Dirty Secrets Dirty War:

Dirty Secrets, Dirty War David Cox, 2008 From 1976 1983 an estimated 30 000 people disappeared in Argentina They were victims of the Dirty War a brutal campaign designed by the government to root out possible subversives Robert J Cox editor of the Buenos Aires Herald did what few others were willing to do he told the truth about what was happening every day in his newspaper He challenged those in power asking questions and demanding answers **Still Life with Bones**

Alexa Hagerty, 2023-03-14 New York Times Book Review Editors Choice An anthropologist working with forensic teams and victims families to investigate crimes against humanity in Latin America explores what science can tell us about the lives of the dead in this haunting account of grief the power of ritual and a quest for justice Absorbing multifaceted and elegiac **Still Life with Bones** captures the ethos that drives the search often tireless and against the odds for truth The New York Times WINNER OF THE JUAN E M NDEZ BOOK AWARD A NEW YORKER AND BOOKPAGE BEST BOOK OF THE YEAR

Exhumation can divide brothers and restore fathers open old wounds and open the possibility of regeneration of building something new with the pile of broken mirrors that is memory loss and mourning Throughout Guatemala s thirty six year armed conflict state forces killed more than two hundred thousand people Argentina s military dictatorship disappeared up to thirty thousand people In the wake of genocidal violence families of the missing searched for the truth Young scientists joined their fight against impunity Gathering evidence in the face of intimidation and death threats they pioneered the field of forensic exhumation for human rights In **Still Life with Bones** anthropologist Alexa Hagerty learns to see the dead body with a forensic eye She examines bones for marks of torture and fatal wounds hands bound by rope machete cuts and also for signs of identity how life shapes us down to the bone A weaver is recognized from the tiny bones of the toes molded by kneeling before a loom a girl is identified alongside her pet dog In the tenderness of understanding these bones forensics not only offers proof of mass atrocity but also tells the story of each life lost Working with forensic teams at mass grave sites and in labs Hagerty discovers how bones bear witness to crimes against humanity and how exhumation can bring families meaning after unimaginable loss She also comes to see how cutting edge science can act as ritual a way of caring for the dead with symbolic force that can repair societies torn apart by violence Weaving together powerful stories about investigative breakthroughs histories of violence and resistance and her own forensic coming of age Hagerty crafts a moving portrait of the living and the dead **Driving Terror** Karen Robert, 2025-03-04

Driving Terror tells the story of twenty four Ford autoworkers in Argentina who were tortured and disappeared for their union activism in 1976 miraculously survived and pursued a decades long quest for truth and justice In December 2018 more than four decades after their ordeal the men won a historic human rights case against a military commander and two retired Ford Argentina executives who were convicted of crimes against humanity The book uses this David and Goliath story to explore issues of labor repression and corporate complicity with Argentina s last military dictatorship as well as to shed light on the enormous obstacles facing

victims of such crimes Its emphasis on working class activism in the arenas of labor and human rights introduces North American readers to a new narrative of contemporary Argentine history The Ford survivors story intertwines with the symbolic evolution of the car the men helped build at Ford the Falcon sedan The political polarization and violence of the Cold War era transformed the Falcon from a popular family car to a tool of state terror after the coup of 1976 when it became associated with the widespread practice of disappearance Its meaning continued to evolve after the return to democracy when artists and activists used it as a symbol of military impunity during Argentina s long term struggles over justice and memory

Politics, Propaganda and the Press Louise A. Clare,2023-03-20 This book examines British and Argentine media output in the prelude to and during the 1982 Falklands Malvinas Conflict and acknowledges the aftermath and legacies of the media response Yards of ink have been spilt reinforcing the view that the Argentine Junta s action on 2nd April 1982 was a diversion from domestic tensions This view coupled with the paucity of any thorough in depth analysis afforded to Argentine media aspects of the War particularly the press necessitates this volume s copious international study of the Conflict Uniquely US media output is also analysed alongside Britain s and Argentina s all drawing upon Cold War historiography and media theory with a view to contesting the traditional consensus that media outlets merely reflected government opinion during the Crisis providing almost no effective dissent Asserting media and culture influenced the climatic decision making process of key actors in the Conflict this book s triangulated approach explores the integral influencing role played therein by culture and how it was not only instrumental to government actions but also to Argentine British and US media output This book s revisionist approach makes it a reference point for any nascent research on Falklands Malvinas media reporting and Argentine and international approaches particularly the US to the 1982 Conflict

A Flower Traveled in My Blood Haley Cohen Gilliland,2025-07-15 The epic true story of the Abuelas de Plaza de Mayo grandmothers who fought to find their stolen grandchildren during Argentina s brutal dictatorship Provided by publisher

The Disappeared Rebecca J. Sanford,2024-07-30 Inspired by the real mothers and grandmothers who spoke out against Argentina s military dictatorship The Disappeared is an award winning debut about identity family secrets and those who endured decades of hardship to expose the truth In 1976 Buenos Aires Lorena Ledesma is a housewife with dangerous secrets living under Argentina s rising military dictatorship When she and her husband are torn from their home by the paramilitary in the middle of the night their two year old son is left behind with Lorena s mother Esme There s never any record of the arrest Desperate to locate Lorena Esme joins an underground group of mothers who are investigating the disappearances of their own missing children But when they make a devastating discovery that several of their kidnapped daughters have given birth in prison a new kind of pursuit begins the search for their stolen grandchildren Nearly three decades later thousands of miles away American adoptee Rachel Sprague learns she has a biological brother from another country somewhere she has never visited But the truth goes far deeper than the results of a DNA test and revealing her

origins will expose painful family secrets that could put Rachel's loved ones in jeopardy A heart wrenching drama that spans thirty years The Disappeared is inspired by the true stories of the mothers and grandmothers of the Plaza de Mayo an extraordinary group of women who for more than forty five years have been searching for children of the disappeared those captured as dissidents during Argentina's Dirty War

Touring the Climate Crisis Osseily Hanna, 2021-05-19 Osseily Hanna invites readers to join him on his 6 year journey across 32 countries to hear from the people fighting climate change locally and what they are doing to beat it In Touring the Climate Crisis Saving the Earth Around the World Osseily Hanna documents his journey to explore how the climate is changing and affecting people in both the Global North and Global South That journey took him across five continents over the course of six years and felt similar to walking along a tightrope on one side he witnessed death destruction and destitution while on the other he saw the capacity of the human spirit to overcome seemingly impossible obstacles From gold miners in South Africa and a nuclear bomb survivor in Hiroshima to the diversity and beauty of bees in Germany and Uganda and part of the Atlantic forest that was brought back to life in Brazil Hanna's journey is one that seeks to unravel the beauty and capacity of both the natural world and the human spirit As Hanna discovers the duality of life coexisting with death and hope sprouting from fear in a world whose climate and future are changing more rapidly than ever before become the drivers of his inspiration and motivation to push further still and relay the urgency of the situation our world today faces A travelogue of the courageous work done by people who are fighting climate change as well as the factors that are causing it Touring the Climate Crisis breaks down issues such as deforestation mining and industrial agricultural processes and includes the author's own photography from his journey around the world

Sovereign Emergencies Patrick William Kelly, 2018-05-10 Shows how Latin America was the crucible of the global human rights revolution of the 1970s

Latin American Dictators of the 20th Century Javier A. Galván, 2013-01-01 Throughout the 20th century the emergence of authoritarian dictatorships in Latin America coincided with periods of social convulsion and economic uncertainty This book covers 15 dictators representing every decade of the century and geographically from the Caribbean and North and Central and South America Each chapter covers their personal information childhood education marriage family assumption of power relationship with the United States oppression of civilians and collapse of their regimes The book also investigates inherent contradictions in U.S. foreign policy promoting democracy abroad while supporting brutal dictatorships in Latin America Such analysis requires multiple perspectives and this work embraces an evaluation of the influence of military dictatorships on cultural elements such as art literature journalism music and cinema while drawing on data from documentary archives court case files investigative

reports international treaties witness testimonies and personal letters from survivors The dramatic experiences of courageous individuals who challenged these 15 oppressors are also recounted

Psychological Operations and Political Warfare in Long-term Strategic Planning Janos Radvanyi, 1990-07-26 Written by a group of distinguished security experts these eight previously unpublished papers focus on the hostile actions of the Soviet Union against the West in the form of psychological operations power politics and blackmail Addressing military professionals strategists and international security specialists the contributors examine the most effective measures the United States and its allies can take to counteract such measures This is particularly important in the Gorbachev era when Western security is perhaps more than ever dependent upon knowledge of Soviet psychological operations and political warfare The book also explores the background of East European resistance to Soviet dominance and the subsequent Soviet countermeasures Wide ranging in coverage the papers explore psychological operation in the United States Poland West Germany France and Latin America Following the editor s introduction to psychological operations the contributors address such topics as the history and future of U S military psychological operations new thinking and influence activities in the Gorbachev era terrorism as a political strategy and contemporary insurgent political and psychological warfare A case study of the Polish experience illustrates communist regimes psychological warfare against their own societies The remaining papers discuss psychological operations and political warfare in long term U S strategic planning the French experience with Soviet hostile actions and the argument that psychological warfare is no longer necessary in the age of perestroika and glasnost The contributors are united in their belief that psychological operations and political warfare will not be eliminated by the sweeping changes affecting the Soviet Union and that the Western democracies are by their very nature particularly vulnerable to such operations However given the changing nature of external threats to the West the contributors call for a reevaluation of strategy in the area of psychological operations political warfare and low intensity conflict

Buenos Aires: The Biography of a City James Gardner, 2015-12-01 Buenos Aires Argentina recognized for its European style architecture and lively theater scene is a truly special place The second largest city in South America it has been the home of such renowned cultural and historical figures as Jorge Luis Borges and Astor Piazzola Che Guevara and Eva Peron Like every truly great city New York London and Prague Buenos Aires is its own universe with its own center of gravity its own scents and flavors its own architectural signature in short its own way of being From San Telmo s oak paneled restaurants and brightly tiled apothecaries from 1900 and the phantasmagoric Beaux Arts palaces along Avenida Alvear and Plaza San Martin to the parks of Palermo and the bustling bars and cafes along Corrientes and LaValle Buenos Aires is steeped in exotic culture and history In Buenos Aires Art and culture critic James Gardner offers a colorful biography of the Paris of the South from its origins and time as a colonial city through its Golden age the rise of Peron and the Falklands War to the present day With entertaining asides about art architecture literature food and dance as well as local customs and colorful personalities this is a rich and unique historical narrative of

Buenos Aires *Art and Craft* Bill Thompson, 2015-01-12 A compendium of profiles interviews and reviews published by the South Carolina book review editor Art and Craft presents the hand picked fruit of Bill Thompson's three decades covering writers and writing as book review editor of Charleston South Carolina's Post and Courier Beginning with a foreword by Charleston novelist Josephine Humphreys this collection is a compendium of interviews featuring some of the most distinguished novelists and nonfiction writers in America and abroad including Tom Wolfe Pat Conroy Joyce Carol Oates Rick Bragg and Anthony Bourdain as well as many South Carolinians With ten thematic chapters ranging from the Southern Renaissance literature biography and travel writing to crime fiction and Civil War history Art and Craft also includes a sampling of Thompson's reviews A foreword is written by South Carolina novelist Josephine Humphreys who is author of *Dreams of Sleep* winner of the 1985 Ernest Hemingway Award for First Fiction *Rich in Love* made into a major motion picture *The Fireman's Fair and Nowhere Else on Earth* Featuring Jack Bass Rick Bragg Roy Blount Jr Robin Cook Pat Conroy Patricia Cornwell Dorothea Benton Frank Herb Frazier Sue Grafton Carl Hiaasen Sue Monk Kidd Brian Lamb Bret Lott Jill McCorkle James McPherson Mary Alice Monroe Joyce Carol Oates Carl Reiner Dori Sanders Charles Seabrook Anne Rivers Siddons Lee Smith Mickey Spillane Paul Theroux Tom Wolfe **Seeking Meaning, Seeking Justice in a Post-Cold War World** Judith Keene, Elizabeth Rezniewski, 2018-03-27 The challenge for historians as for individuals and nations has been to make sense of the Cold War past without recourse to the obsolete frameworks of a dichotomous world The editors of *Seeking Meaning Seeking Justice in the Post Cold War World* Judith Keene and Elizabeth Rezniewski have brought together contributions that address the diverse modes by which the Cold War is being assessed with a major focus on countries on the periphery of the Cold War confrontation These approaches include developments in historiography as new intellectual and cultural frame are applied to old debates Authors also consider the universal principles and moral discourses including that of human rights on which judgements have been based and judicial processes instigated and the forms of memorialisation that have sought to come to terms and perhaps achieve reconciliation with a Cold War past Contributors are Ann Curthoys Philip Deery Katherine Hite Michael Humphrey Su kyong Hwang Perry Johansson Judith Keene Betty O'Neill Peter Read Elizabeth Rezniewski Estela Valverde Adrian Vickers and Marivic Wyndham *Pope Francis* Mario I Aguilar, 2014-05-29 Pope Francis His Life and Thought paints a compelling picture of a truly remarkable pope considering his life in detail until his election as Pope Francis in 2013 Cardinal Jorge Bergoglio was a highly unusual candidate for the papacy for two main reasons the pope from far away is the first non European to be elected and furthermore he began his career as a Jesuit one of God's soldiers Members of the order traditionally do not ascend the hierarchy of the Church and it took a personal request from Pope John Paul II for Bergoglio to leave the Society of Jesus and accept his appointment as bishop Bergoglio's theological principles have been profoundly shaped by these two factors However the author also reveals that the evolution of his thought was deeply affected by his simple Argentinean upbringing and his fearless work in the slums of Buenos Aires

as a young Jesuit and as a senior member of the Church Bergoglio has consistently emphasised the importance of alleviating the suffering of the poor following the teaching of Vatican II and in keeping with his own unflinching morality This volume reveals Pope Francis as remarkably humble and altruistic man doctrinally conservative and engaged less in politics than in the struggle to re centre the Church at the margins of society It will be of great interest to any reader who wishes to know more about this inspiring individual

Sex, Love, and Letters Judith G. Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of Sex Love and Letters immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century Along the way we meet many of the greatest writers of Beauvoir's generation Hannah Arendt Dominique Aury author of *The Story of O* Fran ois Mauriac winner of the Nobel Prize and nemesis of Albert Camus Betty Friedan and of course Jean Paul Sartre bringing the electrically charged salon experience to life Sex Love and Letters lays bare the private lives and political emotions of the letter writers and of Beauvoir herself Her readers did not simply pen fan letters but as Coffin shows engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production This must happen to you often doesn't it wrote one That people write to you and tell you about their lives

Human Rights and Statistics Thomas B. Jabine, Richard Pierre Claude, 2016-11-11 Effective human rights advocacy and research require the use of statistics carefully collected and objectively analyzed and presented using the best techniques available Statistics that lack credibility are of little value Those that can be defended against critics can be effective in throwing the light on violations and promoting the observance of human rights for all The contributors to this book including experts in political science public health law forensic pathology and statistics illustrate good statistical practice in the field of human rights and show the importance of collaboration between statisticians and other professionals The treatment is largely nonmathematical and the examples provide broad coverage of all features of the collection and use of statistical data on human rights violations For readers who would like to do their own analyses an extensive guide to human rights data sources is included This book is the first to describe and summarize important issues associated with the collection and uses of human rights statistics

The Places of History Doris Sommer, 1999 A compilation of essays exploring regionalism in Latin America which seek to fill historical gaps created by the reading of Latin American literature

either through a totalizing view of a globalized culture or through universal formulae for reading offere A Miracle, a Universe Lawrence Weschler, 2013-01-02 In recent years as countries around the globe have begun to move from dictatorial to more democratic systems of governance no more traumatic or dramatic ethical problem has arisen than what to do with the previous regime's torturers In most cases the security and military apparatuses responsible for the overwhelming majority of human rights abuses still retain tremendous power and will not abide any settling of accounts Now New Yorker staff reporter Lawrence Weschler tells the extraordinary story of how against tremendous odds torture victims and human rights activists in two Latin American countries Brazil and Uruguay tried to bring their torturers to justice and to rehabilitate their whole societies from harrowing periods of silence and repression In this first of his two accounts he tells how a tiny group of torture victims clerics and human rights activists in Brazil launched an extremely risky nonviolent plot to get even with the former torturers by publishing an indisputable account of their savage system of repression indisputable because it is drawn from the regime's own files In the second set in Uruguay he tells how a more broadly based movement attempted to bring to light the dark history of a military regime engaged in more political incarceration per capita than any other on earth at that time In this illuminating and beautifully written book portions of which appeared in five issues of The New Yorker Weschler examines what a small number of individuals can do to retrieve history and truth from the hands of torturers
