Director S Cut Director S Cut:

The Director's Cut Erik L. Strandness, MD, MATH, 2014-03 Believer and unbeliever alike are subtly evangelized every day of their lives by the ambient glow of God's cinematic masterpiece They sense something grand but are confused by the incoherent cultural edits scattered throughout the film The Good News is that the deleted scenes are not lost but can be found in our shared human experiences and once spliced back together reveal an epic of Biblical proportions The Director's Cut of the Greatest Story Ever Told Dr Erik Strandness takes a unique bottom up approach to apologetics by investigating experiences common to all people and concluding that they can only be adequately understood through a Biblical filter The goal is to empower lay Christians to confidently share their faith in a concrete friendly real world context that effectively engages the day to day realities of their audience Dr Strandness writes in a clear engaging and witty style combining the thoughts of many great Christian thinkers with culturally relevant illustrations in order to make a solid real world case for the Christian worldview Once in a while someone manages to put ageless truth in such a fresh package that it cries out Read on That's the way I felt when reviewing Erik Strandness's book What a pleasure it is to read But it's not just Erik's engaging word images that make it such a great read It's the profound and timely message he is communicating in such an intelligent and winsome way This is a book you will be telling others about Dr Christian Overman Director Worldview Matters

Director's Cut Arthur Japin, 2010-02-09 Based on a true story Arthur Japin's new novel is a tale of consuming love and artistic creation that reimagines the last romance of the legendary filmmaker Federico Fellini In Director's Cut we enter the mind of Snaporaz the lion of Italian cinema as he slips into a coma in his final days Having always drawn inspiration from the world of his dreams he welcomes the chance to take account of his life and in particular his most recent love affair with a beautiful but tempestuous young actress called Gala Here is the story as Snaporaz tells it Lured by the glamour of Rome Gala and her boyfriend Maxim an actor as well are hoping to be discovered when they manage the

impossible entrance to the studio of the great master Despite an age difference of four decades Gala soon becomes Snaporaz's mistress leaving Maxim guardian of her secrets and her fragile health to be an anxious and helpless observer of her physical and spiritual decline As Gala becomes increasingly dependent on Snaporaz's attentions her desperation never to disappoint him leads her down a reckless path to anorexia and prostitution before the one true bond in her life is restored Snaporaz's intoxicatingly baroque Felliniesque account of the affair slyly challenges us again and again to ask what is dream and what is reality and to conclude that the difference is irrelevant when such a genius immerses himself in his most natural element the imagination A dazzling tale from one of Europe's most celebrated writers
