Dirty Snowman C W Sparklet:

The Dirty Snowman C. W. Sparklet,2016-01-21 The Dirty Snowman is about a snowman who has no confidence in himself after becoming dirty He also was worried that the boys who made him would not like him anymore As a Pre K teacher I dealt with children that were not liked because of what they wore or what they looked like This behavior continues today in children which is now called Bullying After his walk through the town of Tissmini he is helped to see he is wonderful by a very little snow girl who was friendly and happy We all must be taught and accepted as we are and not by what people want us to be "Peek" the Forgotten Book C. W. Sparklet,2021-07-29 Peek the Forgotten Book is about a book that feels she is no longer needed She now has been replaced by technology She sits and waits on a shelf for a very long time waiting for someone to pick her up again and open her pages She waits for two children that think that a book in their hand means nothing anymore when they have a laptop With a swipe of their finger a book will appear As Peek sits a traveler comes and tells them of his adventures and questions why they are not reading real books anymore The traveler is also the one who has written Peek and has brought them another book which is also peeking out of his pouch Peek the book is once again important as well as many other books Only this time they are used by children again Remember real books don't need electricity to work Pure-bred Dogs, American Kennel Gazette ,1973-05
