Contrasts + Contradictions

Contrasts + Contradictions— A noticeable difference between what we would expect and what we observe a character doing in a story; behavior that contradicts previous behavior, habits, or self patterns.

Clue— A character behaves or thinks in a way we don't expect, or an element of a setting is something we would not expect.

Literary Elements It Helps Reader Understand

- Character development
- Internal conflict
- Theme
- Relationship between setting and plot

Ask yourself— Why would the character act (feel) this way?

Example— If a friend who normally eats lunch at your table in the cafeteria came in one day and sat down alone at a table in the far corner, what would you think?

You'd probably wonder why he or she was acting that way!

As I read, I'm always on the lookout for a place where the author shows me a character acting in a way that is a **CONTRAST** (different) from what I expect or a **CONTRADICTION** (opposite) of how I would expect the character to act.
