Counting the Cost Art Lindsley, 2017-08-08 If Christians want to accelerate the world's transition out of abject poverty they need to examine the role of capitalism Counting the Cost helps readers begin with the truth of Scripture It then relies on the economic realities that come from our God-given design as the foundation for enabling readers to think critically about capitalism We live in an unprecedented time in human history The number of people living in abject poverty is decreasing at an unprecedented rate Capitalism has played a major role in lifting people out of such poverty yet many raise legitimate concerns Does capitalism hurt the poor Promote materialism Harm the environment Allow the rich to get richer at the expense of everyone else Is capitalism really the best system for organizing societies and the economies that keep them running This edited volume of articles by noted economists and theologians takes an honest and empathetic look at capitalism and its critiques from a biblical perspective

Baldwin, 2010-08 Are you working harder at church these days but enjoying it less Are you wondering why amid so much Christian church activity American life seems to be angrier and more fragmented and stressful Why isn't the Body of Christ more powerful in shaping culture Galen Blom and Bob Baldwin take a fresh approach to these questions in *The Missing Church The Power of Being the Body of Christ in the Family Neighborhood and Workplace* and the answer is profoundly simple the church has little influence on our society because it is missing from the people groups that actually exercise dominion in our culture our families our local neighborhoods our places of work and our schools But how can the church be present in the family and in a suburban neighborhood And isn't it illegal for Christians to be the church at work or at school Blom and Baldwin trace God's plan for human society from Genesis through the New Testament His Word has much to say about what Christians are to be together as Christ's Body within these strategic people groups The good news is God's call is not something additional we have to add to our already busy lives It is simply a call to live in community that adds wholeness and meaning to every part of life Let *The Missing Church* help you see church in a new way **A New Vision, a New Heart, a Renewed Call** David Claydon, 2005 **Is that Really You, God?** Loren Cunningham, Janice Rogers, 2001 In a time before youth were welcomed in short term missions Loren Cunningham founded Youth With A Mission to unlock the world for millions He called young and old women and men and every ethnicity to go Loren Cunningham's dream began with a vision waves of young people from every nation going to every nation telling everyone everywhere about Jesus How did God move Loren's dream from vision to reality and take him to every country on earth Loren and his wife Darlene grew through tough lessons on hearing and obeying the Lord This exciting story of Youth With A Mission shows how hearing God's voice is for every believer Translated into 150 languages *Is That Really You, God?* is a practical guide to hearing God's voice and following His direction to change our hearts and our world In this legacy edition read a special new chapter On to Eternity on the biggest vision I can imagine where Loren unveils his final call to rally this generation to translate the Bible orally into every mother tongue on earth In addition see a special tribute called Grateful Reflections on Loren's life from dear friend and senior YWAM leader David Joel Hamilton from his up close and personal experience serving Loren over the decades *The Church's New Front Door* Daniel Topf, 2024-08-23 *The Church's New Front Door* introduces Christians to the critically important concept of the Fourth Industrial Revolution an era that will be dominated by powerful technologies like artificial intelligence AI and advanced robotics While the Fourth Industrial Revolution is powered by technological developments it has far reaching political socio economic ethical and spiritual implications as well To be missional the church needs to be relevant and in order to be relevant in the twenty first century believers must engage with novel technologies and the impact they are having on areas like work education and healthcare Each chapter includes discussion questions and suggestions for further reading making this book an accessible resource for diverse audiences including church members ministry leaders and students at Christian colleges and seminaries Whether you agree or disagree with the author's description of how our
