Haggerty,2018-03-29 Friendship in the classical world was celebrated as among the highest human achievements nothing was more likely to lead to the divine than looking for it in the eyes of a friend In exploring the complexities of male male relations beyond the simple labels of sexuality Queer Friendship shows how love between men has a rich and varied history in English literature The friend could offer a reflection of one s own worth and a celebration of a kind of mutuality that was not connected to family or
