communities and how far NGOs partner with religious actors It also considers the impacts of these cross faith partnerships including their work on conflict and sectarian or ethnic tension in the relevant communities This book is an invaluable guide for graduates researchers and students with an interest in development and religious studies as well as practitioners within the aid sector

The Politics of Federalization in Myanmar Dulyapak Preecharush,2023-02-24 This book examines the trajectory of federalization in Myanmar s political development evaluating the attitudes of different political actors toward and negotiation strategies for designing federalism It argues that three factors drive federalization in Myanmar namely constitutionalization conflict management and democratization The confluence of these forces arrived at a critical juncture in 2011 the start of Myanmar s political transition leading to significant changes in Myanmar s federation process By analyzing the changes and continuities in federalism building the book charts the dynamic pathway toward Myanmar s current federalization revealing how periods of progress and stagnation reflect varying world views and the individual strategies of prominent political actors Offering a systematic conceptual framework on federalism in Myanmar this will be a useful resource for students and scholars of Political Science Comparative Politics and Southeast Asian Politics

Territorial Separatism in Global Politics Damien Kingsbury,Costas Laoutides,2015-03-05 This volume examines the various aspects of territorial separatism focusing on how and why separatist movements arise Featuring essays by leading scholars from different disciplinary perspectives the book aims to situate the question of separatism within the broader socio political context of the international system arguing that a set of historical events as well as local regional and global dynamics have converged to provide the catalysts that often trigger separatist conflicts In addition the book marks progress towards a new conceptual framework for the study of territorial separatism by linking the survival of communities in international politics with the effective control of territory and the consequent creation of new polities Separatist conflicts challenge conventional wisdom concerning conflict resolution within the context of international relations by unpacking a number of questions with regard to conflict transformation Through the use of case studies including Cyprus the Rakhine state in Myanmar the Shia separatism in Iraq the Uighurs in China and the case of East Timor the volume addresses key issues including the role of democracy international law

intervention post conflict peacebuilding and the creation of new political entities The book will be of much interest to students of Intra State Conflict Conflict Resolution International Law Security Studies and International Relations

Consciousness-Raising Nilan Yu, 2018-06-27 Almost everywhere across the world economic inequality has been rising within and across national borders The vision of a fairer world embodied in the Universal Declaration of Human Rights is being assailed by the advance of conservative ideology aided by vitriolic right wing populism sweeping across the globe Neoliberal ideology has had a profound impact in the shaping social work and human services at the frontlines This book contributes to scholarship in critical practice and theory It does so by exploring a practice approach steeped in the critical tradition that has hitherto received inordinately nominal attention in social work literature The book features accounts of consciousness raising in a variety of contexts caste relations race and religion gender and sexuality disability and social class The narratives are meant to tease out conceptions and potential applications of consciousness raising as an approach for

critical practice It will be of interest to practitioners educators and students of social work community development social development and social pedagogy as well as those engaged in the promotion of human rights and social justice The Everyday Political Economy of Southeast Asia Juanita Elias,Lena Rethel,2016-08-18 This book explores the way that forms of economic policymaking are sustained and challenged by everyday practices across Southeast Asia *Historical Dictionary of Burma (Myanmar)* Donald M. Seekins,2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma s president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country s pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people s security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country s religious minorities especially Muslims Today Burma s prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma s over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through achronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture **Rule of Law Intermediaries** Kristina Simion,2021-05-06 Scholars puzzle over the conditions that make rule of law development in authoritarian settings successful In this significant contribution focusing on the decade of Myanmar s political transformation Kristina Simion explores rule of law assistance through the practice and experience of intermediaries their capital strategies and challenges How do intermediaries influence the field and the ways in which the rule of law is brokered transnationally And why do they matter Simion relates her research to law and sociology to bring to light these neglected players focusing on who they are the influence they have their double agency and their crucial importance in establishing trust and translating rule of law Relying on rich empirical data collected in Myanmar the book shares the voices of the individuals that help to steer societal change within authoritarian confines This socio legal work offers some insights into why rule of law change in authoritarian settings often does not go expected ways one of the development field s long unresolved issues Elgar Encyclopedia of Development Matthew Clarke,Xinyu (Andy) Zhao,2023-10-06 The Elgar Encyclopedia of Development is a ground breaking

resource that provides a starting point for those wishing to grasp how and why development occurs while also providing further expansion appropriate for more experienced academics

Conflict Sensitivity in Development, Humanitarian & Peacebuilding Practice Susanne Schmeidl, Anthony Ware, Claudio Alberti, 2025-03-28 Inspired by Mary Anderson's influential work *Do No Harm* 1999 this book encourages critical reflection on the development and contemporary relevance of conflict sensitivity approaches in international development humanitarian action and peacebuilding Despite the widespread acceptance of conflict sensitivity particularly in the context of worsening crises there has been a surprising lack of critical discussion and evaluation of the framework and its application This book fills this gap by bringing together a diverse collection of articles practice notes and reflections from academics and practitioners in the field of conflict sensitivity It provides a comprehensive platform for valuable debate highlighting strengths areas for improvement and practical guidance for real world application based on 25 years of conflict sensitivity do no harm practice and innovation By integrating insights from practitioners the book aims to bridge the gap between theory and practice Advocating the systematic integration of conflict sensitivity into humanitarian development and peacebuilding efforts the book offers practical guidance for implementation and adaptation in different contexts and programmes As a valuable resource it deepens understanding and promotes accountability to the populations that humanitarian development and peacebuilding actors seek to support including actors advancing conflict sensitivity in their own contexts It serves as a springboard for further academic research on conflict sensitivity This book was originally published as a special issue of *Development in Practice*
