

The background of the slide is a photograph of a rugged coastline. In the foreground, dark, jagged rock formations are silhouetted against a soft, hazy sky. The water is a deep blue, and the sky transitions from a pale blue near the horizon to a warm, reddish-orange at the top, suggesting a sunrise or sunset. The overall mood is serene and contemplative.

Unfolding the Mystery of Christ Eliot Kapitan,2020-03-30 2021 Catholic Media Association Award first place award in faith formation 2021 Catholic Media Association Award second place award in pastoral ministry catechetical The catechumenate is animated by trust Seekers have to trust in new barely rooted faith Seekers also need to have trust in parish ministers who will guide them on the way Parish ministers need to have trust in their Spirit given gifts Most importantly all involved in the RCIA process need to have trust in the church s normative formation practice Scripture and tradition mediated through the gradual encounter with Christ in the celebration of the liturgical year Eliot Kapitan makes it easier for each to trust With gentle wisdom he presents an ordered method for preparing the period of the catechumenate Sunday by Sunday season by

Discipleship Michael E. Connors, 2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens Many parishioners are not aware of their role in the Christian initiation process In *Preaching Discipleship Preparing Homilies for Christian Initiation* Michael E Connors CSC provides homilists and catechists with the tools to evangelize not only the catechumens present but also to capture the imagination of the parish community so that they too realize their own role in the Christian initiation process This resource will help the homilist Build a homily Foster a deeper appreciation of the call to discipleship on the part of the assembly Instruct the assembly on their role in the Rite of Christian Initiation so that right from the outset the catechumens may feel that they belong to the people of God Bring the baptized and catechumens into a deeper personal relationship with the Lord Provide specific insights during the period of Mystagogy *Pathways to the Waters of Grace* David B. Batchelder, 2017-05-16 What if the church took with

utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God's call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church's practice of baptizing children This book's underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ's disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved **Sourcebook**
