

I pick you up and out you on the counter top, I spread our legs and tease you with my hard cock

Until I kiss your body everywhere and spend some time caressing your breasts and neck

I started eating you out very gently

Moving my tongue in different motions and using my fingers to put pressure on your clit

We make out intensely

You get lube and put it in my hard cock as I rub it on your vagina. My hard throbbing cock slide into your wet tight pussy.

We move from wall to counter to floor and over again
