Ending Big Government Michael Dahlen, 2016-02 Statism denotes any system of big government a government that gains power at the expense of individual freedom a government that uses its power to redistribute wealth and regulate the economy Laissez faire capitalism by contrast is the system of limited government the system of economic

and political freedom It is a system that has created more wealth and lifted more people out of poverty than any other system Yet it is relentlessly demonized We are told that the free market is impractical prone to crises depressions and coercive monopolies Michael Dahlen dispels these and many other myths He shows that a laissez faire capitalist system is not only practical he shows that it is moral as it is the only system that recognizes each individual s inalienable right to his own life A provocative weave of history philosophy and political economy Ending Big Government The Essential Case for Capitalism and Freedom shows that capitalism is incontestably superior to statism Reading Objects 2005 Samuel Dorsky Museum of Art,2005-12-11 Featuring works from the Samuel Dorsky Museum of Art s permanent collection this illustrated catalogue documents an interdisciplinary exhibition hosted periodically by the museum in which faculty and staff from across the SUNY New Paltz campus are invited to respond a variety of works of art including archaeological artifacts sculpture painting and photography The responses range from short academic and personal essays to stories and poems and taken together they offer innovative examples of how to approach art from a variety of academic disciplines and personal perspectives

Extravagant Expectations Paul Hollander,2011-05-16 The proliferation of dating websites printed personals and self help relationship books reflect the new ways Americans seek close personal relationships Exposed to changing and often conflicting values trends and fashions disseminated by popular culture advertising and assorted experts Americans face uncertainties about the best ways to meet important emotional and social needs How do we establish lasting and intimate personal relationships including marriage In Extravagant Expectations Paul Hollander investigates how Americans today pursue romantic relationships with special reference to the advantages and drawbacks of Internet dating compared to connections made in school college and the workplace By analyzing printed personals dating websites and advice offered by pop psychology books he examines the qualities that people seek in a partner and also assesses the influence of the remaining conventional ideas of romantic love Hollander suggests that notions of romantic love have changed due to conflicting values and expectations and the impact of pragmatic considerations Individualism high expectations social and geographic mobility changing sex roles and the American national character all play a part in this fascinating and finally sobering exploration of men and women to find love and meaning in life *The Only Super Power* Paul Hollander,2008-12-16 In The Only Superpower Reflections on Strength Weakness and Anti Americanism Paul Hollander examines anti Americanism including the relationship between the foreign and domestic varieties American culture especially mass culture the lingering political and cultural influences of the 1960s and the controversial relationship between the realms of the personal and the political He also revisits the part played by hatred and especially the scapegoating impulse in social and political conflicts The essays range widely from Michael Moore s political celebrity the American love for SUVs and getting old in America to Islamic fanaticism and the aftermath of the fall of Eastern European communist systems

Women Bernard Chapin,2007-09 In Women Theory and Practice Bernard Chapin challenges the accepted theories of

feminism and sexual equality in this thought provoking revolutionary look at the battle of the sexes in the twenty first century This book captures the true essence of today s apocryphal gap between men and women and how it affects not only the workplace but also romantic relationships and the interactions of men and women everywhere Chapin introduces a truly contrarian argument against society s current atmosphere of political correctness He also makes a convincing case for the hidden damage caused by the women s movement and the popular mindset that women are no longer just the fairer sex they are the better sex Chapin questions the rationale behind policies and laws created to protect women s rights and to construct equality in the workplace Chapin describes society s current backlash against men and how it has created a culture that has wrongly declared women to be intellectually morally and emotionally superior Women Theory and Practice provides a clear rational argument against a popular socio political atmosphere that has turned women into demi gods and men into second class citizens

God's Law of Love: the Perfect Law of Liberty Tara Lang Chapman,2010-12-09 Has Gods Law as defined by the Ten Commandments been done away as has been supposed by many Does the new covenant allow free picking and choosing Does the fourth commandment not matter anymore or did God change the sabbath to another day Are Christmas and Easter Gods holy days Does grace make the Law unnecessary Is it okay to erect a sun god statue and other images in our nation to represent liberty Is God okay with the popular sexual lifestyles our nations Christian professing people have Should true Christians be pro war Is it okay to live richly on credit when one is only able to pay the interest It is time for our nation to repent and turn back to our liberty giver the true God of Israel Gods Law of Love is needed for liberty to thrive The Ten Commandments still apply today Find the thorough answers to the questions above and more within the pages of this book

The Secret Knowledge David Mamet,2012-08-28 For the past thirty years David Mamet has been a controversial and defining force in theater and film championing the most cherished liberal values In some of the great movies and plays of our time his characters have explored the ethics of the business world embodied the struggles of the oppressed and faced the flaws of the capitalist system But in recent years Mamet has had a change of heart He realized that the so called main stream media outlets were irredeemably biased peddling a hypocritical suborned and deeply flawed worldview Now he employs his trademark intellectual force and vigor to take on all the key political and cultural issues of our times from religion to political correctness to global warming Back cover

African Foreign Policies in International Institutions Jason Warner,Timothy M. Shaw,2018-05-18 This book is the first to exclusively consider the foreign policy tendencies of African states in international institutions As an edited volume offering empirically based perspectives from a variety of scholars this project disabuses the notion that Africa should be considered a niche interest in the field of foreign policy analysis It asserts that the actions of the continent s states collectively serve as an important heuristic by which to interrogate and understand the foreign policies of other global states and are not simply anomalously extant entities whose actions should be studied only insofar as they deviate from predictions based on the experiences of Western or other non
