Discovering Sexuality In Dostoevsky Discovering Sexuality In Dostoevsky:

Discovering Sexuality in Dostoevsky Susanne Fusso, 2008-01-29 Most discussions of sexuality in the work of Dostoevsky have been framed in Freudian terms But Dostoevsky himself wrote about sexuality from a decidedly pre Freudian perspective By looking at the views of human sexual development that were available in Dostoevsky s time and that he an avid reader and observer of his own social context absorbed and reacted to Susanne Fusso gives us a new way of understanding a critical element in the writing of one of Russia s literary masters Beyond discovering Dostoevsky s own views and representations of sexuality as a reflection of his culture and his time Fusso also explores his artistic treatment of how children and adolescents discover sexuality as part of their growth Some of the topics Fusso considers are Dostoevsky s search for an appropriate artistic language for sexuality a young narrator s experimentation with homoerotic desire and unconventional narrative in *A Raw Youth* and Dostoevsky s approach to a young man s sexual development in *A Raw Youth* and *The Brothers Karamazov* She also explores his complex treatment of a child s secret sexuality in his account of the Kroneberg child abuse case in *A Writer s Diary* and his conception of the ideal family a type of family that appears in his works mainly by negative example Focusing mainly on sexual practices considered deviant in Dostoevsky s time both because these are the practices that his young characters confront and because they offer the most intriguing interpretive problems Fusso decodes the author s texts and their social contexts In doing so she highlights one thread in the intricate thematic weave of Dostoevsky s novels and newly illuminates his artistic process

Discovering Sexuality in Dostoevsky Susanne Fusso, 2006-07-28 Most discussion of sexuality in the work of Dostoevsky have been framed in Freudian terms but Dostoevsky himself wrote from a decidedly pre Freudian perspective By looking at some of the views of human sexual development that were available in Dostoevsky s time Fusso gives us a new way of understanding a critical element in his writing

Dostoevsky's The Brothers Karamazov Julian W Connolly, 2013-02-14 Fyodor Dostoevsky s *The Brothers Karamazov* is unquestionably one of the greatest works of world literature With its dramatic portrayal of a Russian family in crisis and its intense investigation into the essential questions of human existence the novel has had a major impact on writers and thinkers across a broad range of disciplines from psychology to religious and political philosophy This proposed reader s guide has two major goals to help the reader understand the place of Dostoevsky s novel in Russian and world literature and to illuminate the writer s compelling and complex artistic vision The plot of the novel centers on the murder of the patriarch of the Karamazov family and the subsequent attempt to discover which of the brothers bears responsibility for the murder but Dostoevsky s ultimate interests are far more thought provoking Haunted by the question of God s existence Dostoevsky uses the character of Ivan Karamazov to ask what kind of God would create a world in which innocent children have to suffer and he hoped that his entire novel would provide the answer The design of Dostoevsky s work in which one character poses questions that other characters must try to answer provides a stimulating basis for reader engagement Having taught

university courses on Dostoevsky's work for over twenty years Julian W Connolly draws upon modern and traditional approaches to the novel to produce a reader's guide that stimulates the reader's interest and provides a springboard for further reflection and study *Dostoevsky's Incarnational Realism* Paul J. Contino, 2020-08-17 In this book Paul Contino offers a theological study of Dostoevsky's final novel *The Brothers Karamazov*. He argues that incarnational realism animates the vision of the novel and the decisions and actions of its hero Alyosha Fyodorovich Karamazov. The book takes a close look at Alyosha's mentor the Elder Zosima and the way his role as a confessor and his vision of responsibility to all for all develops and influences Alyosha. The remainder of the study which serves as a kind of reader's guide to the novel follows Alyosha as he takes up the mantle of his elder, develops as a monk in the world and at the end of three days ascends in his vision of Cana. The study attends also to Alyosha's brothers and his ministry to them, Mitya's struggle to become a new man and Ivan's anguished groping toward responsibility. Finally Contino traces Alyosha's generative role with the young people he encounters and his final message of hope.

Dostoevsky's Secrets Carol Apollonio Flath, 2009-01-14 When Fyodor Dostoevsky proclaims that he is a realist in a higher sense it is because the facts are irrelevant to his truth. And it is in this spirit that Apollonio approaches Dostoevsky's work, reading through the facts the text of his canonical novels for the deeper truth that they distort, mask and ultimately disclose. This sort of reading against the grain is what Apollonio suggests precisely what these works with their emphasis on the hidden and the private and their narrative reliance on secrecy and slander demand. In each work Apollonio focuses on one character or theme caught in the compromising self-serving or distorting narrative lens. Who she asks really exploits whom in *Poor Folk*? Does White Nights ever escape the dream state? What is actually lost and what is won in *The Gambler*? Is Svidrigailov of such ill repute in *Crime and Punishment* in fact an exemplar of generosity and truth? Who in *Demons* is truly demonic? Here we see how Dostoevsky has crafted his novels to help us see these distorting filters and develop the critical skills to resist their anaesthetic effect. Apollonio's readings show how Dostoevsky's paradoxes counter and usurp our comfortable assumptions about the way the world is and offer access to a deeper immanent essence. His works gain power when we read beyond the primitive logic of external appearances and recognize the deeper life of the text.

Aspects of Dostoevskii, 2012-01-01 Perhaps more than any other nineteenth century Russian writer Dostoevskii's continuing popularity rests on his contemporary relevance. The prophetic streak in his creativity gives him the same lasting appeal as dystopian novelists such as Zamyatin and Orwell whom he influenced and whose ethical concerns he anticipated. Religious themes are prominent in his work too and though he was a believer his interest seems to lie in the tension between faith and unbelief which was felt as keenly in the Russia of his time as in our own. The nature of Dostoevskii's art also continues to be debated. The older tendency to disparage his literary method has given way to a recognition of the originality of his techniques without which his ideological concerns would not have emerged with such thought-provoking clarity. The chapters which comprise this volume address these issues in a range of Dostoevskii's works from shorter classics such as

House of the Dead and Notes from Underground to great novels such as Crime and Punishment and The Brothers Karamazov This work will be of use to scholars and students of Dostoevskii at all levels as well as to those with an interest in nineteenth century literature more generally

Love for Sale Colleen Lucey, 2021-09-15 Love for Sale is the first study to examine the ubiquity of commercial sex in Russian literary and artistic production from the nineteenth century through the fin de siècle Colleen Lucey offers a compelling account of how the figure of the sex worker captivated the public's imagination through depictions in fiction and fine art bringing to light how imperial Russians grappled with the issue of sexual commerce Studying a wide range of media from little known engravings that circulated in newspapers to works of canonical fiction Lucey shows how writers and artists used the topic of prostitution both to comment on women's shifting social roles at the end of tsarist rule and to express anxieties about the incursion of capitalist transactions in relations of the heart Each of the book's chapters focus on a type of commercial sex looking at how the street walker brothel worker demimondaine kept woman impoverished bride and madam traded in sex as a means to acquire capital Lucey argues that prostitution became a focal point for imperial Russians because it signaled both the promises of modernity and the anxieties associated with Westernization Love for Sale integrates historical analysis literary criticism and feminist theory and conveys how nineteenth century beliefs about the fallen woman drew from medical judicial and religious discourse on female sexuality Lucey invites readers to draw a connection between rhetoric of the nineteenth century and today's debate on sex workers rights highlighting recent controversies concerning Russian sex workers to show how imperial discourse is recycled in the twenty first century

Dostoevsky's Crime and Punishment Robert Guay, 2019 The gruesome double murder upon which the novel Crime and Punishment hinges leads its culprit Raskolnikov into emotional trauma and obsessive destructive self reflection But Raskolnikov's famous philosophical musings are just part of the full philosophical thought manifest in one of Dostoevsky's most famous novels This volume uniquely brings together prominent philosophers and literary scholars to deepen our understanding of the novel's full range of philosophical thought The seven essays treat a diversity of topics including language and the representation of the human mind emotions and the susceptibility to loss the nature of agency freedom and the possibility of evil the family and the failure of utopian critique the authority of law and morality and the dialogical self Further authors provide new approaches for thinking about the relationship between literary representation and philosophy and the way that Dostoevsky labored over intricate problems of narrative form in Crime and Punishment Together these essays demonstrate a seminal work's full philosophical worth a novel rich with complex themes whose questions reverberate powerfully into the 21st century

Profane Challenge and Orthodox Response in Dostoevsky's Crime and Punishment Janet G. Tucker, 2008-01-01 Profane Challenge and Orthodox Response in Dostoevsky's Crime and Punishment presents for the first time an examination of this great novel as a work aimed at winning back target readers young contemporary radicals from Utilitarianism nihilism and Utopian Socialism Dostoevsky framed the battle in the context of the

Orthodox Church and oral tradition versus the West He relied on knowledge of the Gospels as text received orally forcing readers to react emotionally not rationally and thus undermining the very basis of his opponents arguments Dostoevsky saves Raskolnikov underscoring the inadequacy of rational thought and reminding his readers of a heritage discarded at their peril This volume should be of special interest to secondary and university students as well as to readers interested in literature particularly in Russian literature and Dostoevsky **The Cambridge History of Gay and Lesbian Literature** E. L.

The Brothers Karamazov Robin Feuer Miller, 2008-10-01 Fyodor Dostoevsky completed his final novel The Brothers Karamazov in 1880 A work of universal appeal and significance his exploration of good and evil immediately gained an international readership and today remains harrowingly alive in the face of our present day worries paradoxes and joys observes Dostoevsky scholar Robin Feuer Miller In this engaging and original book she guides us through the complexities of Dostoevsky's masterpiece offering keen insights and a celebration of the author's unparalleled powers of imagination Miller's critical companion to The Brothers Karamazov explores the novel's structure themes characters and artistic strategies while illuminating its myriad philosophical and narrative riddles She discusses the historical significance of the book and its initial reception and in a new preface discusses the latest scholarship on Dostoevsky and the novel that crowned his career

Libertinage in Russian Culture and Literature Alexei Lalo, 2011-09-09 The monograph explores traditions of expressing the body and sexuality designated as silence and burlesque throughout Russia's literary history with a particular focus on how these traditions affect the literary modernization during the Silver Age 1890-1921 and subsequent migr writing

Heroine Abuse Thomas Gaiton Marullo, 2015-10-15 Fyodor Dostoevsky's first novel Netochka Nezvanova written in 1849 remains the least studied and understood of the writer's long fiction but it was a seedbed for many topics and themes that became hallmarks of his major works Specifically Netochka Nezvanova was the first in Dostoevsky's corpus to focus on the psychology of children and the first to feature a woman in a leading and narrative role It was also the first work in Russian literature to deal with problems of the family In Heroine Abuse Thomas Marullo contends that Netochka Nezvanova also provides a striking example of what psychologists today call codependency the ways often deviant and destructive in which individuals bond with people places and things as well as with images and ideas to cope with the vicissitudes of life Marullo

shows how at age twenty eight Dostoevsky intuited and illustrated the workings of relationship addiction almost a century and a half before it became the scholarly focus of practitioners of mental health The moral monsters infernal women children adults and adult children who populate Netochka Nezvanova seek codependence in people places and things and in images ideas and ideals to satiate cravings for love dominance and control as well as to indulge in narcissism sexual perversion and other aberrant or alternative behaviors Indeed in no other work would Dostoevsky examine such phenomena as pedophilia and lesbianism with such abandon Racing from tie to tie bond to bond and caught in a debilitating loop that they claim to detest but sadomasochistically enjoy the characters in Netochka Nezvanova wreak havoc on themselves and the world They do so moreover with impunity their addictions moving them from momentary exultation as self styled extraordinary men and women through prolonged darkness and despair and once again to old and new addictions for physical and emotional release Readers of Heroine Abuse will see Netochka Nezvanova as a timeless model in depicting codependency in the world of the twenty first century as it did in St Petersburg in 1849 Marullo s original work will appeal to scholars and students of Russian and comparative fiction to doctors psychologists and therapists to laymen and women interested in relationship addiction and finally to codependents and relationship addicts of all types *The Art of Dostoevsky's Falling Sick* Brain R. Johnson,2008
