Basic Discipleship - Training Manual Robert Daley, 2018-06-30

Once upon a time, there was a Fabulous, Incredible, Magnificent, Loving, Unequaled Creator God who immensely desired to have Himself His own Family. He created a huge, spacious Universal playground for His soon expected children, filled it with beautiful starry toys and anomalies for them to enjoy and creatively experiment with, and brought forth other Moral Life creatures for them to interact with and subsequently have fellowship together. When the time was just right, this Single Parent created a Mini Me Express Image Human Xerox Carbon Copy son and daughter and gave them the

privilege of helping Him build His desired Family to exponential proportions through granted reproduction Of course He wanted them to love Him fervently but He preferred to have that love be their chosen desire so He gave them a Free Will rather than have them behave and function robotically Some of the friends that He had created for His children to interact and play with rebelled at their assignments They chose to go their own way and do their own thing so a very real schism developed within the playground Right at the outset of the Personal Divine Family development these bratty friends persuaded the new Divine children to join them in their rebellion and the children left their Heavenly Father and ran away from home Throughout all of these activities the Loving Heavenly Father God kept a journal He recorded precisely just what had happened and expressed His deep sorrow for the outcome of what had taken place However He was not content to simply allow His rebellious children to run amok forever so He prepared a genius of a plan to restore the unity of His Family once again It s all recorded within the journal and the invitation to return home has been extended today to every Mini Me Express Image Human Xerox Carbon Copy individual on planet Earth regardless of race color or creed We have all originally come from a broken home and the debilitating effects which that breach causes but our Loving Heavenly Father God wants us to repent of our rebellion and return unto Him as all prodigals should He has graciously extended forgiveness to whosoever responds to the clarion calling and yearns for Family unification once again Won t you make that decision to come back home with rejoicing in your heart

The Matthew Journey: A Discipleship Manual Through the Gospel of Matthew Jeff S. Kennedy, 2011-12 Before Jesus left his disciples he gave them the famous commission to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I ve commanded you Mt 28 19-20 The commission actually reveals a unique characteristic of Matthew s Gospel it was designed to be a training manual for the Matthean community of disciples Matthew s Gospel was structured along five major discourses on discipleship Ch s 5 7 10 13 18 24 25 In addition to these formalized sermons the gospel contains numerous situational teaching moments Thus future disciples are expected to assimilate the entire spectrum of Jesus teaching content found in both His preaching and practice The disciple of Jesus should know who Jesus is what Jesus has to say and what Jesus did Knowing who he is will inspire faith in him Knowing what he commands will guide the disciple in obedience and knowing what the Master does will provide a pattern to follow These three lines of inquiry will guide the disciple s development into the image of Jesus The end game in following such a manual is that the believer will be prepared to make disciples of others If this all sounds to you like a pretty tall order well then you re right It is a demanding journey Welcome to The Matthew Journey This study guide follows the course taught at Eastpoint Church in Spokane Valley WA It is designed to be a thirteen
