of the organization that became Frontier College in 1919 Employing an interdisciplinary approach *Home Feelings* investigates how the reading camp movement used fiction poetry songs newspapers magazines school readers and English as a second language and citizenship manuals to encourage ideas of selfhood that were individual and intimate rather than collective Mason shows that British Canadian settlers desire to define themselves in relation to an expanding non British immigrant population as well as a need for immigrant labour put new pressure on the concept of citizenship in the first decades of the twentieth century Through the Frontier College one of the nation s earliest citizenship education programs emerged drawing on literature s potential to nourish home feelings as a means of engaging socialist and communist print cultures and the non British immigrant communities with which these were associated Shifting the focus away from urban centres and postwar state narratives of citizenship *Home Feelings* tracks the importance of reading projects and conceptions of literacy to the emergence of liberal citizenship in Canada prior to the Second World War Let's Call it What it is: A Matter of Conscience Beryl W. Holtam,2012-12-23 With a new century there has emerged a new age in moral considerations The Arab Spring Facebook and the Occupy Movement all point to an awareness of and concern for the moral character of the individual and the collective The phrase it s the right thing to do echoing throughout news media and one s daily exchanges typically indicates a moral positioning Presented in this book is the argument that now is the time to call it what it is a matter of conscience and to embrace the transformative power of a new vocabulary for moral and character education In a more expansive approach than typically seen this book examines the nature and function of conscience Building upon the foundational work of Thomas Green 1999 the vocabulary of reflexive judgment reflexive emotions normation and voices of conscience are explored as they apply to moral formation with examples and applications provided Specific attention is given to the interrelationship of the collective conscience with democracy Educating for conscience and the notion of the sacred are also examined Written from an educator s perspective this book offers a framework for moral education to both the secular and religious domains **Migrants and the Courts** Geoffrey Care,2016-04-22 Written in a lively and engaging style from the perspective of a leading immigration judge this book examines how states resolve disputes with migrants The chapters reflect on changes in the laws and rules of migration on an international and regional basis and the impact on the parties administration public and judiciary The book is a critical assessment of how the migration tribunal system has evolved over the last century the lessons which have been learnt and those which have not It includes additional comparative contributions by authors on international jurisdictions and is a valuable overview of the evolution and future of the immigration tribunal system which will be of interest to those involved in human rights migration transnational and international law Resources in Education ,1997 *Social Studies Teaching Activities Books* Gary Lare,2006 An annotated listing of activities books for use with social studies curriculums focusing on elementary and middle school grades arranged by curriculum area topic and grade level Includes contact information for publishers and distributors of appropriate

books and an index     Red, White, and Kind of Blue? David Schneiderman, 2015-10-06 Situated between two different constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper's Conservative government has repeatedly shown a tendency to push Canada further into the US constitutional orbit Red White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian constitutional practice and a timely warning about its unexamined consequences     **Seasonal Sociology** Tonya Davidson, Ondine Park, 2020-08-27 Life in Canada is marked celebrated enjoyed and dreaded in ways that respond specifically to the seasons Sociological thinking allows people to ask questions about things that may otherwise be taken for granted Thinking about the seasons sociologically opens up a unique perspective for studying and understanding social life Each chapter in this collection approaches the seasons and the passage of time as a way to explore issues of sociological interest The authors use seasonality as a device that can bridge in fascinating ways small scale interpersonal interactions and large formal institutional structures These contemporary Canadian case studies are wide ranging and include analyses of pumpkin spice lattes policing in schools law and colonialism summer cottages seasonal affective disorder New Year's resolutions Vaisakhi celebrations and more Seasonal Sociology offers provocative new ways of thinking about the nature of our collective lives     *Re-Imagining the First World War* Anna Branach-Kallas, Nelly Strehlau, 2015-09-18 In the Preface to his groundbreaking *The Great War and Modern Memory* 1975 Paul Fussell claimed that the dynamics and iconography of the Great War have proved crucial political rhetorical and artistic determinants on subsequent life Forty years after the publication of Fussell's study the contributors to this volume reconsider whether the myth generated by World War I is still part of the fiber of people's lives in English speaking countries What is the place of the First World War in cultural memory today How have the literary means for remembering the war changed since the war Can anything new be learned from the effort to re imagine the First World War after other bloody conflicts of the 20th century A variety of answers to these questions are provided in *Re-Imagining the First World War New Perspectives in Anglophone Literature and Culture* which explores the Great War in British Irish Canadian Australian and post colonial contexts The contributors to this collection write about the war from a literary perspective reinterpreting poetry fiction letters and essays created during or shortly after the war exploring contemporary discourses of commemoration and presenting in depth studies of complex conceptual issues such as gender and citizenship *Re-Imagining the First World War* also includes historical philosophical and sociological investigations of the first industrialised conflict of the 20th century which focus on responses to the Great War in political discourse life

writing music and film from the experience of missionaries isolated during the war in the Arctic and Asia through colonial encounters exploring the role of Irish Chinese and Canadian First Nations soldiers during the war to the representation of war in the world famous series Downton Abbey and the 2013 album released by contemporary Scottish rock singer Fish The variety of themes covered by the essays here not only confirms the significance of the First World War in memory today but also illustrates the necessity of developing new approaches to the first global conflict and of commemorating new victims and agents of war If modes of remembrance have changed with the postmodern ethical shift in historiography and cultural studies which encourages the exploration of other subjectivities in war so far concealed affinities and reverberations are still being discovered on the macro and micro historical levels the Western and other fronts the battlefield and the home front Although it has been a hundred years since the outbreak of hostilities there is a need for increased sensitivity to the tension between commemoration and contestation and to re member re conceptualise and re imagine the Great War     Children's Books in Print, 2007 ,2006
