 - It is not the power to discern faults in others
 - It is not faultfinding
 - It is not just the discerning of devils or evil spirits. It has to do with the entire class of spirits.

Discerning Of Spirits:

The Discerning of Spirits Frank Hammond, 2014-11-17 The gift of discerning of spirits is a powerful weapon in the Christian's arsenal. When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church and the gates of hell shall not prevail against her. The weapons God supplies us with are not carnal or fleshly weapons but spiritual ones; they are mighty through God to the pulling down of strongholds. We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom, and faith.

Discerning, Discerning of Spirits. John Joseph Sonia, 2020-12-10 We are living in unprecedented times. If there ever was a time for the body of Christ to discern, it is now. We must be aware of Satan's looming deceptions. How? By using our gift of discerning spirits, we will help rescue all that would fall prey to the great falling away. This on-time book is a divine weapon given by the Holy Spirit to help equip the body of Christ with much-needed discernment. John Joseph Sonia has been uniquely trained in the gift of discerning of spirits. Over 35 years ago, John met a great woman of God, Barb Tollefson. Barb trained John for four years during his time at North Central University. Then came his next mentor, John Sanford; he would further train John, which greatly enhanced the maturity of his gift. While attending Fuller Theological Seminary, came influences like Sam Southard, a professor, and Jack Hayford. John has had some of the best training one could have in a gift of the Holy Spirit. As a result of all the years of training, the Holy Spirit revealed to John that he was to write a book and help the body of Christ understand how to discern the gift of discerning of spirits. John has a B.A. in Biblical Studies from North Central University. To further continue his pursuit of truth, John achieved a M.A. in theology from Fuller Theological Seminary. He is now completing his Ph.D. He currently resides in southern Minnesota.

The Discernment of Spirits Wendy Love Anderson, 2011 Anderson succeeds in neatly fitting together selected pieces of the history of discernment of spirits to provide a valuable, readable description of the contours of its evolution in the late Middle Ages. Debra L. Stoudt, Virginia Polytechnic Institute and State University. *The Medieval Review*. Late medieval Christians lived in a world of visions, but they knew that not all visions came from God; angels, demons, illness, nature, or passion could also inspire an apparent divine visitation. During the thirteenth and fourteenth centuries, the involvement of visionaries in everything from reform movements to military campaigns to papal schisms raised the political and spiritual stakes of determining whether or not a vision was truly from God. In response, a diverse group of medieval thinkers, including men and women, clergy and laity, visionaries and theologians, gradually began to

transform the loose patristic readings of Pauline *discretio spirituum* into a system with the potential to distinguish between true and false visions and between genuine and delusional visionaries Wendy Love Anderson chronicles the historical political and spiritual struggles behind the flowering of late medieval mysticism and what came to be seen as the Christian doctrine of discernment of spirits
