Control Freaks Terry Jeffrey,2010-07-27 Argues that the Obama administration plans to control every facet of Americans lives from curbing free speech under the guise of hate crime legislation to limiting movement through green initiatives all while infringing on individuals constitutional rights **Economics 101 for Senators and Representatives** Wallace Hoffman,2022-08-24 The mission of this book is to inform all American citizens how their senators and representatives vote in Washington Do your senators and your representative fulfill the responsibilities of government in the Constitution and vote in your favor If that is true they are your friends Or do your senators and your representatives violate the Constitution and vote against your best interest If that is true they are your enemies If you vote for and reelect your enemies they will be your enemies the next two or six years President Obama s legacy of deficit spending is characterized by average deficit spending of more than a trillion dollars annually During those eight years every American household went to bed each evening fifty dollars deeper in debt regardless of how hard they worked or whether they spent any money The national debt more than doubled during President Obama s eight years in office Each person s share of debt increased from 30 000 to 70 000 **Gangster Government** David Freddoso,2011-04-04 And in this new and stunning book New York Times best selling author David Freddoso The Case Against Barack Obama provides the much needed expos of an administration that has brought Chicago style corruption and strong arm politics to Washington looking to reward its friends the unions federal workers and other liberal interest groups and punish its enemies the private sector workers and taxpayers who foot the bill for Obama s massive expansion of the federal government *Crimes Against Liberty* David Limbaugh,2010-08-03 As Americans liberty is an inalienable right that is granted to us by God protected by the Constitution and upheld by our government Yet Barack Obama doesn t seem to share that view To him liberty is a threat to the government s power and something to be squashed by any means possible as bestselling author David Limbaugh shows to devastating affect in his new book Crimes Against Liberty Laying out his case like he would a criminal complaint Limbaugh presents the evidence count by count against Obama From exploiting the financial crisis for political gain to restricting our personal freedoms through invasive healthcare and green policies to endangering America with his feckless diplomacy and reckless dismantlement of our national security systems Limbaugh proves beyond a reasonable doubt that Obama is guilty of crimes against liberty **The Breeder's Gazette** ,1906 **American Agriculturist** ,1925 *Christian Advocate* ,1886 *The Cultivator & Country Gentleman* ,1896 *The Country Gentleman* ,1904 *The Billboard* ,1927 **Michigan Dairy Farmer; a Weekly Newspaper Devoted to the Dairy Interests of Michigan** G.
